PASSENGER INFORMATION

RESERVATIONS & TICKETING

Great Lakes has interline ticketing and baggage agreements with most major airlines. For reservations or information, call Great Lakes or your travel agent.

CHECK-IN TIMES

Please check in for Great Lakes flights thirty minutes prior to flight time. Reservations are subject to cancellation if not claimed at check-in point ten minutes prior to scheduled departure time.

CHECK-IN LOCATIONS

Chicago (O'Hare) — Great Lakes flights are handled by Eastern Airlines at O'Hare International Airport. Great Lakes passengers may purchase tickets and check baggage at the Eastern Airlines ticket counter located in Terminal 2. Great Lakes flights use Eastern's gates on the F Concourse for passenger boarding.

Des Moines — Great Lakes ticket counter and boarding gate are located at the north end of the main terminal lobby.

Detroit (Metro) — Great Lakes flights are handled by American Airlines at the Detroit-Metro Airport. Great Lakes passengers may purchase tickets and check baggage at the American Airlines ticket counter located in the LC Smith Terminal Building. Great Lakes flights use American's gates on the B Concourse for passenger boarding.

Minneapolis/St. Paul — Great Lakes flights operate at the Regional Airline Terminal from gate 89, located at the end of the Green Concourse. Free Shuttle Service is available between the Regional Terminal gates and the upper level of the main terminal (door 5 in front of Northwest Airlines). The shuttle service operates every 10 minutes from each location.

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS

Great Lakes makes every effort to operate on time for the convenience of our passengers; however, we cannot accept responsibility for delays in flight arrivals or departures, or for missed connections with flights of other airlines or of this company. GLA reserves the right to change equipment and alter or cancel, without notice, any of the schedules shown herein. Since holiday schedules may differ, please call your Great Lakes reservations office for this information.

BAGGAGE

Passengers are permitted to check two (2) pieces and one (1) carry-on bag at no charge. The first piece must not exceed 62" (length, width and height); the second piece must not exceed 55" and the carry-on must not exceed 45". The weight of checked baggage may not exceed 70 pounds per piece. Excess baggage charge is \$10.00 per bag.

BAGGAGE LIABILITY

Baggage should be clearly tagged with your name and address. Liability for loss or damage to baggage is limited to amount published in official tariffs. Great Lakes will not be liable for valuable items such as jewelry, cash, camera equipment, negotiable or business documents, securities or other such valuable items.

RESTRICTED ARTICLES

The following articles are classified as hazardous and must not be in baggage: compressed gases (excluding aerosol containers for personal use), corrosives, explosives, flammables, oxidizing materials, poisons, brief cases with installed alarm devices, radioactive and magnetic materials, and all other items restricted by government regulations. AM and FM radio receivers and TV receivers may not be operated during the flight as they might interfere with navigation and communication equipment.

DON'T BE A "NO SHOW"

IF YOUR TRAVEL PLANS CHANGE, TELL US SO SOMEONE ELSE CAN FLY.

Every day, flights depart with empty seats. A great many of these seats are needlessly empty because we couldn't reserve them for people who really wanted or needed them.

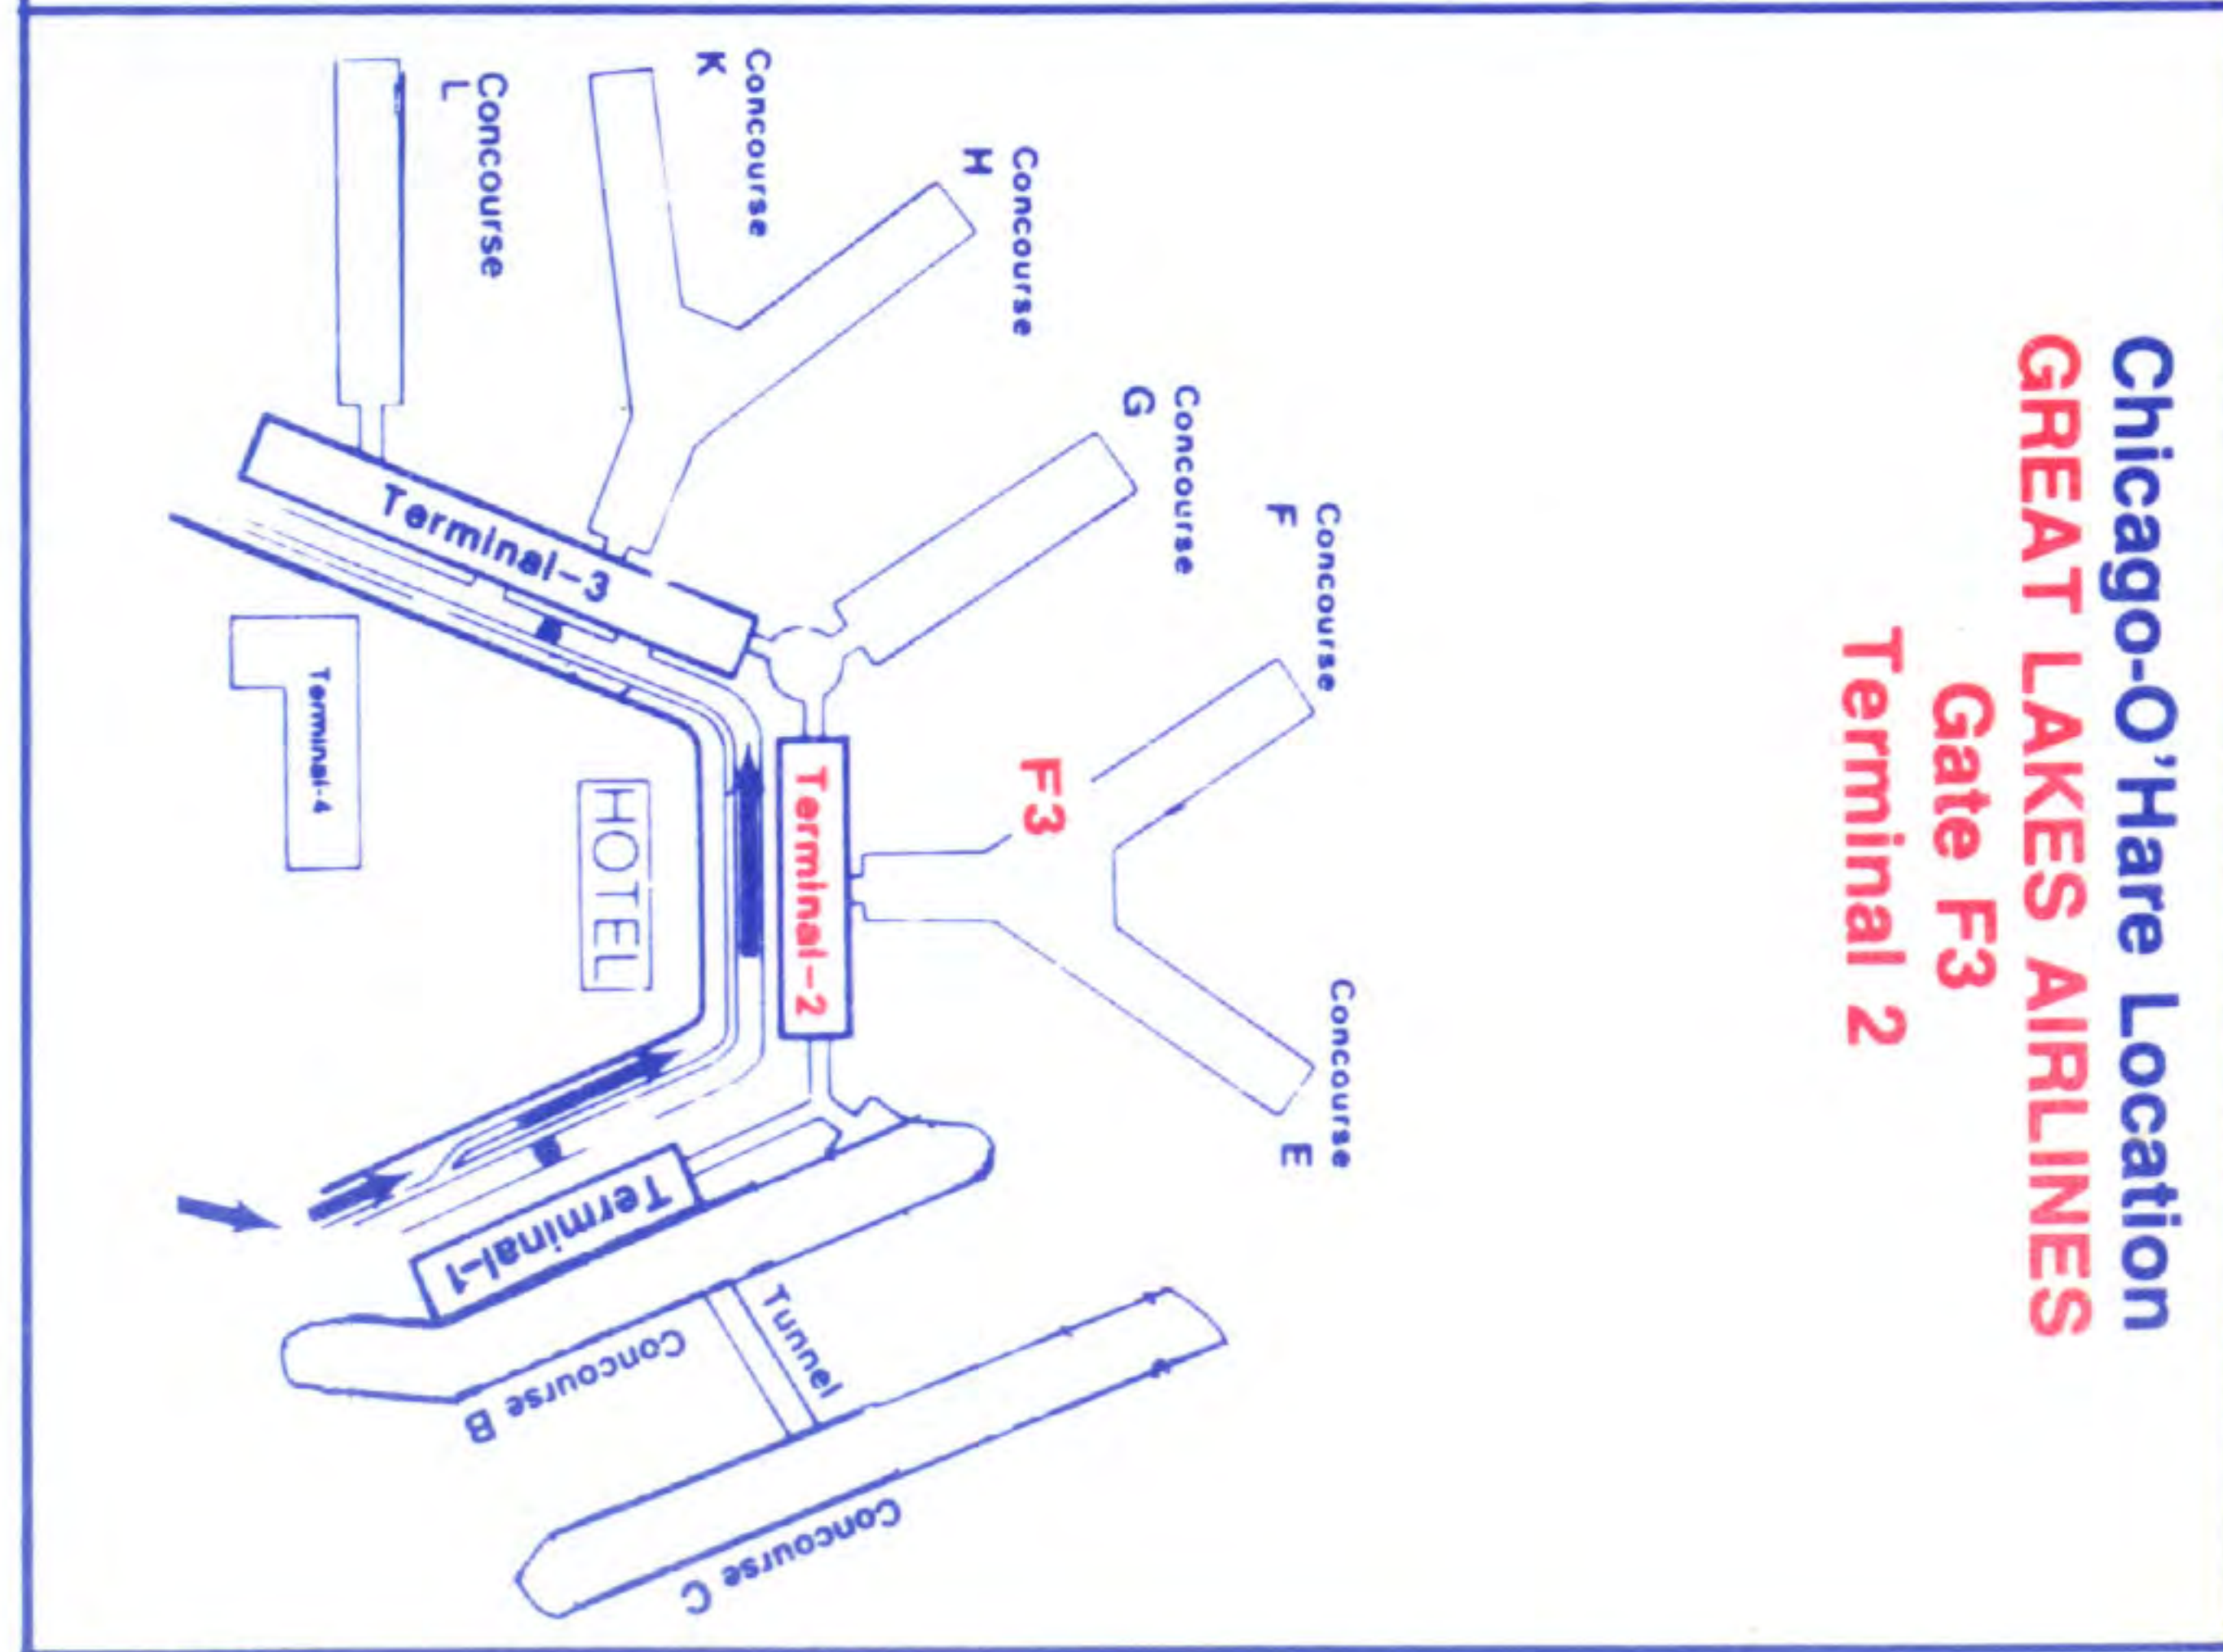

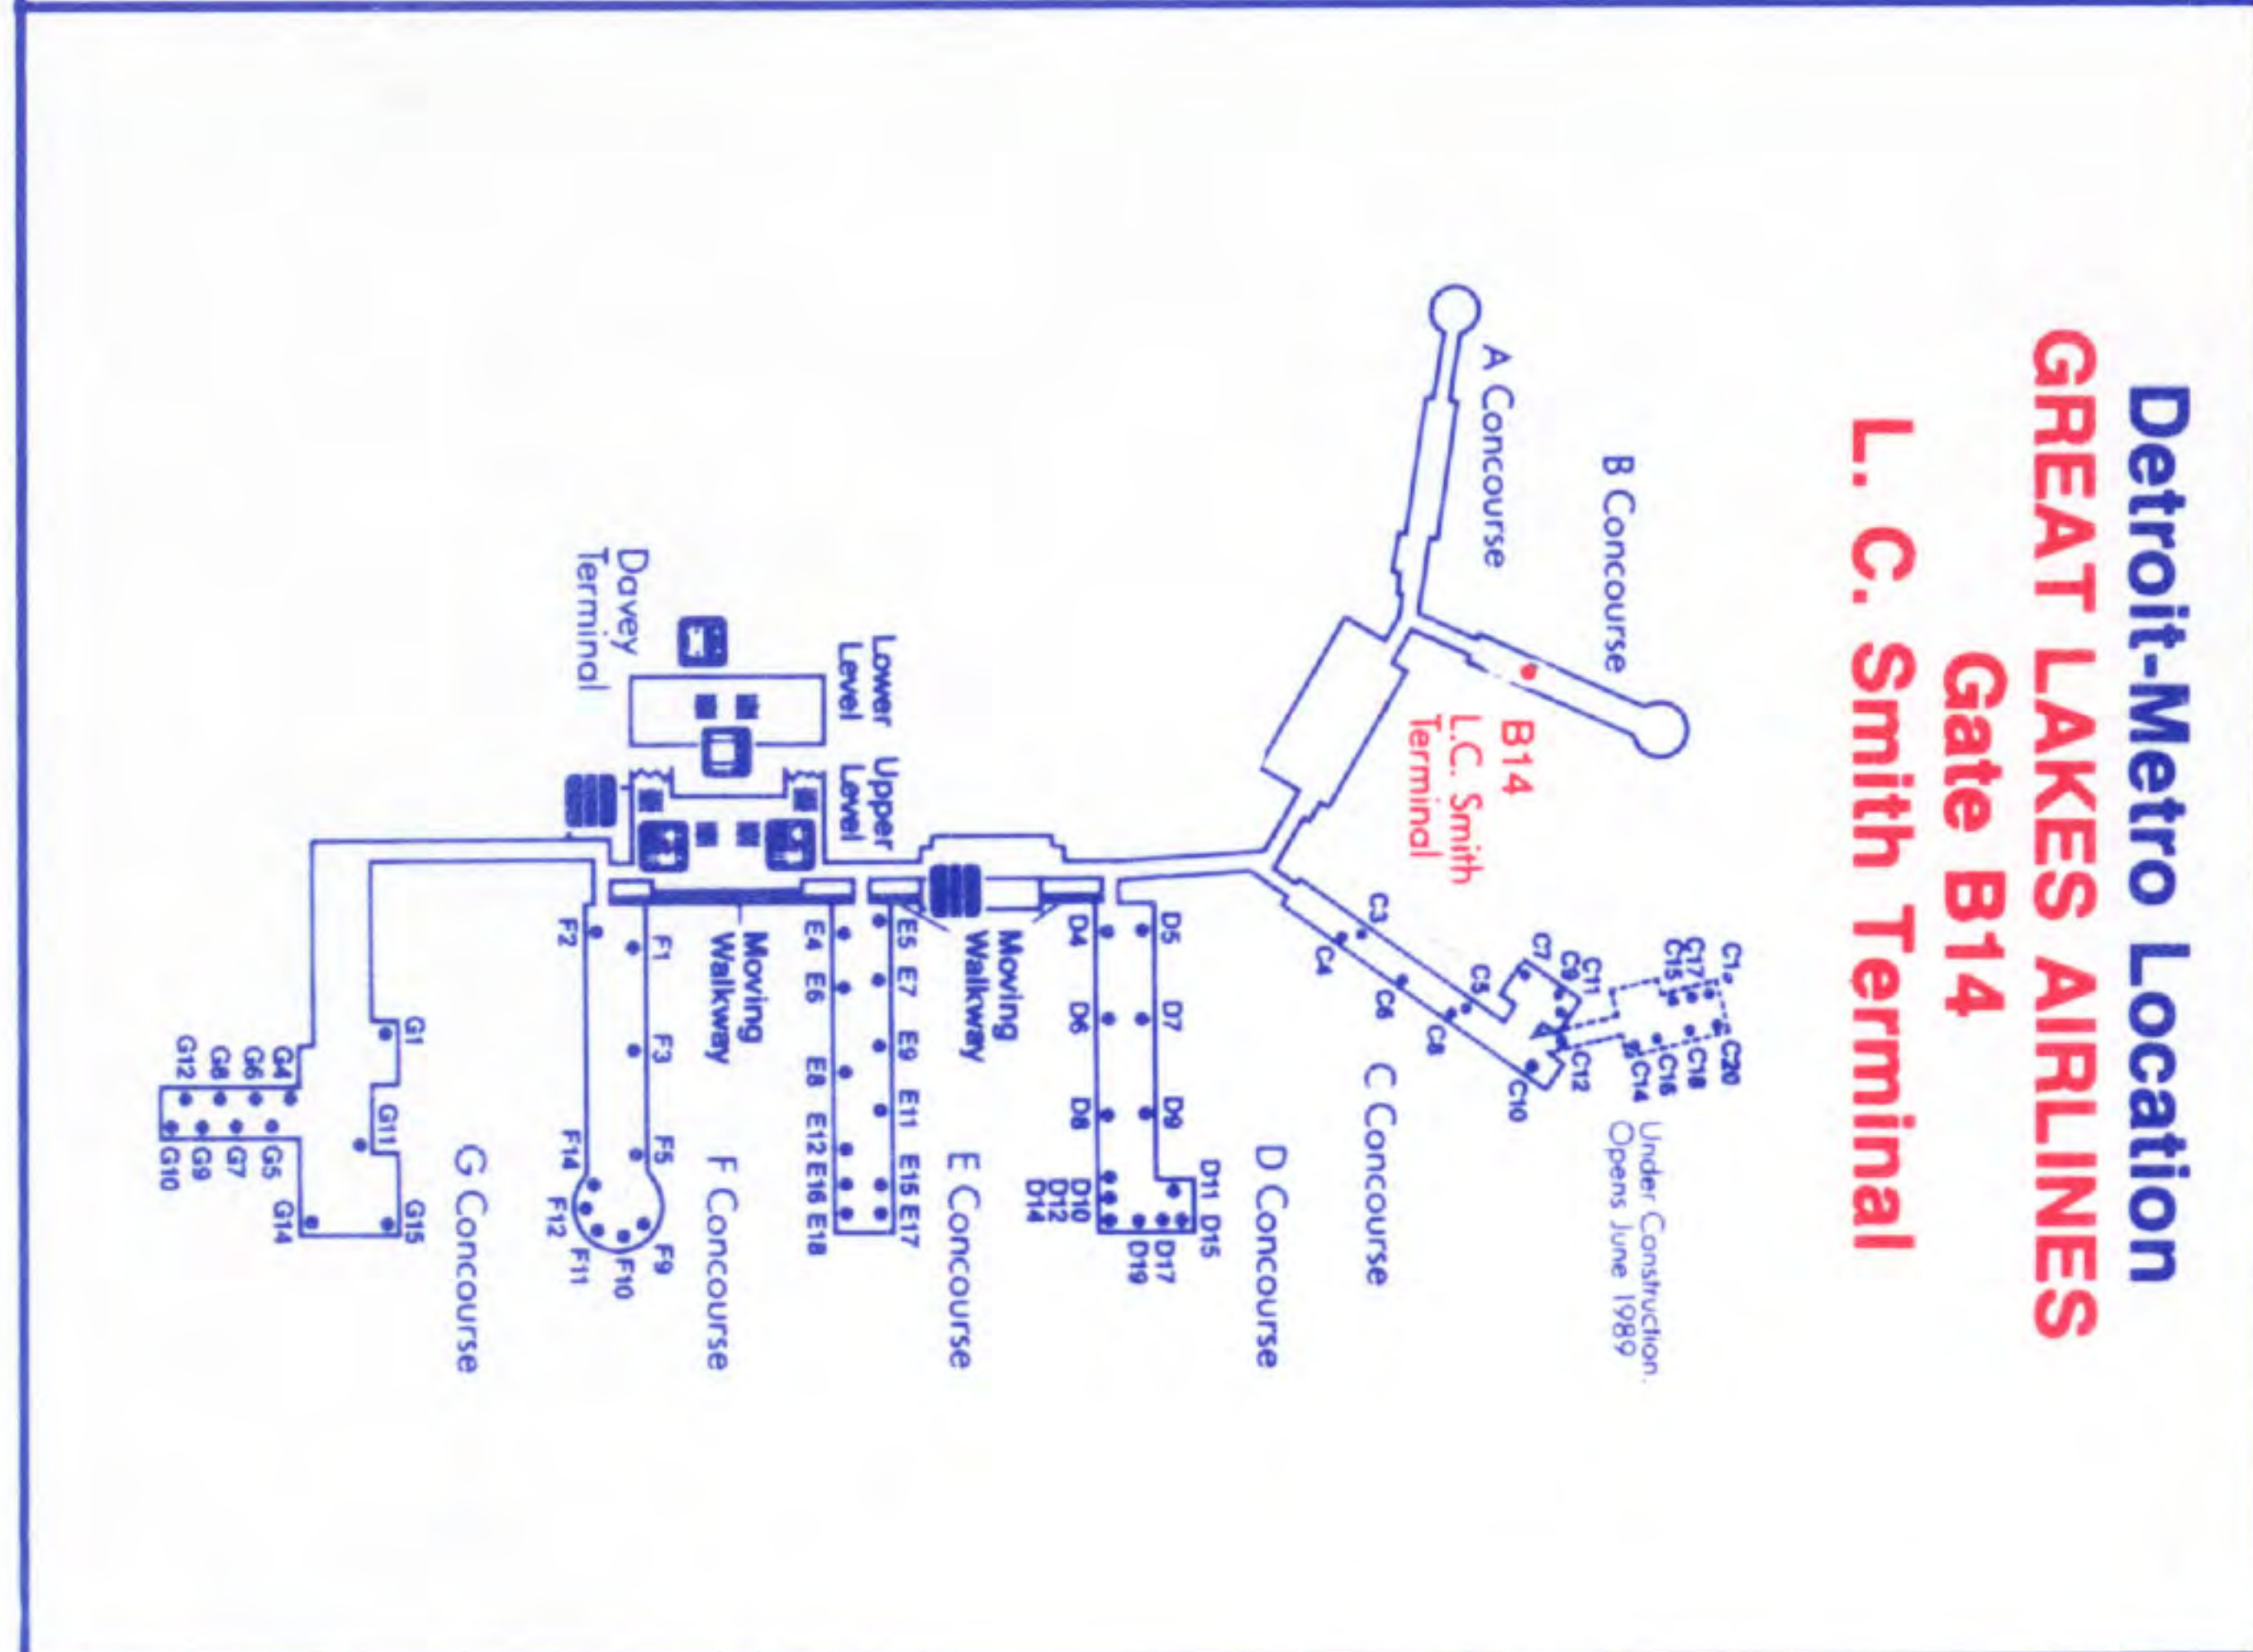

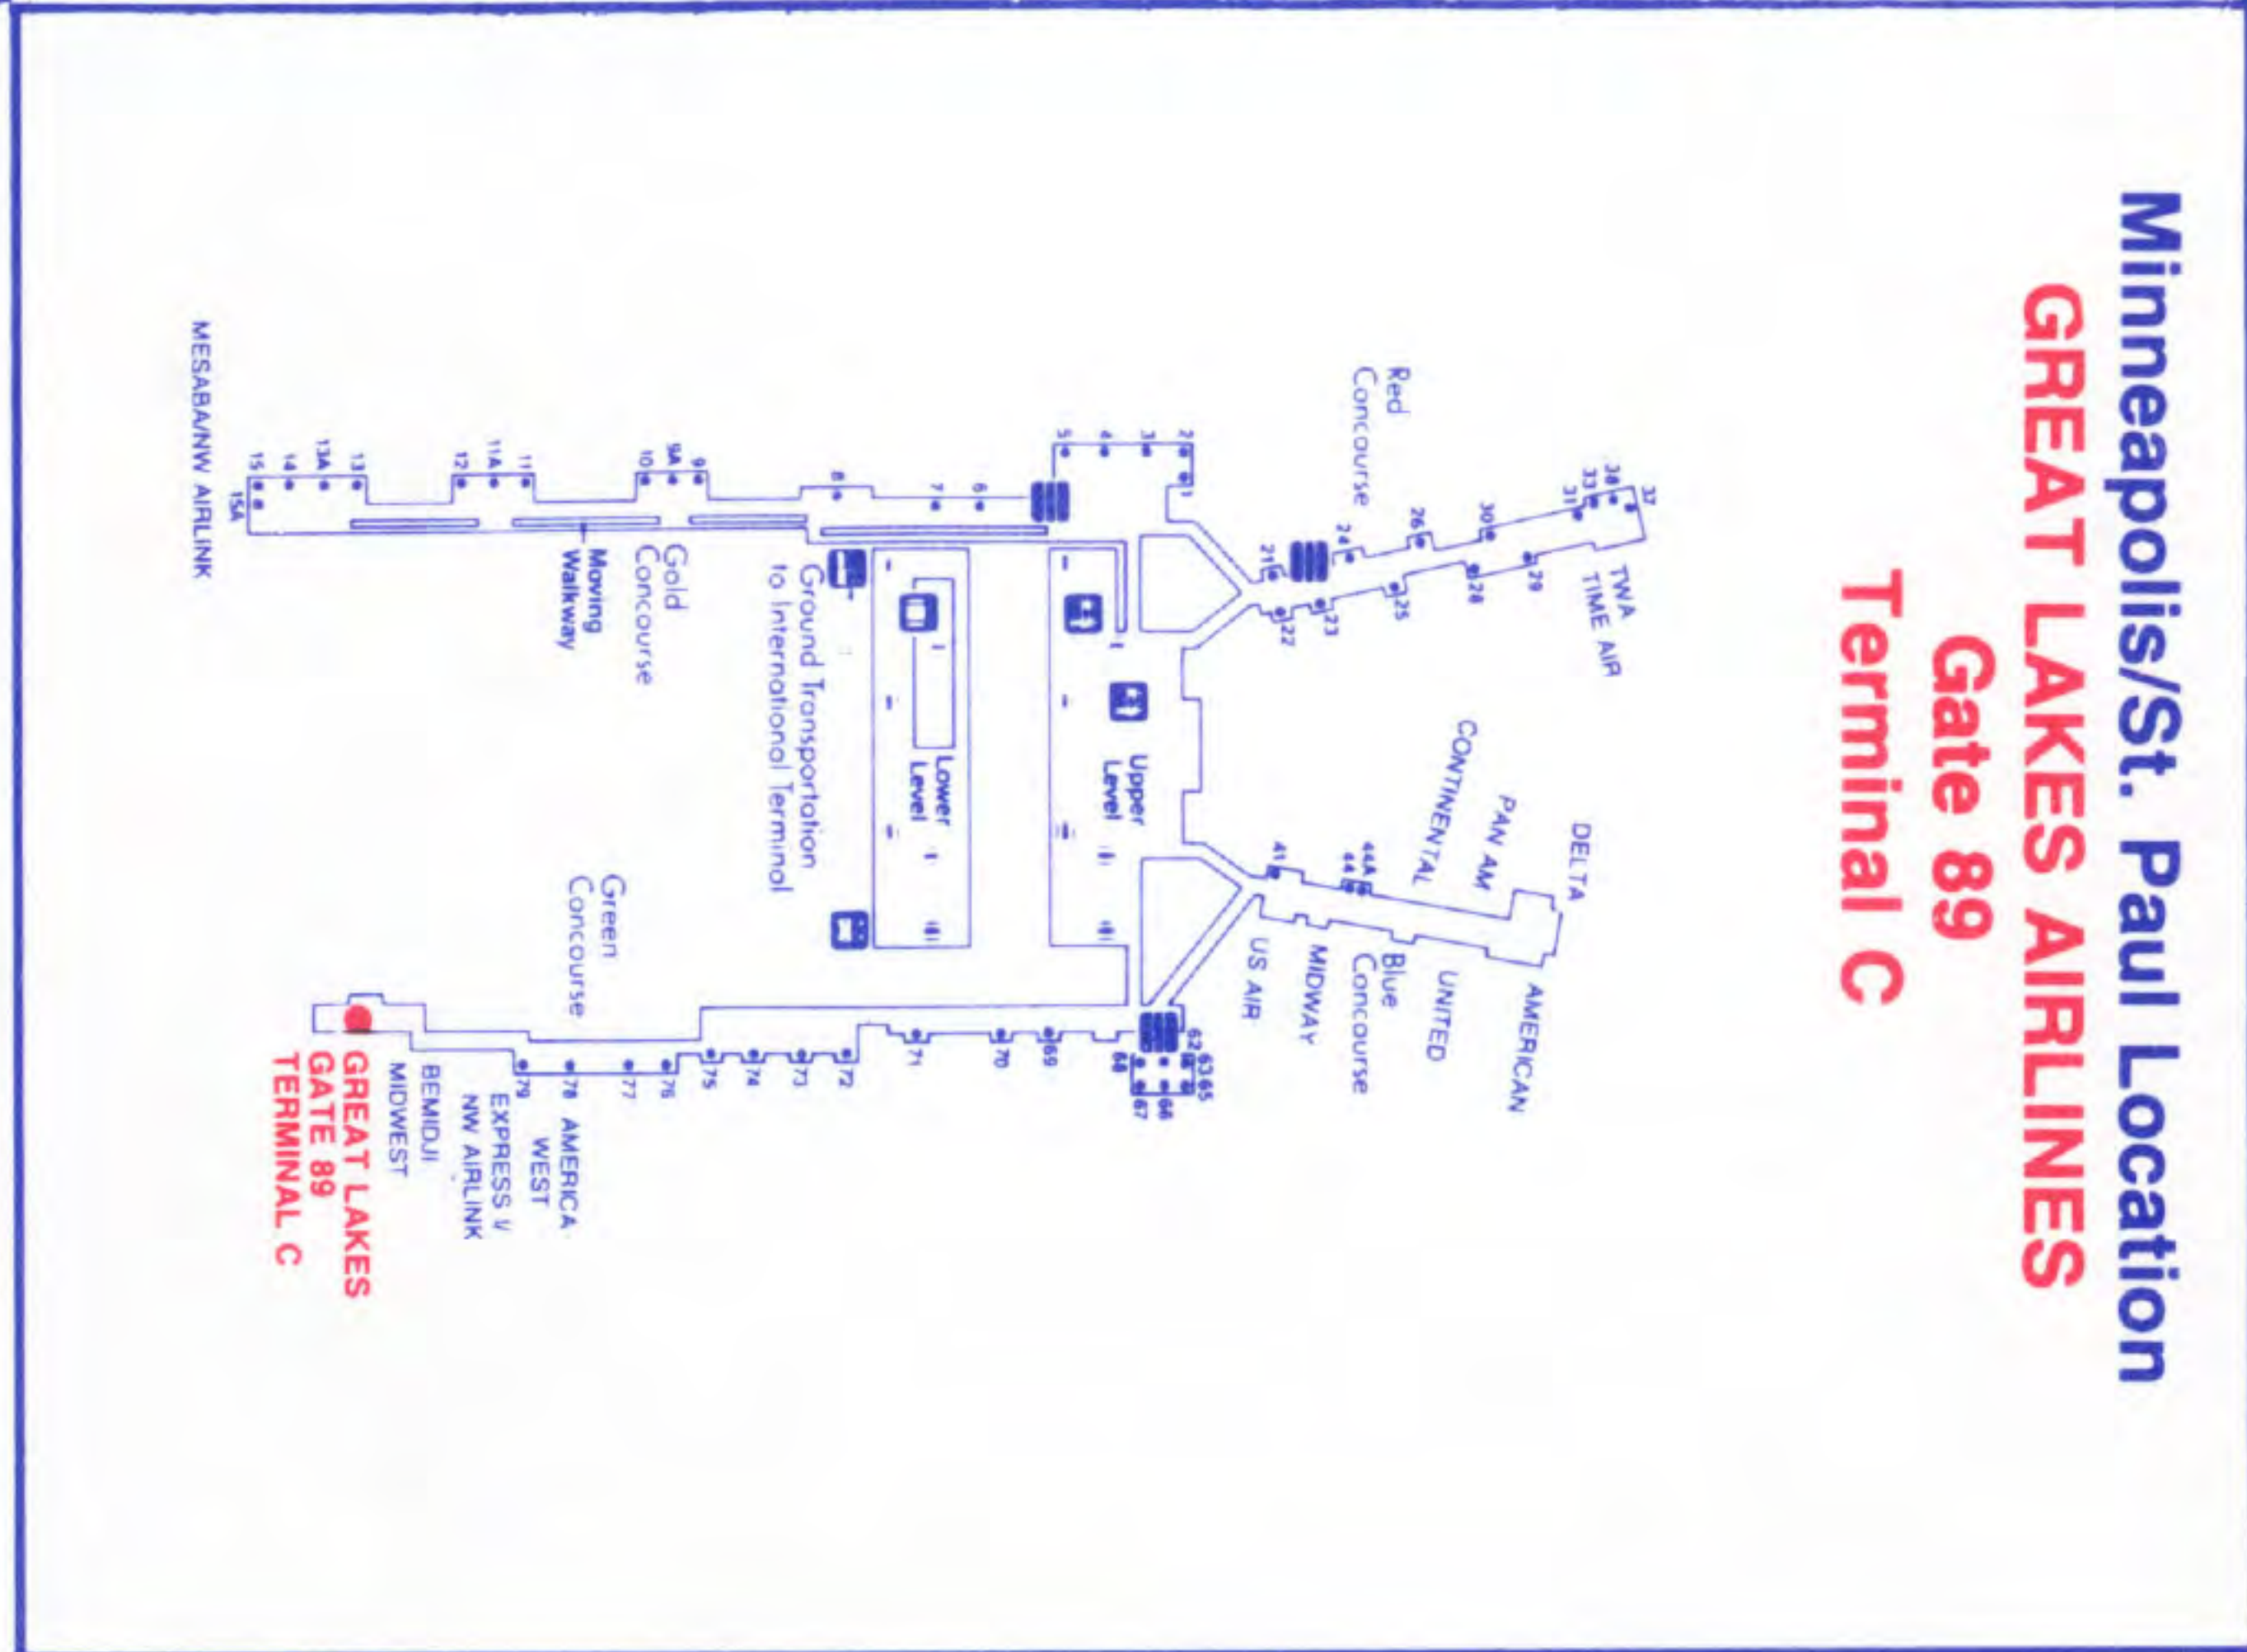

Why?... Because the people for whom we were holding them failed to notify us to cancel their reservations when their plans changed. It's unfair to others who are unable to make reservations!

You could be helping someone who really needs the seat and — who knows — you may benefit someday yourself when someone else cancels an unneeded reservation.
