

# FREEDOM AIRLINES, INC.

Meet FREEDOM AIRLINES, INC., one of the fastest growing airlines in the country today. We're new to your area, but not to our business. For almost twenty years, we've been in the business of carrying people like you to their destinations — safely, comfortably, reliably. It's the kind of know-how which brought us the Federal Aviation Administration's Most Outstanding Maintenance Award of 1975, and consecutive awards from 1971 through 1975 from the U.S. Post Office for outstanding performance, reliability and safety. And it's the same know-how which today strengthens our commitment to providing customers with excellent passenger service. We've grown with that commitment over the years, and we're proud of it. And now we're pleased to extend our services to you, the people of Michigan and Ohio.

We fly large, 50-passenger turbo-prop jet aircraft and offer all the specialized services you have come to expect from a professional airline. Our personnel are well trained, with the knowledge and experience needed to do their job well, and the desire, wherever possible, to meet and surpass your air travel needs and expectations.

Experience, know-how and the desire to serve. These are valuable qualities which together make Freedom Airlines a growing airline with a promising future — a future which includes you, our customers in Michigan and Ohio. It's an idea we never forget. And neither should you. That's why we mean it when we say "Welcome Aboard" for, when you fly Freedom you know you're flying with the best.
