depends on proof that the damage occurred while the baggage was in the custody of Florida Air Lines. No claims can be paid for damages to fragile articles or from liquid containers packed in baggage.

Responsibilities for Meeting Schedules

Florida Air Lines makes every effort to meet all scheduled arrivals and departures. However, the safety of our passengers and crews is our primary consideration. Because weather and other factors often affect our operating conditions, we cannot guarantee that we will meet every schedule as listed in this folder. For the same reasons we cannot accept responsibility for damages due to failure of flights to arrive or depart as scheduled or for the resulting failure of passengers to connect with flights of this or any other air line.

AIR CHARTER AND AIR AMBULANCE SERVICES
