GENERAL INFORMATION

FLORIDA AIR LINES TO EUROPE?

Florida Air Lines, in cooperation with British Airways, can now provide you with the best CONNECTIONS to London and all of Europe from most cities in Florida. Contact your travel agent for full details on this new program.

JOINT FARE INFORMATION

Florida Air Lines has made arrangements with other airlines to provide low fares for our passengers. These airlines are Delta, Eastern, National, Northwest, and United. When you are making CONNECTIONS from Florida Air Lines to one of these airlines, a special joint fare may be available that provides substantial savings on the fare. To determine if your itinerary will allow a joint fare, contact your travel agent or any Florida Air Lines office.

RESERVATIONS AND TICKETS

You may make your reservations for any flight through your travel agent or by contacting any Florida Air Lines office. You should plan to purchase your ticket 24 hour in advance of departure time. If you must purchase your ticket immediately before your flight, you must arrive at our ticket counter at least 45 minutes before flight time or your reservation will be cancelled. If you have purchased your ticket ahead of time, you should be at the airport 30 minutes before flight time. Reservations for ticketed passengers will be held until 15 minutes before scheduled flight time. If you have not presented your ticket at the boarding gate by this time, your reservation may be cancelled and made available to someone else.

BAGGAGE

All Florida Air Lines passengers are allowed the following amount of baggage: 1 bag, not to exceed 62 dimensional inches, and 1 bag not to exceed 55 dimensional inches (dimensional inches = length + height + width). A charge will be made for any luggage in excess of these limits and such excess baggage will be carried on the first flight with space available. In cases where the next flight with space available is not the same flight the passenger is traveling on, it will be the passenger's responsibility to pick up such luggage at the airport when it arrives. Excess baggage charges, along with other rules and regulations concerning the transportation of luggage, are included in tariffs which are available for public inspection at all Florida Air Lines offices.
