The best care in the air.®

We've earned our reputation as "the best care in the air" by offering passengers luxury service for competitive coach and discounted excursion fares. Which is why we've been named the best airline in the country – four years in a row – by a major consumer report.

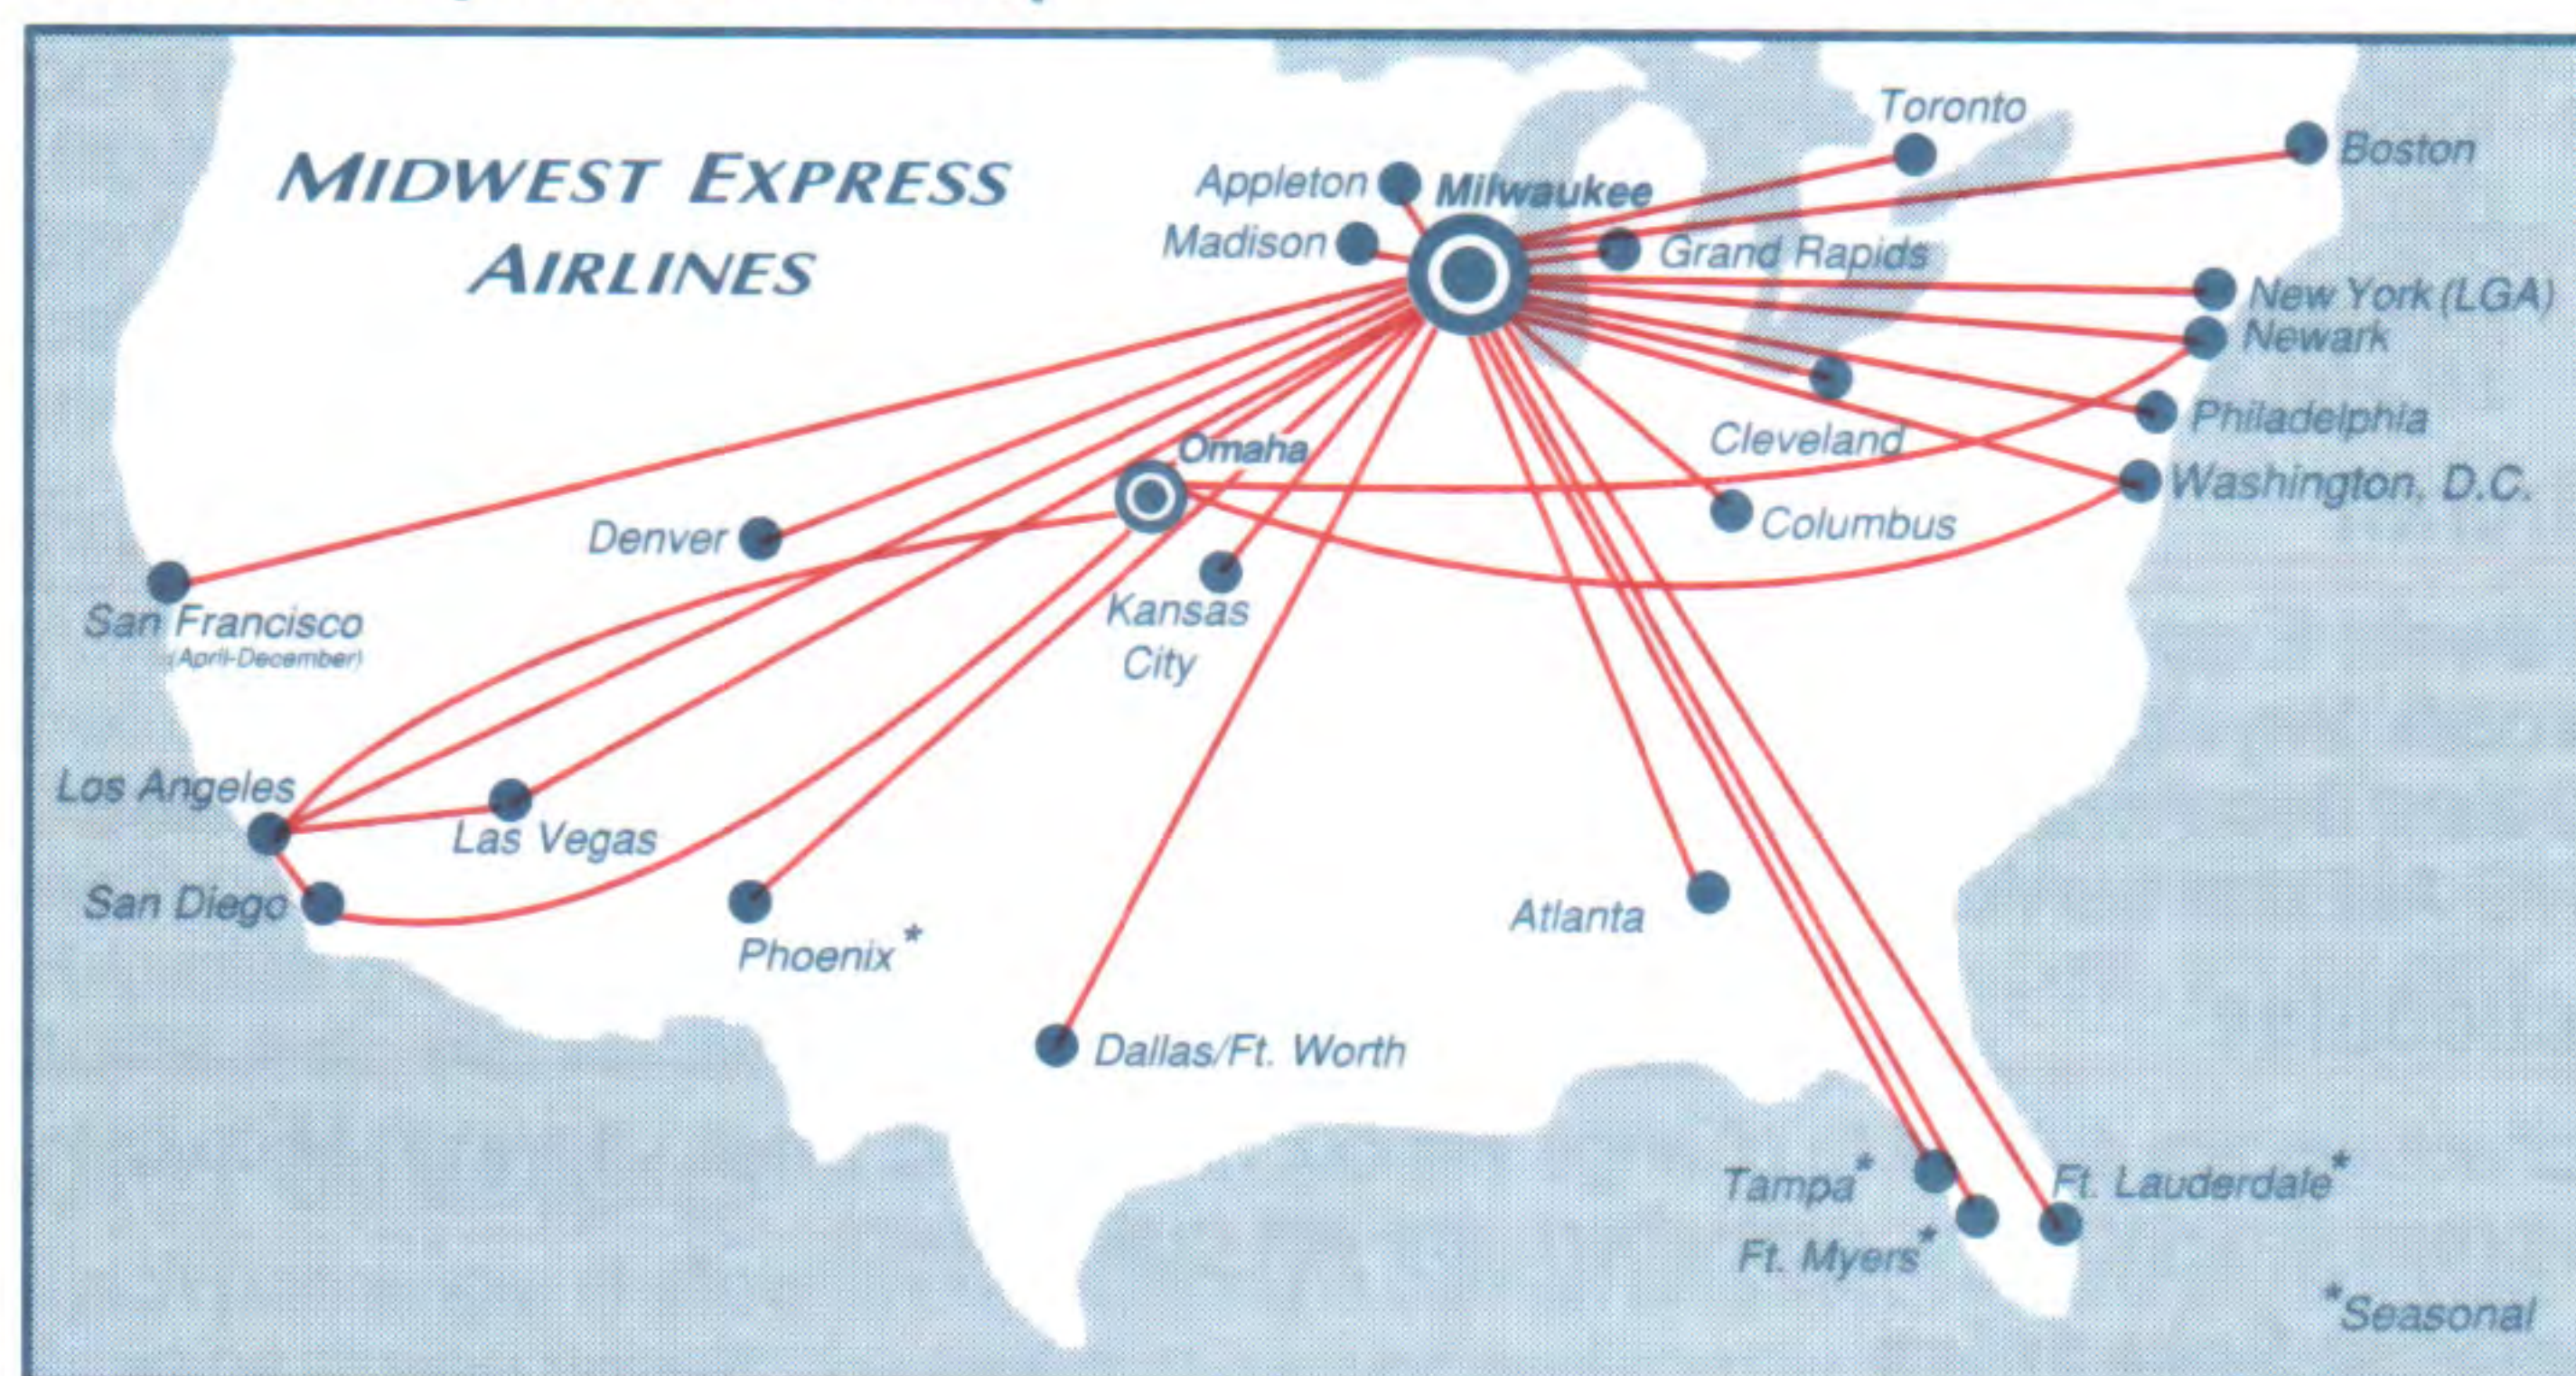

You'll find wide, two-across leather seating. And fine cuisine, served on real china. Fine wine or champagne is offered with our compliments. And on some flights we even serve fresh-baked chocolate chip cookies!

Sit back, relax and enjoy!

Check-In Time

All passengers must check-in, receive a seat assignment and be at the boarding point ready to board the aircraft at least ten (10) minutes before the scheduled departure time of the flight, even if the passengers have already checked in for the flight at a location designated for such purpose. Failure to do so may result in cancellation of a passenger's reservation for all segments in his/her itinerary and make the passenger ineligible for denied boarding compensation.

Free Baggage Allowance

A maximum of three pieces per ticketed passenger, including carry-on, is allowed free of charge. Each piece must conform to the dimension and weight restrictions established by Midwest Express. Baggage will be assessed an excess fee for each piece over the free allowance and for oversized and/or overweight pieces. Separate charges will apply to special items such as bicycles, pets, scuba gear, surfboards, etc. For further details, contact Midwest Express.

Carry-On Baggage

Each passenger is allowed one item to be carried onboard the aircraft provided it can be stowed beneath the seat or in an overhead compartment. Midwest Express may allow any of the following pieces in addition to the one piece limitation provided there is ample storage space:

- | | |
|---|---|
| ■ one standard hard or soft shell briefcase (not larger than 6"W x 15"H x 18"L) | ■ one camera |
| ■ one handbag (pocketbook or purse) | ■ one infant seat (provided a ticket has been purchased for the infant) |
| ■ one umbrella | ■ one infant bag |
| ■ one overcoat or wrap | ■ crutches/canes/braces or other assistive devices |
| ■ a reasonable amount of reading material | ■ fragile items or items of extraordinary value |

Baggage Liability

Midwest Express baggage liability for baggage loss, damage, or delays is not to exceed \$1,250 per fare-paying passenger domestically and \$640 per piece of checked baggage not to exceed two pieces internationally (including domestic portions of international journeys). Midwest Express is not liable for loss of, damage to, or delay in time of delivery of fragile or perishable articles, medication, money, jewelry, business documents, securities, electronic/video/photographic equipment, samples, heirlooms, antiques, orthotics, works of art or other valuables included in the passenger's checked baggage, with or without the knowledge of Midwest Express Airlines. Baggage is designed to protect the contents. Scratches, nicks, dents, or dirt may appear despite care in handling. Midwest Express does not assume liability for normal wear and tear. Midwest Express assumes no responsibility or liability for baggage carried in the passenger compartment of the aircraft.

Firearms

Federal regulations permit the transportation of firearms as checked baggage only. Firearms must be unloaded and in an approved case, and must be declared at the time of check-in.

Hazardous Materials

For safety reasons, hazardous materials (as classified in accordance with federal regulations) are not to be carried on board or packed in checked baggage. Restricted articles include, but are not limited to: Aerosols (polishes, waxes, household cleaners); corrosives (acids, wet cell batteries); flammables (paints, thinners, lighter fluid, adhesives); explosives (fireworks, flares); gases (butane, cooking gas); radioactives (uninstalled pacemakers); compressed gases (tear gas or protective-type sprays, oxygen, scuba tanks); poisons; magnetic materials; loose safety matches (must be carried on your person); mercury; and briefcases with installed alarm devices. Violations may result in civil or criminal penalties. Further information is available upon request.

Overbooking of Flights

To account for passengers who make reservations but do not arrive to board a flight, some flights may be overbooked. As a result, there is a slight chance that a seat will not be available on a flight for which a passenger has a confirmed reservation. If the flight is indeed oversold, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their seat in exchange for payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with established boarding priorities. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for payment of compensations and Midwest Express boarding priorities are available at all our airport ticket counters and boarding locations.
