Midway Express jets your small package in hours. Or less.

When the world won't wait, give your small package to Midway. We'll jet it anywhere in our system on the next available flight.

Just drop it off at our ticket counter 30 minutes before flight time. Then you can call ahead with the flight number, and have the package picked up at the ticket counter at its destination.

A flat \$15 takes your package to any Midway city.

So ship Midway Express. And kiss your small package worries goodbye, too.

Packages must measure no larger than 90 inches total, adding length + width + height, with no single side greater than 48 inches.

Weight: up to 50 lbs.

Maximum declared value: \$500 per package.

Please, no perishables.

Jet Midway and kiss O'Hare goodbye.

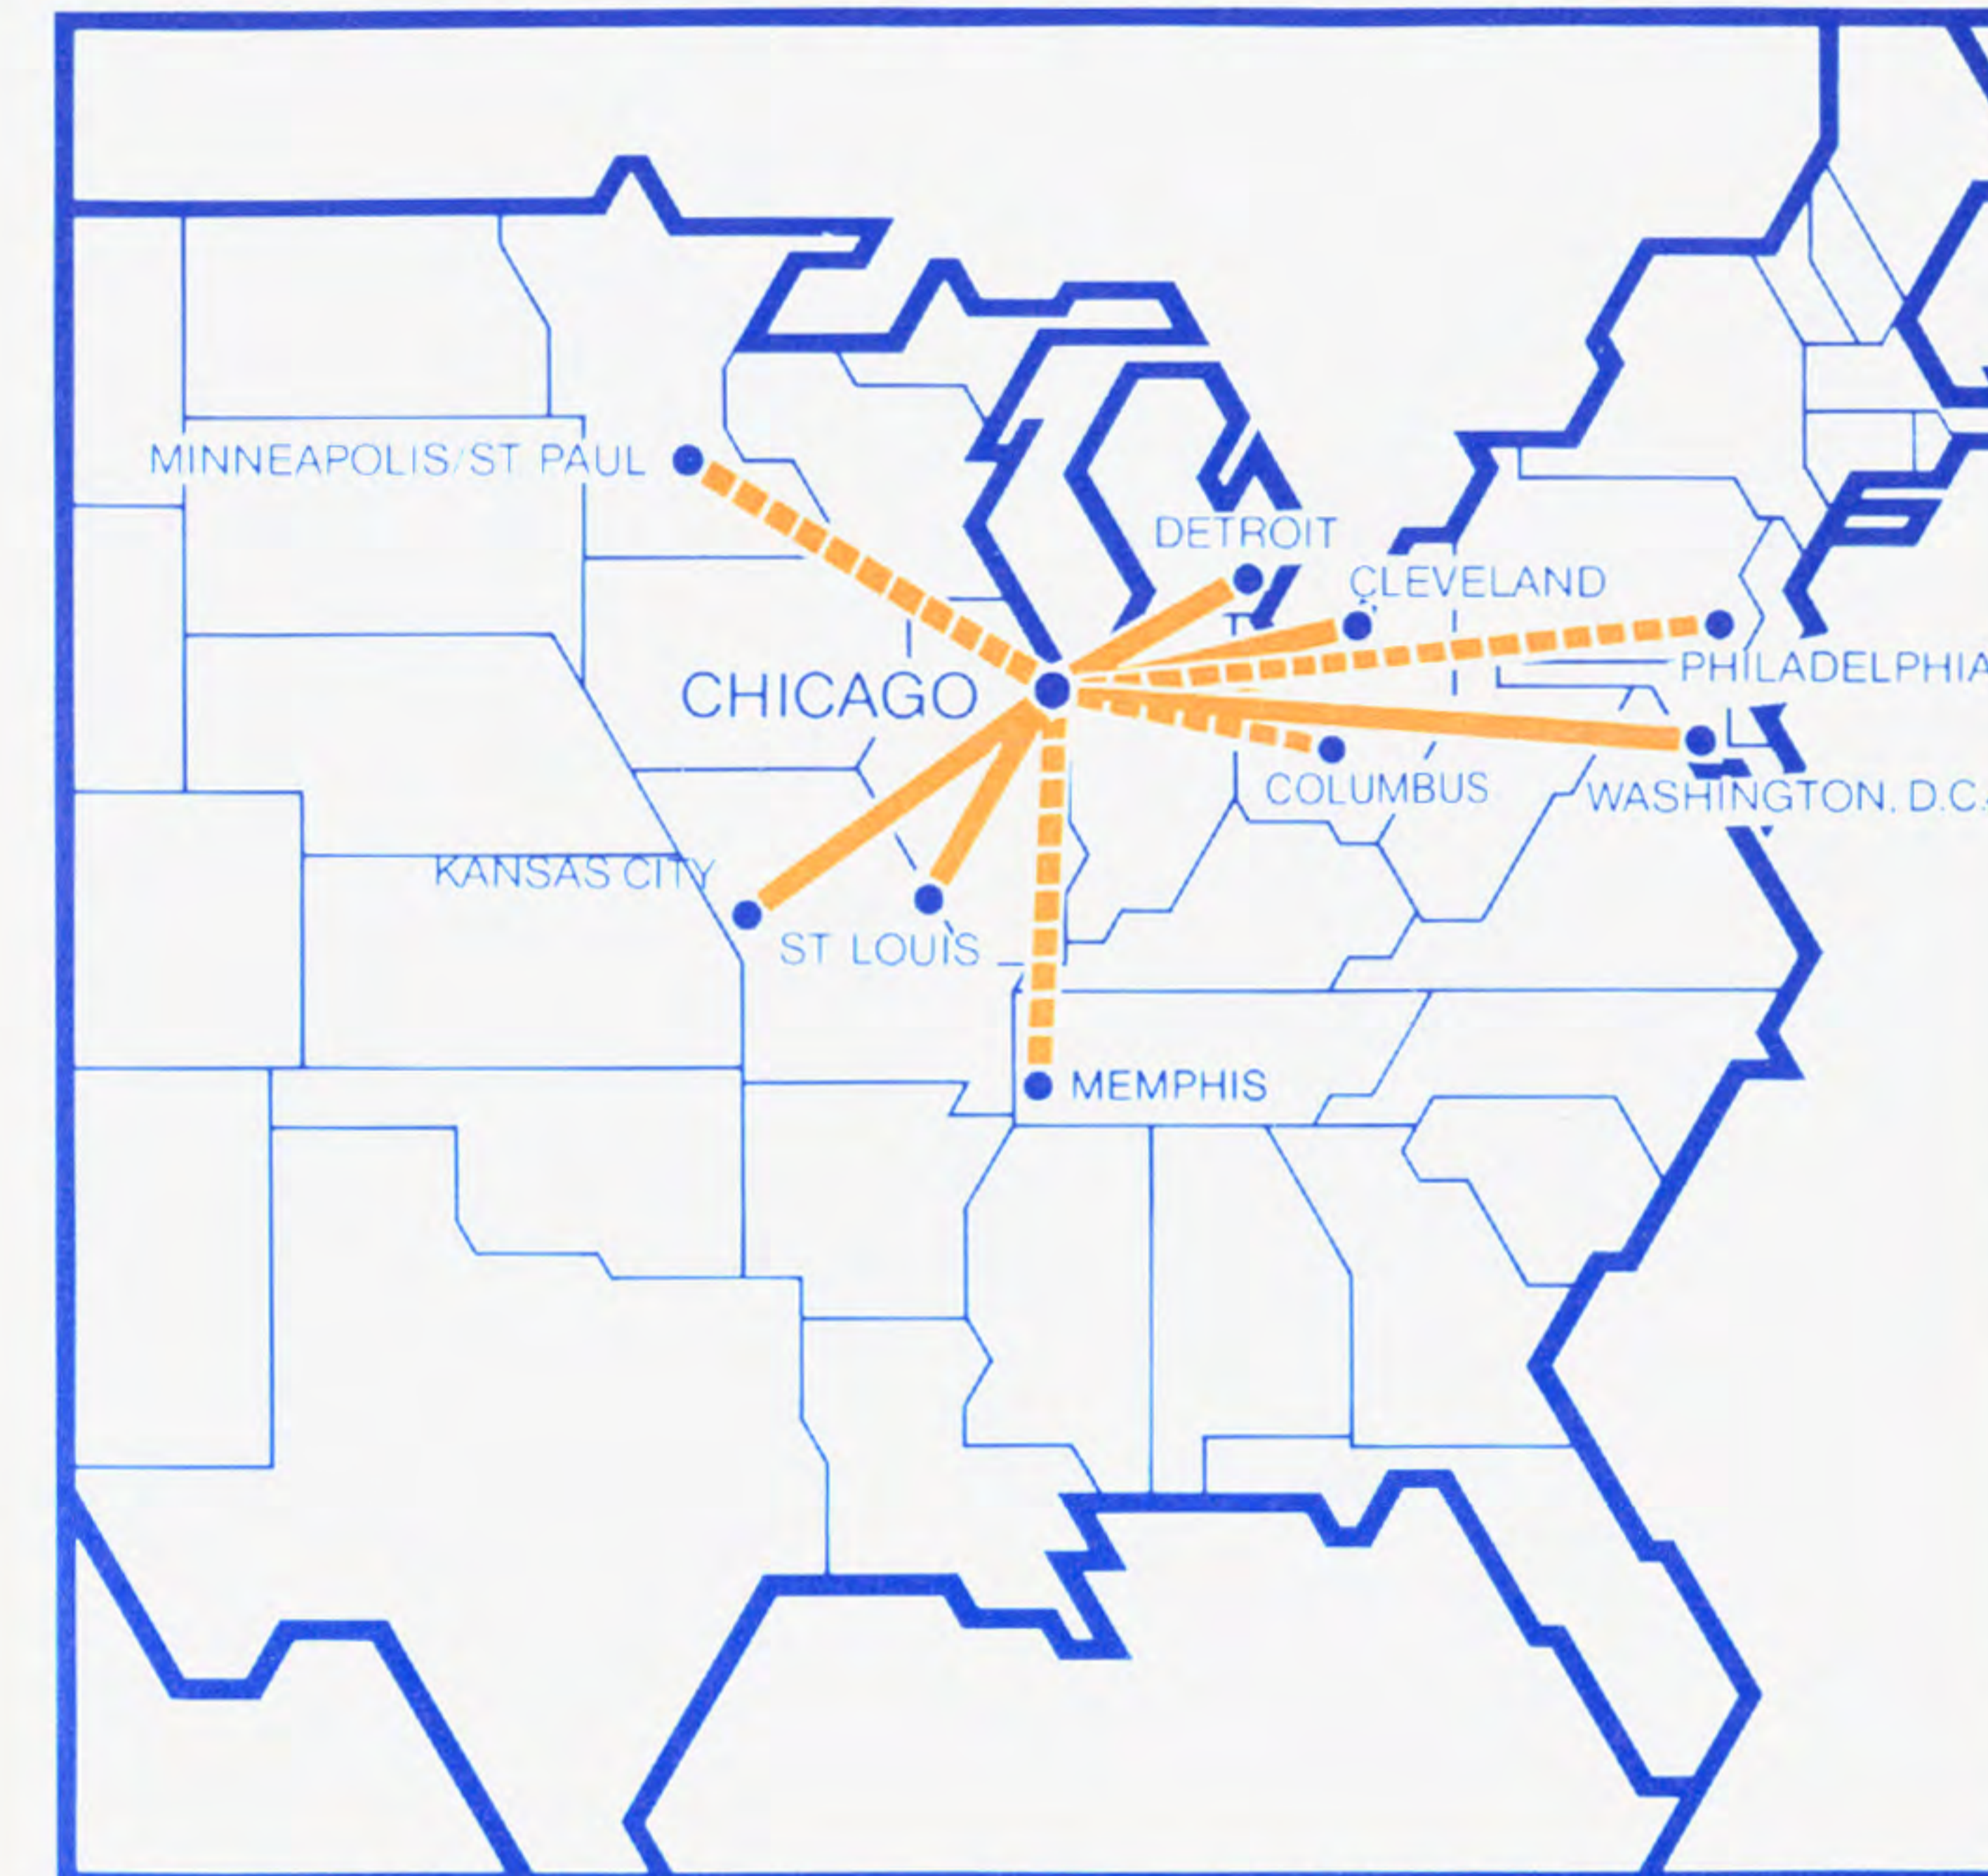

Take a Midway DC-9 jet to or from Chicago's Midway Airport and say goodbye to all the problems at O'Hare.

You won't miss O'Hare's congestion, holding patterns, baggage delays, or parking problems. (Midway Airport has 1,300 close-in spaces.)

And Midway Airport is right in the city, 15 miles closer to the Loop. So you'll save time, cab fare . . . even bus fare on airport buses to major downtown hotels and convention centers.
