Passenger Information

Baggage

Checked Baggage—Each passenger is allowed two (2) pieces of luggage not to exceed a total of fifty (50) pounds.

Excess Baggage—A \$6.00 charge will be collected per excess piece. Each excess piece must not exceed fifty (50) pounds. A maximum of two (2) excess pieces is allowed. Excess baggage will accompany the passenger, space and weight permitting.

Carry-On Baggage—Midstate Airlines allows the following items to be carried onto the aircraft: soft-sided briefcases, women's handbags, cameras, reading material, soft-sided infant bag, and any other items that will fit in a 12" x 7" x 15" area located beneath the seat in front of you. Medication, credit cards, car keys, or other important items should remain on the passenger.

Express Check Baggage—All other items may be "Express Checked" as carry-on and will be placed in the aircraft. Passengers may claim "Express Checked" carry-ons immediately outside the aircraft when deplaning.

Identification—Each piece of baggage must be identified with the passenger's name, address, and telephone number. Ask for a free Midstate baggage label.

Liability—Maximum baggage liability per passenger is \$750.00 unless valuation is declared and paid for prior to trip departure. The charge for excess valuation is 20¢ per \$100.00.

Midstate Airlines is not liable for loss of, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities, or other valuables, business documents or samples or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the carrier.

Firearms—All firearms must be declared.

Checks

All checks are cleared by Telecredit. We welcome your check with just one ID, Driver's License, State ID Card, Welcome Check Card, or Bank Guarantee Card bearing Telecredit approval. The only checks we cannot accept are unpersonalized or two party checks, post dated or counter checks, or checks made payable to "cash."

Check-In Time

Passengers are requested to check-in at least 45 minutes before flight departure to allow ample time for checking in and security screening. Ticketed or unticketed passengers who present themselves less than 20 minutes prior to scheduled departure will be subject to cancellation and denied boarding compensation will not be applicable.

Credit Cards

Midstate accepts American Express, Carte Blanche, Diners Club, MasterCard, Universal Air Travelers Card, and Visa.

No Smoking

Midstate Airlines has instituted a No Smoking policy on our flights. The No Smoking light will be on for the duration of the flight.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters.

Reconfirmation

Please reconfirm after a stopover of more than six (6) hours to assure your reservations.

Responsibility for Departures, Arrivals, Connections

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other airlines or of Midstate. Schedules subject to change without notice.

Restricted Articles

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving cream and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.
