General Information

SCHEDULES: All schedules contained herein are subject to change without notice. Since weather and factors affecting operational safety may require delay or cancellation, the schedules contained herein reflect only expected local arrival and departure times and are not guaranteed.

During holiday periods our schedules will be adjusted slightly. Please check with your nearest Brockway Air ticket or reservation office for these changes. Carrier is not responsible for errors in the printed schedule.

RESERVATIONS: Reservations should be made by telephone or at any Brockway Air ticket office, travel agency or corporate travel office. Reservations are valid only after the purchase of a ticket. Flights may be overbooked and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. Check any ticket office for the tariff rules concerning Denied Boarding Compensation.

CHECK-IN: To help ensure on-time performance, Brockway Air requires that any passenger not already ticketed must check in 30 minutes prior to scheduled departure. Passengers already ticketed must check in at least 10 minutes prior to departure. Brockway Air reserves the right to cancel reservations of passengers who do not meet the above requirements.

FORMS OF PAYMENT: Carrier will honor most major credit cards for local transportation on Brockway Air. Check any Brockway Air office for other rules governing credit cards. Personal checks are not accepted.

BAGGAGE: All checked baggage must bear a name identification on its exterior. Baggage Identification Labels are provided free by carrier.

Within the U.S. and Canada, carrier will transport without charge for each fare-paying passenger one piece of baggage with linear dimensions (length, height, and width) not exceeding 62 inches plus one piece of baggage with linear dimensions not exceeding 55 inches. Check with any Brockway Air office concerning certain restrictions regarding the acceptance of fragile and perishable items as checked baggage.

Baggage in excess of the above free allowances up to the dimensions of 80 inches or a weight of 70 pounds will be charged \$6.00 per piece. Baggage exceeding the dimensions of 80 inches and up to 160 inches with no single dimension more than 72 inches or exceeding 70 pounds and up to 150 pounds will be charged \$12.00 per piece.

CARRY-ON LUGGAGE: Passengers may also carry on, without charge, one additional bag totaling no more than 38 inches and capable of being stowed under seat. Oversize carry-on packages will be checked. In addition, no package must exceed 40 pounds.

LIABILITY: Brockway Air's liability for damage to, or loss of, baggage is limited to \$750.00 per fare-paying passenger or (\$1,250.00 per passenger if interline transportation with another carrier using the same ticket). Baggage in excess of these amounts of value is carried at owner's risk. Preliminary notice of lost, delayed or damaged baggage must be submitted to Brockway Air in writing within four hours after the arrival of the flight. A formal claim must be filed in writing within 45 days of the travel date (7 days for international travel). Brockway Air will not be responsible for delivery of interlined baggage delayed by misconnections. Carrier is not liable for loss, damage to or delay in the delivery of perishable or fragile articles, money, jewelry, silverware, negotiable papers, securities or other valuables, business documents or samples or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the Carrier. Brockway Air is also not responsible for loss or damage of pieces hand carried.

RESTRICTED ARTICLES: For safety reasons certain articles shall not be carried in passengers' baggage or as passenger baggage without consent of and prior arrangement with Brockway Air, except that medicinal and toilet articles in small quantities which are necessary or appropriate for the passenger during the journey may be carried without prior approval. The articles include containers of compressed gases, corrosives, explosives, munitions, fireworks, and flares, flammable liquids and solids, oxidizing materials, poisons and tear gas, radioactive materials, and briefcases with installed-alarm devices.

AIR FREIGHT: Air Freight is carried on all flights. Check with any Brockway Air office for rates and restrictions.

NO SMOKING—Smoking is not permitted on Brockway Air aircraft. This policy is in compliance with Federal regulations, allowing carriers to regulate and make their own rules pertaining to use of tobacco. **Any person who fails to comply will be subject to removal from the aircraft, with no compensation or reimbursement required by the airline.** Brockway Air has instituted this policy for the comfort of all passengers. We appreciate your cooperation.
