Passenger Information

Airport Designations— New Flight Schedule Feature

In order to provide maximum service, we have changed our flight schedule format. We now show multiple airport listings for the Central Wisconsin cities of Marshfield, Stevens Point, Wausau, and Wisconsin Rapids. The bold type indicates air service directly to the airport listed in the heading. The lighter type indicates additional service to an airport located near that city. The airport service is indicated in the "Airport" column; MFI for the Greater Marshfield Airport, STE for the Stevens Point Municipal Airport, CWA for the Central Wisconsin Airport, and ISW for Alexander Field in Wisconsin Rapids.

Baggage

Checked Baggage—Each passenger is allowed two (2) pieces of luggage not to exceed fifty (50) pounds.

Excess Baggage—A \$6.00 charge will be collected per excess piece. Each excess piece must not exceed fifty (50) pounds. A maximum of two (2) excess pieces is allowed. Excess baggage will accompany the passenger space and weight permitting.

Carry-On Baggage—Government regulations do not allow any carry-on baggage to be stowed at the passenger's seat except for a handbag, a soft-sided briefcase, and a reasonable amount of reading material providing such items fit beneath the seat. Car keys, pills critical medicine or other items necessary for your health or well-being should remain on your person.

Liability—Maximum baggage liability per passenger is \$750.00 unless valuation is declared and paid for prior to trip departure. The charge for excess valuation is 20¢ per \$100.00.

Midstate Airlines is not liable for loss of, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities, or other valuables, business documents or samples or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the carrier.

Identification—Midstate Airlines will not accept a passenger's baggage unless the passenger's name, address, and telephone number are on the outside of such luggage. Midstate Airlines baggage labels are available at no cost to the passenger.

Firearms—All firearms must be declared.

Checks

All checks are cleared by Telecredit. We welcome your check with just one ID, Driver's License, State ID Card, Welcome Check Card, or Bank Guarantee Card bearing Telecredit approval. The only checks we cannot accept are unpersonalized or two party checks, post dated or counter checks, or checks made payable to "cash."

Check-In Time

Check-in time is 30 minutes prior to departure if you do not have a ticket; 20 minutes if you do. Reservations not claimed 10 minutes prior to scheduled flight time are subject to cancellation.

Credit Cards

Midstate accepts American Express, Visa, Master Card, and Universal Air Travel Card.

No Smoking

Midstate Airlines has instituted a No Smoking policy on our flights. The No Smoking light will be on for the duration of the flight.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters.

Reconfirmation

To assure your reservation, please reconfirm after a stopover of more than six (6) hours.

Responsibility for Departures, Arrivals, Connections

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of the Company. Schedules subject to change without notice.

Restricted Articles

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.
