## Check In Time

Passengers are requested to check-in at least 45 minutes before flight departure to allow ample time for checking in and security screening. Ticketed or unticketed passengers presenting themselves less than 20 minutes prior to scheduled departure will be subjected to cancellation and denied boarding compensation will not be applicable.

## Credit Cards

Midstate accepts American Express, Visa, Master Card, and Universal Air Travelers Card.

## No Smoking

Midstate Airlines has instituted a No Smoking policy on our flights. The No Smoking light will be on for the duration of the flight.

## Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters.

## Reconfirmation

To assure your reservation, please reconfirm after a stopover of more than six (6) hours.

## Responsibility for Departures, Arrivals, Connections

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of the Company. Schedules subject to change without notice.

## Restricted Articles

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.
