AIRPORT LOCATIONS

GENERAL PASSENGER INFORMATION

NOTICE OF INCORPORATED TERMS: Effective January 1, 1983, this notice becomes part of the conditions of contract between the airline and the passenger. If there is any inconsistency between the incorporated terms described below and the terms and conditions in the passenger's ticket, these incorporated terms govern.

Air transportation to be provided between points in the U.S. (including its overseas territories and possessions) is subject to the individual terms of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage. Foreign air transportation is governed by applicable tariffs on file with the U.S. and other governments. Incorporated terms may include, but are not restricted to:

1. Limits on liability for personal injury or death.
2. Limits on liability for baggage, including fragile or perishable goods, and availability of excess valuation coverage.
3. Claims restrictions, including time periods in which passengers must file a claim or bring an action against the air carrier.
4. Rights of the air carrier to change terms of the contract.
5. Rules on reconfirmation of reservations, check-in times, and refusal to carry.
6. Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of alternate air carriers or aircraft and rerouting.

You can obtain additional information on items 1 through 6 above at any U.S. location where the transporting air carrier's tickets are sold.

You have the right to inspect the full text of each transporting air carrier's terms at its airport and city ticket offices. You also have the right, upon request, to receive free of charge the full text of the applicable terms incorporated by reference from each of the transporting air carriers. Information on ordering the full text of each air carrier's terms is available at any U.S. location where the air carrier's tickets are sold.

CHECK-IN TIMES: In the interest of on-time service for all passengers, Freedom requests that all passengers without tickets be at the airport counter 45 minutes prior to published departure time. Ticketed passengers should be at the airport counter 30 minutes prior to the scheduled time of departure. Reservations of passengers presenting themselves at the Freedom ticket-lift point less than 15 minutes before scheduled departure of a flight will be subject to cancellation.

BAGGAGE: Freedom Airline's liability for damage to or loss of baggage is \$750.00 per fare paying passenger. Additional coverage is available through a baggage insurance policy. Freedom Airlines reminds all passengers that immediate notification of damage to or loss of baggage will expedite the processing of a baggage claim. Please do not place jewelry, money, important medicine, important documents or fragile items such as cameras or radios in baggage because we are unable to assume the responsibility for such items. Each passenger may carry, without extra charge, three pieces of luggage with linear dimensions of 62, 55, and 45 inches, and each bag may weigh 70 pounds. Luggage in excess of these dimensions is subject to a \$12.00 per bag charge.

RESPONSIBILITY: Freedom strives to maintain a high standard of service and the highest standards of safety in serving our customers. Freedom will not be responsible for damages resulting from failure to depart or arrive at times stated in this timetable, nor the failure to make connections with other flights. Freedom will maintain the right to cancel flights or reservations whenever deemed advisable or necessary for safety, weather or other reasons. Schedules and fares are subject to change without notice. Since holiday schedules may differ please call your Freedom Reservation's office for this information. Delays are always possible and should be taken into consideration when scheduling flights or business appointments.

OVERBOOKING OF FLIGHTS: Airline flights may be overbooked and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation.
