Credit Cards

Midstate accepts American Express, Visa, Master Card, and Universal Air Travel Card.

Overbooking of Flights

Airlines flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters.

Reconfirmation

To assure your reservation, please reconfirm after a stopover of more than six (6) hours.

Responsibility for Departures, Arrivals, Connections

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of the Company. Schedules subject to change without notice.

Restricted Articles

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.

No Smoking

Midstate Airlines has instituted a No Smoking policy on our flights. The No Smoking light will be on for the duration of the flight.

New Flight Schedule Feature

In order to provide maximum service, we have changed our flight schedule format. We now show multiple airport listings for the Central Wisconsin cities of Marshfield, Stevens Point and Wisconsin Rapids. The bold type indicates air service directly to the airport listed in the heading. The lighter type indicates additional service to an airport located near that city. The airport service is indicated in the "Airport" column; MFI for the Greater Marshfield Airport, STE for the Stevens Point Municipal Airport or ISW for Alexander Field in Wisconsin Rapids.

Air Freight and Small Package Service

If you have something important that needs to be shipped fast, then our small package service is for you.

Our service guarantees your shipment to move on a specified Midstate flight to any city we serve, for only \$29.00, as long as the shipment is taken to our ticket counter at least 30 minutes prior to flight departure time and weighs 50 lbs. or less.

Should your shipment be destined for a point beyond Midstate's system we are able to connect with other carriers with the same type of service. We receive in-bound shipments of this nature in the event you are the one who needs something guaranteed. Pick up and delivery is also available. Contact your local Midstate agent for further details.

We also offer Emery Priority Air Freight Service. In addition, arrangements can be made with other forwarders and freight airlines, such as Federal Express, Airbourne, Air Express International, interline freight, etc.
