A WORD FROM THE PRESIDENT

California living has been described as the "Good Life". People are on the move. They play hard, they work hard and to each, time is money.

Golden West is a California airline--born of a need for people to get places quickly and comfortably. Whether our passengers be businessmen from the East, or neighbors from the Northwest, or fellow Californians, we invite them to join us.

As the nation's leader in developing aerial commuting, Golden West expedites travelers to and from 169 communities in California through the airports we serve. This is our contribution to the "Good Life" and we are proud to be a part of the booming Golden State we serve.

Victor H. Harrell, Jr.
President
