**CATALINA ISLAND A UNIQUE ISLAND HOLIDAY**

One of the West's most fascinating places, Santa Catalina Island, lies just twenty minutes off the coast of Southern California via CATALINA AIR LINES. This 22 mile-long island . . . with its massive rolling hills and abounding wild life (including buffalo herds, wild boar, and deer) . . . is reminiscent of the old west; only with the sea all around.

**THE BEGINNING OF THE END OF THE NONSENSE  
WE BOTH GO THROUGH TO RENT A CAR**

Every time you rent a car you wait around while we fill out the same old rent a car form.

With the same old questions.

No matter how many times you've answered them before. You don't like it. We don't like it.

Well, it wasn't easy, but we solved the problem. By creating an entirely new way of renting cars.

It's called Hertz Number One Club. Once you're a member you'll never again have to bother with a rent a car form and all the aggravation that goes with it.

You can get information on the Hertz Number One Club at any Hertz counter. We'll give you an application right there. Or fill out the form below, mail it to us, and we'll send you one.

Here's how it works. First you join for free and we send you a membership card. Then whenever you reserve a Ford or other car from us, your rent a car form will be filled out in advance, and waiting.

So all you do is show your license and charge card, sign your name and go.

Which certainly beats hanging around a rent-a-car counter.

Mail to:

**HERTZ

of renting cars obsolete.
