DE HAVILLAND DASH 7

Golden West Airlines is now operating the 50 passenger DeHavilland DASH 7.

The DASH 7 has the same short take-off and landing characteristics as the 18 passenger DeHavilland TWIN OTTER. It is pressurized and powered by 4 PT6-A 50 turbo-prop engines. It has been designed with maximum community appeal. You will see it and rarely will you hear it. Inside the DASH 7 you will find a modern cabin featuring stand-up aiseways, generous overhead baggage compartments and modern lavatory facilities.

SHORTS 330

Golden West Airlines is proud to operate the SHORTS 330. The combination of turbo-prop PT-6 Pratt and Whitney engines and 5 bladed propellers make the 330 one of the today's quietest aircraft. The wide body cabin with it's 6'6" height provides the passenger with walk about head room. A unique feature of the 330 is the cabin interior with styling and furnishing similar to today's big jets.

Golden West Airlines features a Flight Attendant on all DASH 7 and SHORTS 330 flights.

CHARTER FLIGHTS

Charter flights are available to local destinations. Golden West Airlines provides fast, efficient transportation with the 18 passenger Twin Otter with a cruising speed of 150 mph, and the 30 passenger Shorts-330 with a cruising speed of 200 mph. Soon the 4 engine DeHavilland Dash 7 will also be available for Charter service.

All Golden West aircraft are flown by a Captain and First Officer with the addition of a Flight Attendant on the Shorts-330 and Dash 7.

SPEEDAIR—SMALL PACKAGE SERVICE

Priority Package service is available on all Golden West Airlines flights. In addition, you may originate your shipment on Golden West Airlines to most U.S. cities, as we have interline agreements with most domestic airlines for the transfer of small package shipments at Los Angeles, Ontario and San Diego Airports.

To save time and money, simply take your package to the nearest Golden West Airlines ticket counter thirty minutes prior to scheduled departure time and it will be placed on the first available flight. Your packages will be handled efficiently and with care.

Door to door pick-up and delivery service is available by calling your local Golden West Airlines Airfreight office or (800) 638-7346.

JOINT FARES

Golden West Airlines has Joint Fare Agreements with the major airlines when connecting to many U.S. cities. When you make your reservations or purchase your ticket from your local travel agent, company travel department, or airline ticket office, ask if there is a Joint Fare available to your destination. This could result in a substantial savings in the total ticket price!
