## SAVE \$ WITH JOINT FARES

As a result of Joint Fares Plans in effect with cooperating major airlines, IEA's got some travel bargains for you. It is possible for you to fly at reduced prices on IEA when you connect with other airlines for flights to locations throughout the country.

Here's an example. Let's say you're flying on United Airlines to New York. You make reservations on IEA connecting with United in Los Angeles or San Francisco. Because you're flying with us, and connect with a cooperating airline for a longdistance flight, your IEA ticket is greatly reduced.

We also ticket your baggage straight through to your destination. It's another participating agreement between airlines—interline ticketing and baggage handling.
