Explanation of Reference Marks - Douglas DC-3 Aircraft on all flights. (CDT) - Central Daylight Time. (CST) - Central Standard Time. (EDT) - Eastern Daylight Time. (EST) - Eastern Standard Time. N - Overflight due to airport limitations. †Serving through New Phila. Airport. A/AA - American Airlines. T/TW - Trans World Airlines. C/CA - Capital Airlines. U/UA - United Air Lines. N/NW - Northwest Airlines. D/DL - Delta Air Lines. All flights subject to change without notice. Except as noted arrival times are approximately 4 minutes prior to departure times. Bold Face - P.M. Light Face - A.M. @ - Springfield, O. served through Dayton Municipal Airport. *Peru and Logansport, Indiana served through Kokomo Municipal Airport. Schedules and connections are not guaranteed and may be changed without prior notice.

PROP-JET POWER

Lake Central Airlines starts its second decade of service in the Great Lakes-Ohio River Valley area by taking a giant step into the jet age - ordering five Allison Prop-Jet Convairs for delivery in 1960.

Lake Central's Board of Directors has also taken an option on 10 additional Prop-Jet Convairs from General Motors' Allison Division - a move which promises continued improvement in passenger service for years to come.

Allison Prop-Jet Convairs are standard 340/440 aircraft modified to use Allison 501 Prop-Jet Engines and Aeroproducts Turbo-Propellers. In addition to conversion from piston engine to Prop-Jet power, the modification program includes new nacelles and other airframe changes, which bring the aircraft up to thoroughly modern jet-age standards.

When these 350-m.p.h. airliners enter service, Lake Central will offer the fastest scheduled local airline service in America.

The Prop-Jet Convair is a fully pressurized, completely air-conditioned 52-passenger aircraft that will fly our customers to their local destinations far sooner, far more rested and relaxed than ever before.
