CHECK-IN TIMES FOR FLIGHTS

In the interest of on-time service to all passengers, Great Plains Airline requests that passengers be at the airport counter 20 minutes prior to published departure time. Reservations not claimed ten minutes prior to scheduled flights are subject to cancellation.

BAGGAGE

The maximum free baggage allowance for a fare paying passenger will be three (3) pieces, total weight not to exceed 50 lbs., and the following dimensions:

- 1st piece — 62 dimensional inches (length + width + height)
- 2nd piece — 55 dimensional inches (length + width + height)
- **3rd piece — 45 dimensional inches (length + width + height)

The 3rd piece may be checked or carried on board the aircraft, provided, however, the bag does not exceed the maximum dimensional limit of 45 inches, and is included in the maximum weight allowance of 50 lbs. **Military Personnel may check one (1) duffel, sea or B-4 bag in lieu of 1st and 2nd piece. **Sporting Equipment** — skis, golf bag, etc. are included in the per piece rules (except bicycles). **Excess Baggage Charges** — When the size, weight or number of pieces exceed Great Plains Airline maximum allowance, excess charges of \$5.00 per bag will apply.

LIABILITY

Great Plains Airline liability for damage to, or loss of baggage is limited to \$750.00 per fare paying passenger unless a higher valuation is declared and additional charges paid in advance. If higher value is declared over the above limit of liability, the higher value will be assessed at \$0.10 per \$100.00. Carrier is not liable for loss, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities or other valuables, business documents or samples or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the carrier.

Great Plains Airline reserves the right to change equipment, and alter any of the schedules shown herein.
