S. O. S.
 (SHIP OUT SPECIAL)

Ever had a shipment that was supposed to be there yesterday, but you weren't sure if it would even be there tomorrow? Or so hot to move it was burning a hole on the floor, but nobody could tell you when it would get to its destination?

If you have ever found yourself in positions like these or if you simply want your shipment to be moved on a specific flight, then our S.O.S. service is for you.

S.O.S. guarantees your shipment to move on a specified Midstate flight to any city we serve, for only \$21.00 including tax, as long as the shipment is taken to our ticket counter at least 30 minutes prior to flight departure time and weighs 50 lbs. or less

Should your shipment be destined for a point beyond Midstate's system we are able to connect with other carriers with the same type of service. We receive inbound shipments of this nature in the event you are the one who needs something guaranteed. Pick up and delivery is also available, contact your local Midstate agent, or our cargo department for further details. Our cargo department can be reached by calling our reservation numbers listed in the schedule.
