### DON'T BE A NO-SHOW

#### For better service may we make the following suggestions.

Make your reservation as far in advance as possible. Please check in at the ticket counter at least 20 minutes before flight time. Reservations are subject to cancellation unless you present yourself at the ticket counter at least 10 minutes prior to scheduled departure time. Unticketed passengers should purchase tickets 30 minutes prior to departure time. MVA flights may be boarded prior to schedule to insure an ontime departure. Please be available to board at the departure gate 10 minutes prior to scheduled departure.

Please reconfirm *return* reservations at the city where you will board at least 6 hours prior to scheduled departure, and leave a phone number where you can be reached.

Please cancel your reservation promptly if your plans change or it is evident you will be too late for the flight.

#### Responsibility for Departures, Arrivals, Connections.

Mississippi Valley Airlines will not be responsible for consequential damages resulting from the failure of flights to depart or arrive at times stated in this timetable nor for errors herein, nor for failure to make connections with planes or other lines or of this company. In case of flight irregularities, certain amenities may be provided in accordance with applicable tariff. Consult an MVA Agent for details.

#### Carry-on baggage regulations.

Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited to a size that can be placed under your seat.

Items not meeting this size limitation must be checked as baggage and loaded in that compartment.

#### Baggage identification.

Airline regulations approved by the Civil Aeronautics Board require that all checked baggage must have external identification showing the passenger's name. Baggage identification labels are available at all MVA ticket counters.

#### Schedules.

Information shown is subject to change. Please confirm times with MVA reservations.

#### Equipment.

Shorts SD3-30 thirty passenger plane with flight attendant and lavatory; and Beechcraft Model 99 Airliner fifteen passenger plane. Aircraft subject to change without notice. Shorts SD3-30 flights are designated by 3 digit flight numbers and Beechcraft flights are designated by 2 digit flight numbers.

#### Air Freight Services.

AIR FREIGHT is carried on all MVA flights. Freight carried on passenger flights is restricted to a maximum weight of 150 pounds per piece without prior notification. Connections are made direct to all carriers.

PICK-UP AND DELIVERY SERVICE is available at all points served on MVA's system and at the final destination of the shipment.

CHARGES - Shipments can be made prepaid or collect and credit arrangements can be made by contacting your local MVA agent.

DECLARED VALUE - You are allowed \$50.00 free valuation on shipments weighing up to 100 pounds and \$.50 per pound on shipments over 100 pounds. If a higher value is declared on the airbill an additional charge of .15 cents per \$100.00 (or fraction thereof) will be assessed.

S.P.R. - MVA's small package service offers you same day service for your urgent shipping needs. For shipments of 50 pounds and under and no more than 90 inches in girth MVA guarantees it. For additional information and to arrange for pick-up and delivery, call 1-800-683-7346.
