# Golden West Airlines Route Map

Connections at LAX and SFO to any point in the world via major domestic and international carriers.

# We put you on where others take off.

If you're leaving California, we'll help you get started.

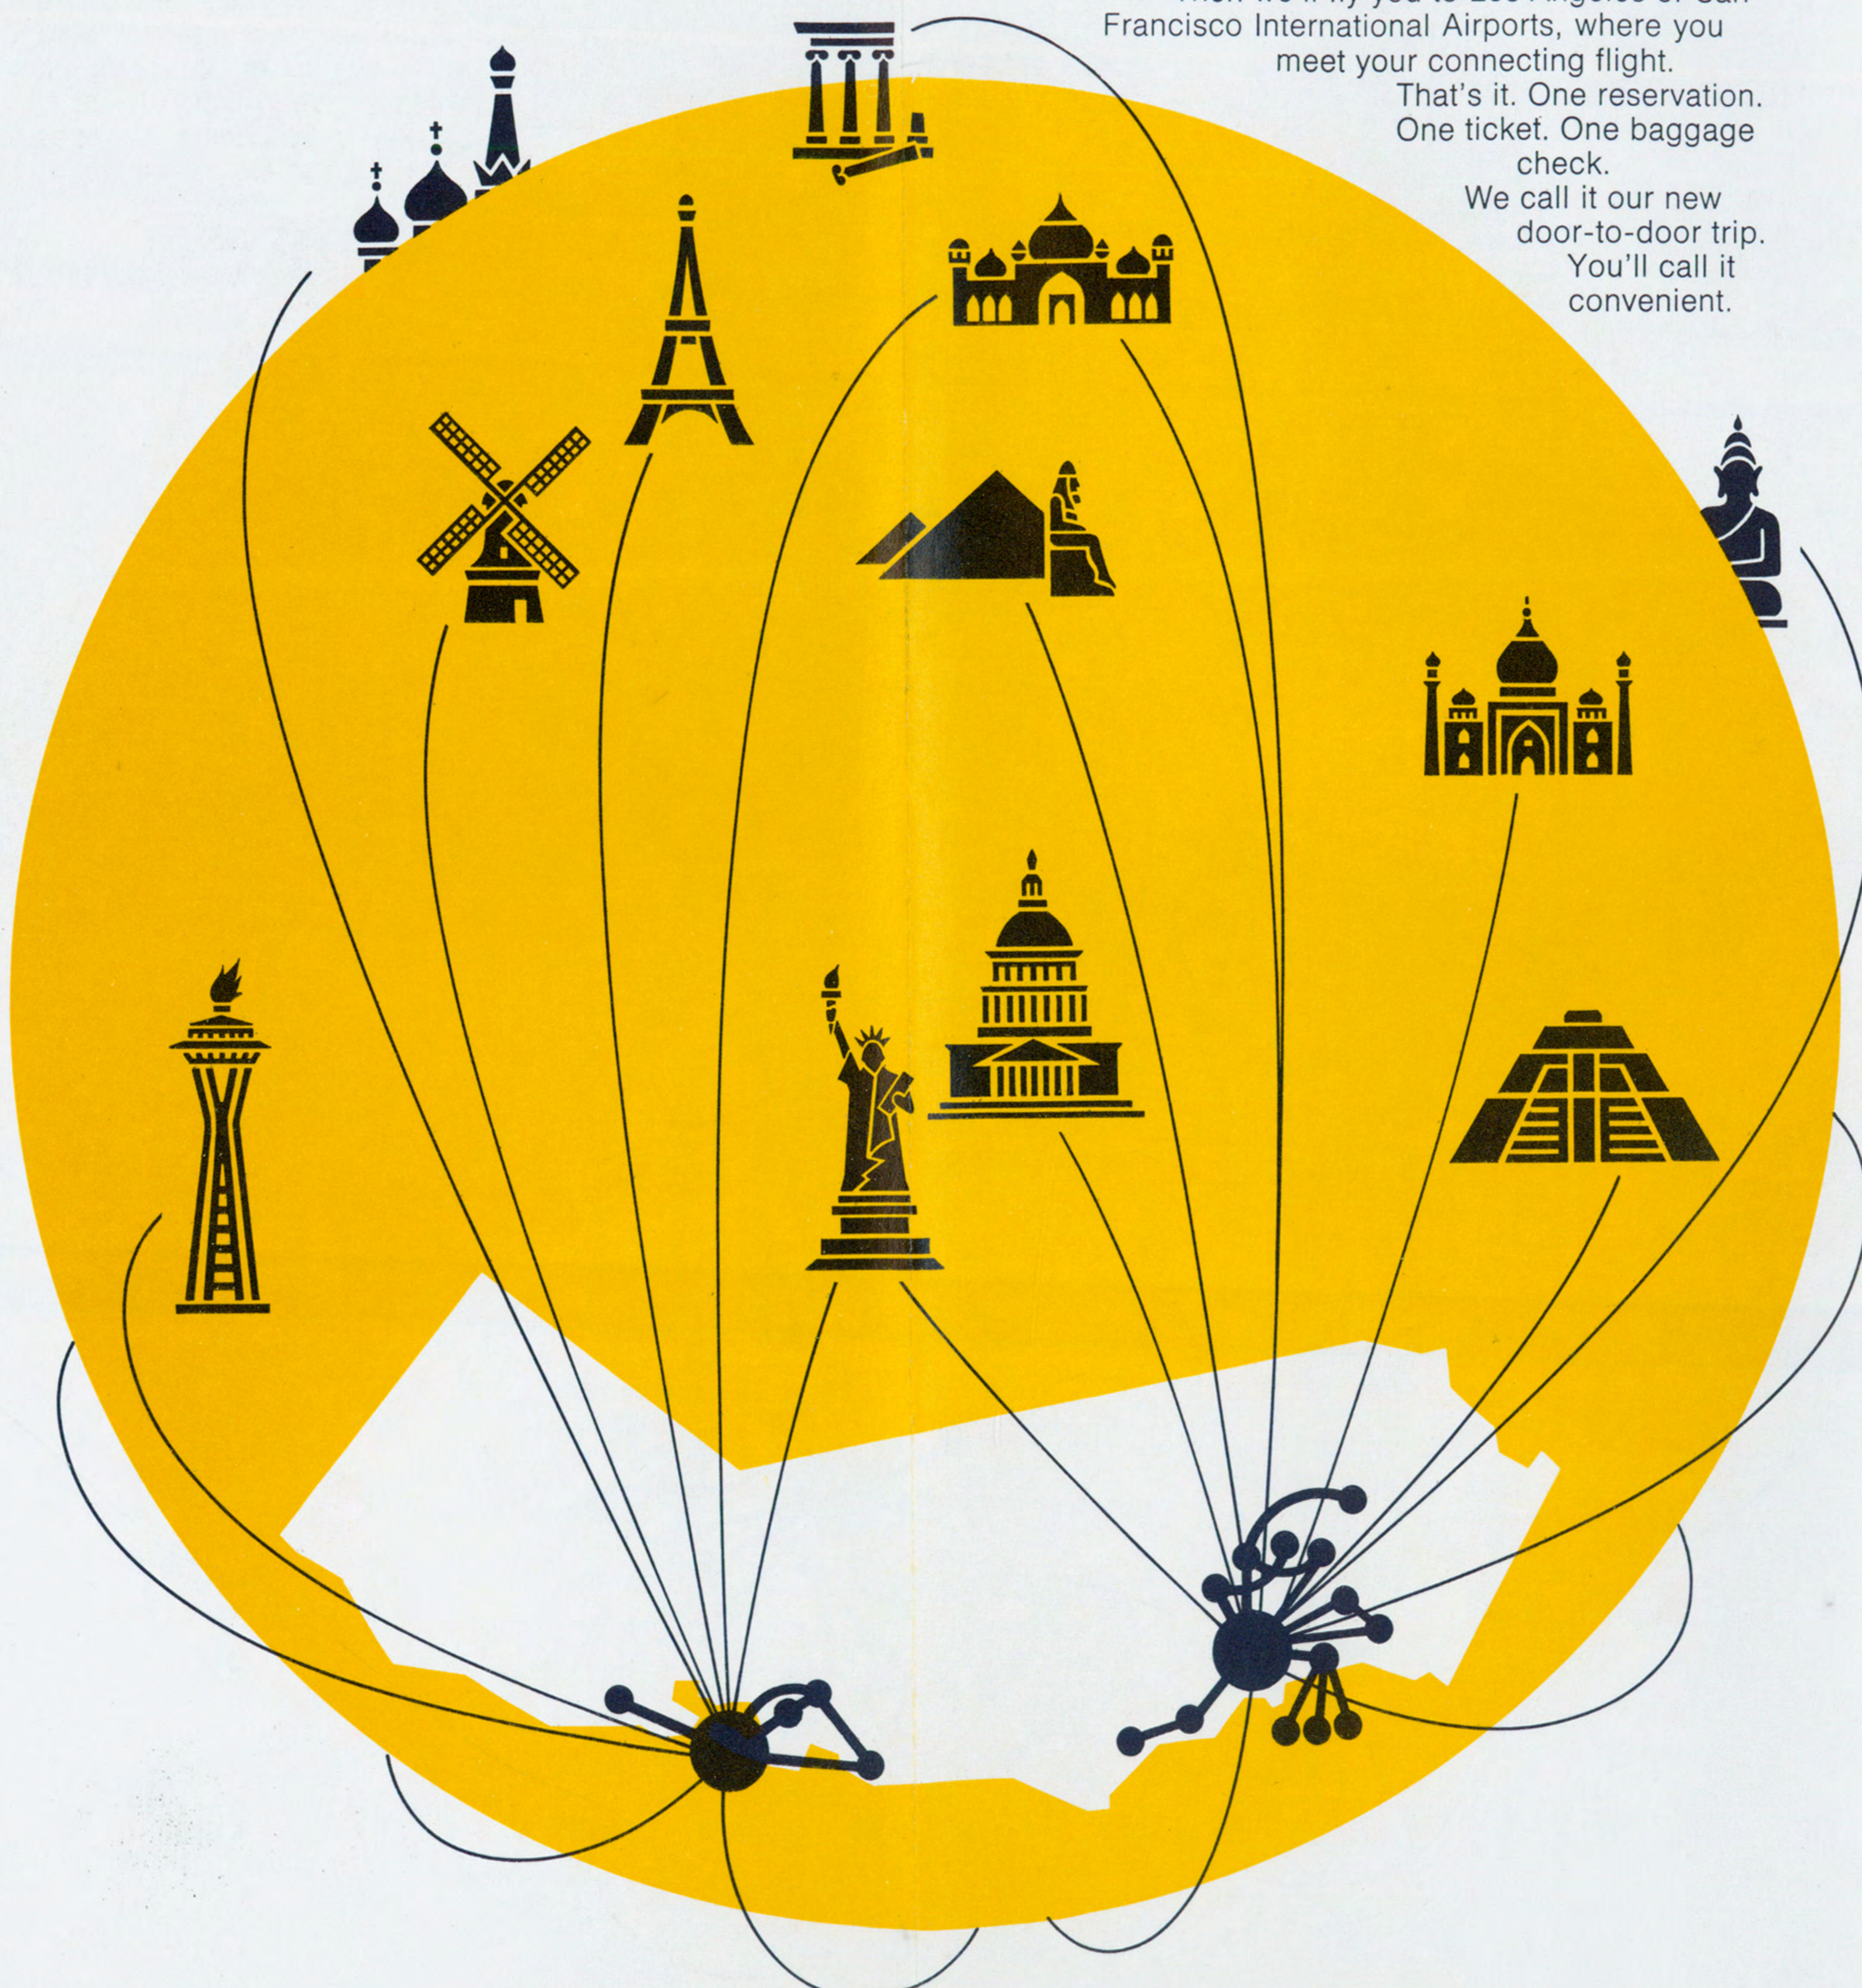

First, make your reservation with us, or your travel agent. We'll write your ticket.

When you board our GWA flight in your home town, we'll check your luggage through to final destination.

Then we'll fly you to Los Angeles or San Francisco International Airports, where you meet your connecting flight.

That's it. One reservation. One ticket. One baggage check.

We call it our new door-to-door trip. You'll call it convenient.

# We pick up where others leave off.

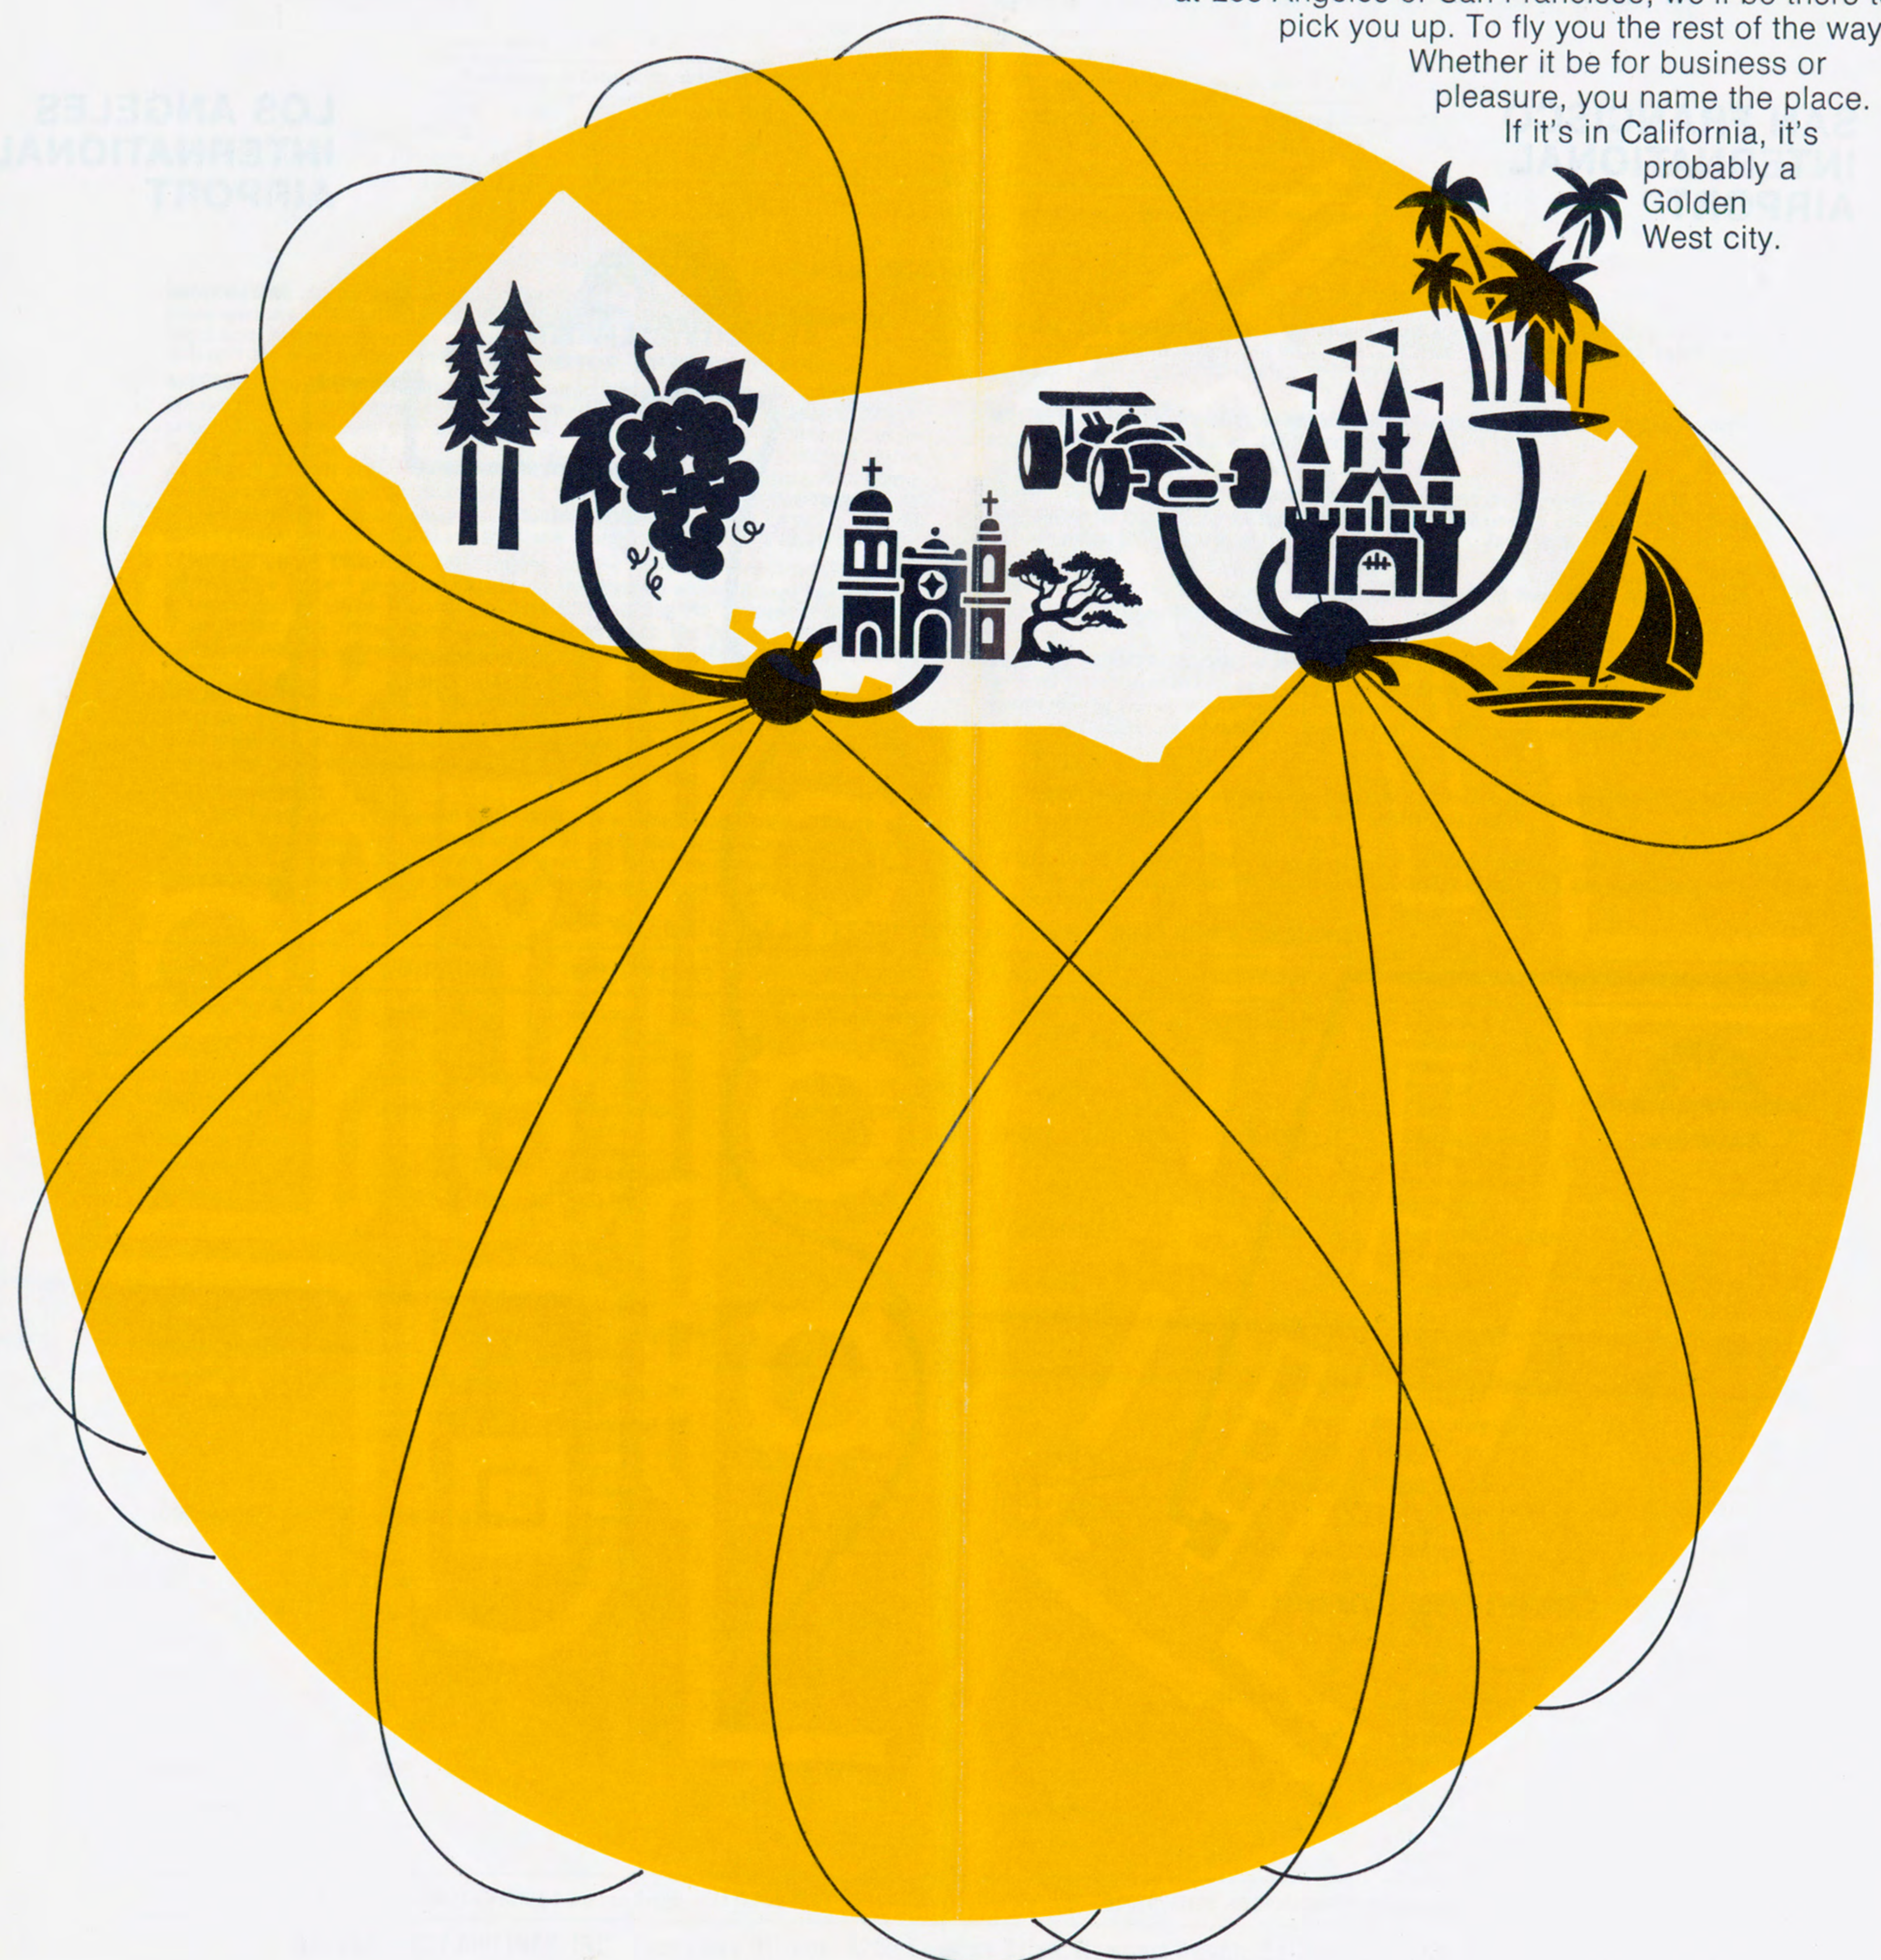

GWA has direct flights into virtually all of California's major industrial and recreational areas.

Disneyland, Palm Springs, Santa Barbara, Carmel / Monterey, the Ontario Raceway, the famed Wine Country, Catalina & many others.

Just have your originating carrier include the GWA portion on your ticket. So when you arrive at Los Angeles or San Francisco, we'll be there to pick you up. To fly you the rest of the way.

Whether it be for business or pleasure, you name the place.

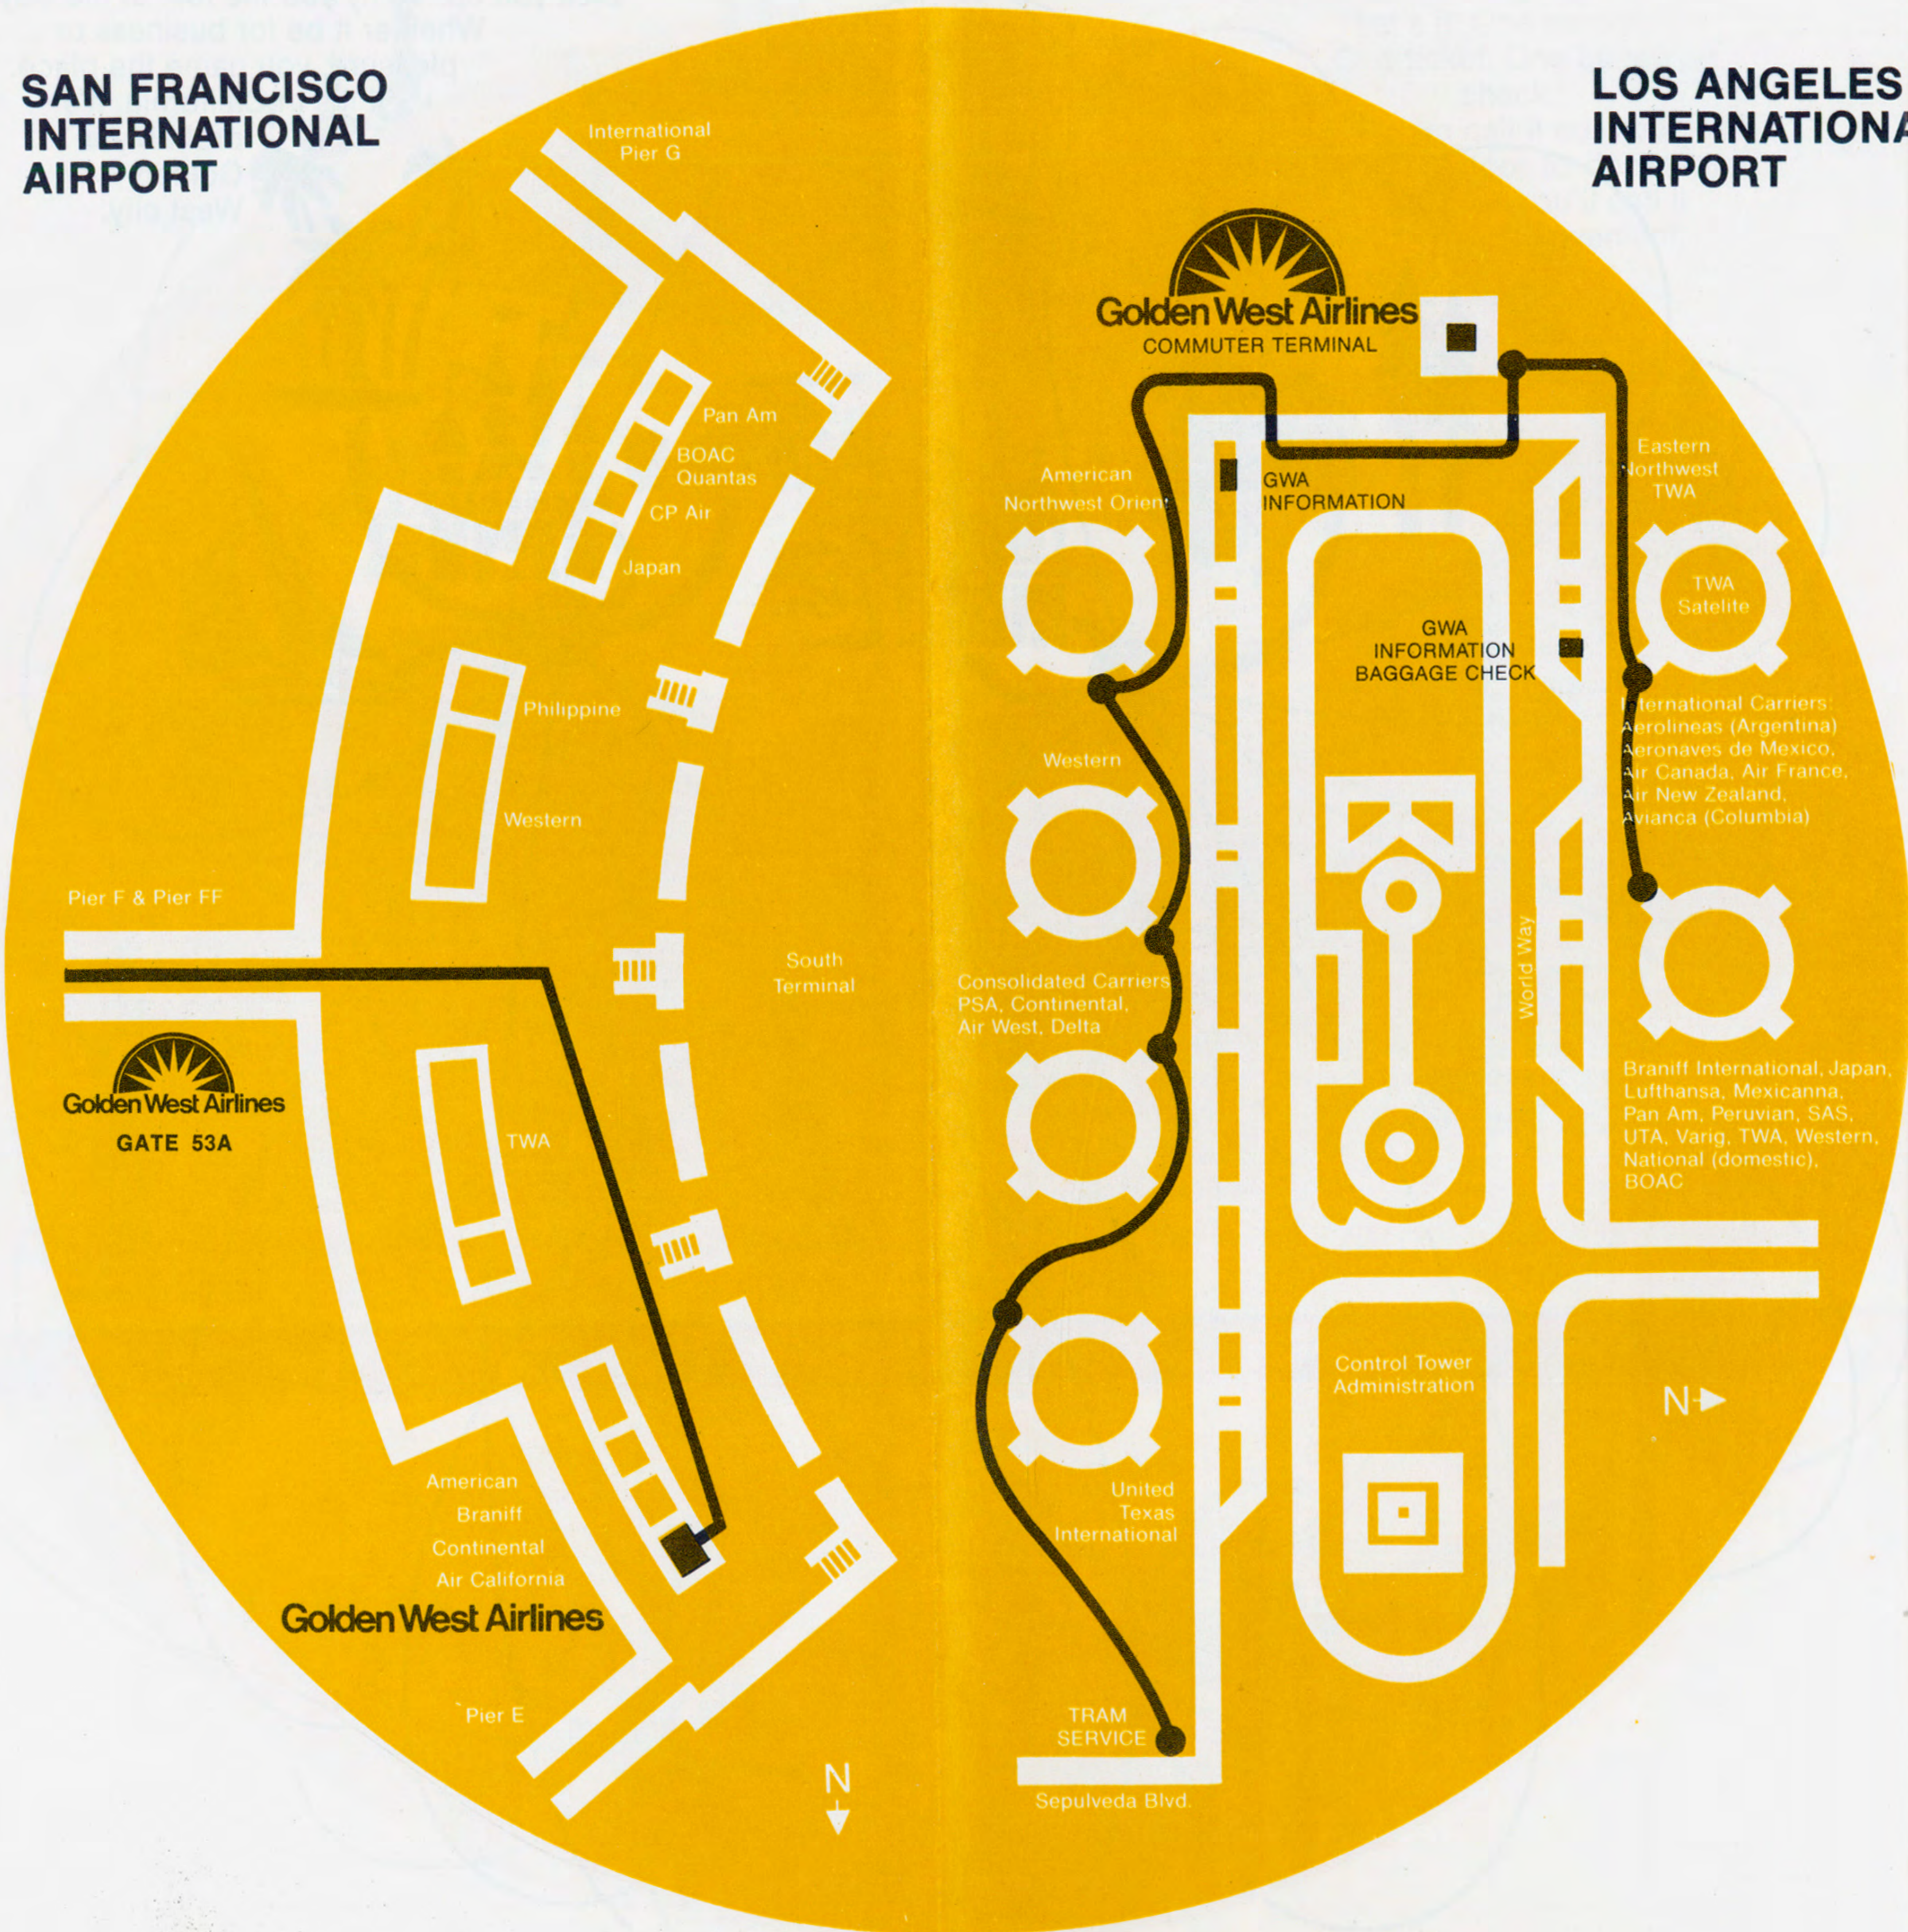

If it's in California, it's probably a Golden West city.

# Where to catch our action.
