BAGGAGE

Free Baggage Allowance - Each fare-paying passenger may check two (2) pieces of baggage without charge.

Carry-on Baggage - Midstate will allow (1) piece of carry-on baggage per fare-paying passenger. The carry-on must be capable of being stowed under a passenger seat or in an approved overhead or cabin compartment.

- (a) **Metro Aircraft.** Maximum outside linear dimensions of the carry-on must not exceed 12" x 7" x 15".
- (b) **F27 Aircraft.** Maximum outside linear dimensions of the carry-on must not exceed 9" x 14" x 22".

Midstate assumes no liability for items carried on the aircraft. Jewelry, cash, medication, credit cards, car keys, and other important items should be carried by the passenger.

Express Check Baggage - Carry-on items that do not meet the above criteria may be "Express Checked." Such items will be placed in the cargo area of the aircraft by a Midstate agent upon boarding the aircraft. Passengers may claim "Express Checked" baggage immediately outside the aircraft when deplaning.

Excess Baggage - Excess baggage will be accepted for transportation, subject to aircraft load conditions, at \$10.00 per piece. Should excess baggage not accompany the passenger, neither Midstate nor the delivery carrier will assume baggage delivery charges.

Identification - Each piece of baggage must be identified with the passenger's name, address and telephone number. Ask for a free Midstate baggage label.

Liability - Midstate's liability for baggage loss, damage or delay shall be limited to an amount equal to the value of the property (less depreciation) and shall not exceed \$1,250.00 per fare-paying passenger. Midstate is not liable for; (1) baggage carried in the passenger compartment of the aircraft (2) irreplaceable articles including but not limited to money, jewelry, business documents, etc. (3) any delay involving perishable articles and (4) any damage involving unsuitably packed fragile articles. Midstate is not liable for any indirect, special or consequential damages, including but not limited to, loss of profits or income arising out of the carriage of or failure to carry baggage.

Firearms - Firearms must be unloaded and packed in a manufacturer's crushproof-type container manufactured specifically for the firearm or in a hard case. A signed and dated declaration must accompany all firearms.

Baggage Check-In - Midstate will refuse to check baggage less than 10 minutes prior to scheduled flight departure time unless Midstate is released from liability for delay and/or delivery of late checked baggage.

CHECK-IN TIME

Passengers are requested to check-in at least 30 minutes before scheduled departure time to allow ample time for check-in and security screening. Passengers must check in, receive their boarding pass and be at the boarding point at least 10 minutes before scheduled departure, or their reservation is subject to cancellation and they will be ineligible for denied boarding compensation. Such cancellation will apply to all Midstate flights in the travel itinerary.

Passengers who are unable to present themselves for check-in in accordance with the above, due to the late arrival of an inbound connecting flight of another carrier, will be considered a misconnect and will be ineligible for denied boarding compensation. However, they may be eligible for alternate air transportation at no additional cost.

CHECKS

As a service of Telecheck, we welcome your personal check with just one ID. Telecheck acceptable ID's are your Driver's License or one of the five major credit cards. The only checks we cannot accept are non-bank imprinted checks, post-dated, or counter checks, or checks made payable to "cash."

CREDIT CARDS

Midstate accepts American Express, Carte Blanche, Diners Club, MasterCard, Universal Air Travelers Card, and Visa.

NO-SMOKING

Midstate Airlines has instituted a No Smoking policy on all flights. The No Smoking light will be on for the duration of the flight.

OVERSALES

Midstate may accept more reservations for a flight than the actual number of seats available to offset late cancellations and passengers who "no show" for a flight. This policy may result in an "oversale" situation where Midstate is unable to provide transportation to all passengers holding confirmed reservations at the time of departure.

If a flight has been oversold, Midstate will ask for volunteers among the ticketed passengers who would be willing to take later flights. If a flight remains oversold after volunteers have been asked for, absolute priority among the ticketed passengers will be provided to handicapped, elderly and infirm passengers, unaccompanied children under twelve (12) years of age, passengers connecting internationally and any other passenger who, in Midstate's opinion, would suffer a severe hardship as a result of denied boarding. Business commitments will not, of themselves, constitute a severe hardship. Secondary priority will be given to passengers in order that they received their boarding passes. With few exceptions, persons denied boarding are entitled to compensation.

RECONFIRMATION

Reconfirmation of reservations, while suggested, is not required on Midstate Airlines' flights.

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS

Midstate Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other airlines or of Midstate. Schedules are subject to change without notice.

RESTRICTED ARTICLES

Articles such as flammable liquids, corrosives, compressed gases, or matches should not be placed in baggage. In addition, Federal Aviation Regulations limit the carriage of compressed gases in aerosol cans, such as hairsprays, shaving creams and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.
