## IMPORTANT INFORMATION

### PLEASE CHECK IN EARLY

Reservations of passengers presenting themselves at the airport loading gate less than 10 minutes before the scheduled departure, or at the airport check-in counter less than thirty minutes before a scheduled departure, will be subject to cancellation.

### RESERVATIONS

Reservations should be made by telephone or at any Clinton Aero ticket office, travel agency or corporate travel office. Reservations are valid only after the purchase of a ticket.

### BAGGAGE TIPS

All checked baggage must bear a name identification on its exterior. Baggage Identification Labels are provided free by the carrier. Clinton Aero will transport without charge for each fare-paying passenger one piece of baggage with linear dimensions (length, height, and width) not exceeding 62 inches plus one piece of baggage with linear dimensions not exceeding 55 inches. Check with carrier office concerning certain restrictions regarding the acceptance of fragile and perishable items as checked baggage. Passengers may also carry on without charge, additional baggage only if it is capable of being stowed under the passengers seat. Military personnel may check one duffel, sea or B-4 bag in lieu of 1st and 2nd piece. No piece may exceed 70 pounds. Baggage in excess of free allowance will be transported when space is available at an extra charge of \$6.00 per piece.

### SCHEDULES

Clinton Aero reserves the right to cancel, terminate, divert, postpone, or delay any flight either prior to departure or enroute. The right to substitute equipment at any time is also reserved by the company. It shall be the policy of the company to notify passengers of cancellation or schedule change of a flight as far in advance as possible and to do our best to assist in making other arrangements. In the event of such cancellation, the passengers sole recourse shall be the recovery of the value of the unused transportation in accordance with Airline Tariff rules.

### AIR FREIGHT

Air Freight is carried on all flights. Check with any Clinton Aero office for rates and restrictions.

### MONEY SAVING JOINT FARES

When making your reservations for connecting flights, inquire about our joint fares. Joint fares are established to save you money when using more than one airline to a destination, and are less expensive than paying full fare on Clinton Aero and full fare on the other airline.

### FORMS OF PAYMENT

Carrier will honor most major credit cards for local transportation on Clinton Aero.

### FIREARMS AS CHECKED BAGGAGE

Federal regulations require that firearms in checked baggage must be declared when baggage is presented for checking.

### DON'T BE A NO-SHOW!

The no-show factor approaches 25% on peak period flights. Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.
