PASSENGER INFORMATION

CONTRACT TERMS—Transportation on Fort Worth Airlines is subject to the terms of our contract, which may be inspected at any Fort Worth Air ticket counter. These include provisions on reservations, claim restrictions, our rights to change the contract, refusal to transport, limits on liability and delays or failure to perform service, among other things.

SCHEDULES—Schedules shown are expected departures and arrivals, as planned at the time of publication and are subject to change without notice. Actual times should be confirmed when making reservations. Because weather and other factors may affect safe operating conditions, FWA can't guarantee its schedules or accept liability for delays in flight arrivals or departures, or for missed connections. In the event of delays, we will work to minimize any inconvenience to you. During holiday periods our schedules may be adjusted slightly. Please check with our reservation office for any changes.

RESERVATIONS/TICKET PURCHASES—Advance reservations are recommended and may be obtained for any flight by contacting Fort Worth Airlines or your Travel Agent. Reservations are subject to cancellation if tickets have not been purchased at least 20 minutes prior to departure. It is to your advantage to purchase your tickets early. Once you have purchased your ticket and do not change your flight or date of travel, your fare will be guaranteed even if the fare increases before you travel. Fares are subject to change without notice.

CHECK-IN TIME—All ticketed passengers should be at the airport ticket lifting point to obtain their boarding pass at least 20 minutes before the scheduled departure time. Reservations may be cancelled and the space resold, rendering a passenger ineligible to receive denied boarding compensation if he has not presented himself for check-in at the loading gate at least 10 minutes before scheduled departure.

LOST TICKETS—When a passenger loses his ticket, or a portion of his ticket, he will be required to purchase another ticket at the appropriate fare before transportation will be furnished between the points covered by the lost ticket. There will be no refund for a lost ticket.

BAGGAGE—Checked baggage should be locked. Regulations require name identification on outside. We recommend placing identification card on the inside of luggage too. Do not place money, jewelry or other expensive personal items in baggage which is to be checked. Fragile articles and perishables are accepted as checked baggage only at the passenger's own risk. Checked baggage is subject to inspection and passengers may be required to present identification.

For travel within the United States and Canada, each ticketed passenger is entitled to have the following pieces of baggage carried free, provided no single piece weighs more than 70 pounds:

1. One piece of baggage with total linear dimensions not exceeding 62 inches (L + H + W).
2. One piece of baggage with total linear dimensions not exceeding 55 inches (L + H + W).
3. One or more pieces which measured together do not exceed 45 inches in total outside dimensions (L + H + W). Such pieces may be carried on board if they remain in the passenger's custody and can be stowed under the passenger's seat.

Excess baggage for travel within the United States and Canada will be accepted, space and weight permitting. Payment for excess baggage will be charged in accordance with the rate table published by FWA.

Unless excess value is declared and charges paid at time of check-in, Fort Worth Airlines' liability for lost, damaged or delayed in delivery of personal baggage is limited to \$500.00 per fare-paying passenger.

Claim—Damaged or lost baggage must be reported, in person, within four hours of passenger's arrival at destination.

SECURITY—For your security all passengers and their hand-carried items must be inspected in accordance with the government-sponsored security program.

Effective July 1, 1985
