When Your Business Has No Tomorrow, Here's Some Very Good News.

Same Day Service with Mesa Air Cargo.

Mesa Air Cargo can handle package sizes from small envelopes to cartons measuring up to four feet on a side. We accept shipments weighing as little as a few ounces to cartons, and even pallets, weighing 250 pounds or more.

Our staff can quickly answer any questions you may have about carton size and weight or special handling requirements. Just call your local Mesa Air cargo office.

Mesa Air Cargo cannot accept shipment of hazardous materials or other D.O.T. restricted materials. Air Cargo is subject to Mesa Airlines loading priorities and size and weight limits.

One Low Rate System-wide

WEIGHT	RATE
0-8 oz.	\$9.00 (envelope)
9 oz. - 61 lbs.	\$17.00
61 lbs and over	\$0.28 per lb.

All rates are calculated using dimensional weight units (length X width X height divided by 194). Charges are rounded to nearest whole dollar.

Our Rates Are Surprisingly Low.

Do yourself a favor. Find the cost of shipping your next package by bus, motor freight or other conventional service. Then compare the cost of Mesa Air Cargo same day service. Chances are you'll be pleasantly surprised.

For example, a 100-pound package shipped motor freight from Farmington to Denver costs \$59.33 on one major carrier. Same day service on Mesa Air Cargo, by comparison, may cost as little as \$28.00.

Where else these days can you get faster service for less?
