Golden West / charter

Offer us \$13 for one of our prop-JETS and we'll take you up on it.

And we'll also take up 18 of your friends or business associates for the same low charter fare. That's because groups of 19 can charter a GWA twin JET-prop DeHavilland and fly anywhere within a 150-mile radius for only \$13 each.

Of course, you *can* spring for the whole \$247 yourself . . . if you want to see what it's like to fly in solitary splendor in your own private jet (like some playboys you've probably been reading about).

Call (714) 546-6570 for all the details. You'll see. Our charter plan is so special you'd be crazy not to take us up on it.

Golden West / Air Freight

Some of our passengers are really square.

And some are round. And some are flat. We love them all, whatever shape they are. Because packages are like that. And it's what our Air Freight service is all about. Getting your packages to connecting flights, to other freight forwarders, or from one Golden West city to another. Quickly. And conveniently. This new service is available on all our scheduled flights. And now we can offer you our Air Freight charter service, too. Call (714) 546-6570 and find out how Golden West can shape up your shipping. We'll welcome your packages aboard . . . no matter how square they are.
