SHORTS 330

the world's first wide body commuter airliner

Golden West Airlines is proud to introduce the SHORTS 330 to our fleet. The combination of jet prop PT6 Pratt & Whitney engines and 5 blade propellers make the 330 one of the world's quietest aircraft. The wide-body cabin, with approximately 6'6" provides the passenger with walk about head room. Special attention has been given to seat design to maximize the available leg room, thus significantly improving comfort levels. A unique feature of the 330 is the cabin interior, with styling and furnishings carefully selected to create a wide-body effect similar to today's big jets, such as the Boeing 747, Lockheed 1011 and Douglas DC10.

Golden West now features Inflight Directors on all wide-body flights.

CHARTER FLIGHTS

Charter flights are available to local destinations. GOLDEN WEST provides fast, efficient transportation with the 18 passenger Twin Otter with a cruising speed of 150 mph and soon with the 30 passenger SD 330 with a cruising speed of 200 mph. In-flight services will be available on the wide-body SD 330. Both aircraft are flown by a Captain and First Officer, with the addition of an inflight director on the SD 330.

SPEED AIR—SMALL PACKAGE SERVICE

Priority Package Service is now available on all Golden West flights. It is also available to various U.S. cities when connecting in Los Angeles to or from American, Continental, Delta, Texas International, Trans World, National, Northwest and Western Airlines. You can save time and money. Simply take your package to the nearest Golden West Airlines ticket counter and it will be put on the first available flight. Your packages are handled efficiently and with care. Door to door pick-up and delivery is available by Air Couriers International. Call your nearest Golden West office for additional information.

JOINT FARES

Reduced Joint Fares are available from all Golden West Airlines cities to and from Los Angeles to many destinations when connecting to or from Air Canada, American, Continental, Delta, Eastern, Hughes Air West, National, Northwest, Texas International, Trans World, United and Western Airlines.

General Passenger Information

CONNECTING TIMES

Normally 50 minutes is required in Los Angeles and 30 minutes in San Diego for connections from one flight to another. However, part of Golden West Airlines' Jet Age Program is quick connections, therefore the actual time of a connection may vary depending upon the airline and the flight with which you are connecting.

GENERAL PASSENGER INFORMATION

RESERVED SEATS — Advance reservations are tentative until tickets are purchased. When necessary to assure an on-time departure, or other conditions warrant, Golden West reserves the right to cancel your reservation if you fail to present your ticket at the check-in counter at least 20 minutes prior to departure time. After this cut-off time, any available seats will be filled on a first-come-first-serve basis. Therefore, we ask that you please protect your reservation by checking in at least 20 minutes prior to departure time.

BAGGAGE — Free allowance includes two pieces of luggage which may be checked, and 1 piece which may be carried on board provided such baggage remains in the passenger's custody and is capable of being stowed under the passenger's seat. This third piece may also be checked if so desired. Excess baggage charge for each additional piece is \$2.00 for each piece. The maximum liability of the Company for loss or damage or delay in delivery of baggage is limited to \$750.00 unless a higher value is declared and additional charges paid therefore in advance.

CHILDREN — Under two years of age, when carried on the lap of an accompanying adult passenger paying the adult fare may travel free. Children over two years and under twelve years when accompanied by an adult, are carried at half the adult fare when the adult fare is based on Intra-State and 66 2/3 when based on Inter-State. Children under five years must be accompanied by a passenger twelve years of age or over.
