## West Imperial Terminal, To know it is to love it.

Los Angeles International (LAX) is one of the busiest airports in the world. And unbeknownst to many people, there's a convenient, comfortable, uncrowded terminal right inside the big turmoil. There's lots of parking space here. No traffic problems. No kidding! West Imperial Terminal is its name... because it's west on Imperial Highway (NOT Century Boulevard). Overseas Charter Flights use West Imperial Terminal and so does Holiday Airlines (we're the only scheduled airline that does). Why does Holiday Airlines use West Imperial Terminal? Because it's convenient, comfortable and uncrowded, that's why.

Holiday Airlines serves Lake Tahoe via South Lake Tahoe (California) Airport - TVL.
