Passenger Information

Baggage

Checked Baggage—Each passenger holding a ticket is allowed two (2) pieces of luggage not to exceed fifty (50) pounds.

Excess Baggage—A \$6.00 charge will be collected per excess piece. Each excess piece must not exceed fifty (50) pounds. A maximum of two (2) excess pieces is allowed. Excess baggage will accompany the passenger space and weight permitting.

Carry-On Baggage—Government safety regulations issued by the FAA do not allow for any carry-on baggage to be stowed at the passenger's seat. Exempt from these regulations are: a handbag, a soft-sided briefcase, and a reasonable amount of reading material. Space permitting, garment bags (containing soft articles only) and other carry on baggage not exceeding 37 inches (linear dimensions) will be stowed in the carry-on compartment. Car keys, pills, critical medicine or other items necessary for your health or well-being should remain on your person.

Liability—Maximum baggage liability per passenger is \$750.00 unless valuation is declared and paid for prior to trip departure. The charge for excess valuation is 20¢ per \$100.00.

Midstate Airlines is not liable for loss, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities, or other valuables, business documents or samples or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the carrier.

Identification—Midstate Airlines will not accept a passenger's baggage unless the passenger's name is on the outside of such luggage. Midstate Airlines baggage labels are available at no cost to the passenger.

Firearms—Federal regulations require that firearms must be declared.

Checks

All checks are cleared by Telecredit. We welcome your check with just one ID, Driver's License, State ID Card, Welcome Check Card, or Bank Guarantee Card bearing Telecredit approval. The only checks we cannot accept are unpersonalized or two party checks, post dated or counter checks, or checks made payable to "cash."

Check-In Time

30 minutes prior to departure. Reservations not claimed 10 minutes prior to scheduled flight time are subject to cancellation.

Credit Cards

Midstate accepts American Express, Visa, Master Card, and Universal Air Travel Card.

Overbooking of Flights

Airlines flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters.

Reconfirmation

To assure your reservation, please reconfirm after a stopover of more than six (6) hours.

Responsibility for Departure, Arrivals, Connections

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of the Company. Schedules subject to change without notice. Safety is our primary consideration.

Restricted Articles

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.

Air Freight and Small Package Service

Ever had a shipment that was supposed to be there yesterday, but you weren't sure if it would even be there tomorrow? Or so important you needed to know exactly when it would reach its destination?

If you have ever found yourself in positions like these or if you simply want your shipment to be moved on a specific flight, then our small package service is for you.

Our service guarantees your shipment to move on a specified Midstate flight to any city we serve, for only \$29.00 including tax, as long as the shipment is taken to our ticket counter at least 30 minutes prior to flight departure time and weighs 50 lbs. or less.

Should your shipment be destined for a point beyond Midstate's system we are able to connect with other carriers with the same type of service. We receive in-bound shipments of this nature in the event you are the one who needs something guaranteed. Pick up and delivery is also available, contact your local Midstate agent, or our cargo department for further details. Our cargo department can be reached by calling our reservation numbers listed in the schedule.

We also offer Emery Priority Air Freight Service. In addition, arrangements can be made with other forwarders and freight airlines, such as Federal Express, Airbourne, Air Express International, etc.
