GENERAL PASSENGER INFORMATION

Air transportation provided by MVA is subject to the conditions of contract between the airline and the passenger. Certain of the terms and conditions are summarized on the passenger's ticket. The complete terms are incorporated by reference and made part of the contract of carriage. Information on the full text of MVA's terms is available at MVA ticket counters and from their corporate headquarters.

PREDEPARTURE REQUIREMENTS: All tickets must be applied for at least 30 minutes prior to scheduled departure time. All passengers must present themselves at the loading gate for check-in and/or boarding no less than 10 minutes prior to scheduled departure time. The reservations of passengers who fail to meet either of these requirements are subject to cancellation. In addition, assignment of seats in the no-smoking area of the aircraft to standby passengers, and to passengers who check-in less than 10 minutes before scheduled departure time, is subject to availability. Possession of a valid ticket does not guarantee carriage on MVA.

NOTICE - OVERBOOKING OF FLIGHTS: To compensate for the percentage of confirmed passengers that regularly fail to claim their reservations, airline flights may be overbooked. There is the slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If a flight is oversold, the airline personnel will normally ask for volunteers willing to give up their seat for compensation of the airlines choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its boarding priority. Compensation for eligible persons denied boarding will consist of complimentary transportation on MVA to the passengers interline connecting point or point of stopover on the MVA route system. Please check with airline personnel for further details.

CARRY-ON BAGGAGE Carry on articles such as briefcases, hat boxes, musical instruments, etc., must be limited to a size that can be placed under your seat. Items not meeting this size limitation must be checked as cargo baggage.

BAGGAGE IDENTIFICATION: Airline regulations approved by the Civil Aeronautics Board require that all checked baggage must have external identification showing the passenger's name. Baggage identification labels are available at MVA ticket counters.

BAGGAGE LIABILITY: MVA's liability for baggage loss, damage or delay shall not exceed \$1250.00 per fare paying passenger. Excess valuation may be declared and higher coverage (\$5000.00 maximum) achieved by prepaying additional charges at the rate of \$.50 per \$100.00 of coverage. In no event shall MVA be liable for: (1) loss, delay or damage to jewelry, money, business documents, cameras, computer and electronic equipment or other similar valuables; (2) spoilage or associated damage resulting from the delay in delivery of any perishables; (3) damage to or damage caused by fragile articles; or (4) baggage carried in the passenger compartment of the aircraft.

RESTRICTED ARTICLES: Federal law prohibits the carriage of hazardous materials aboard aircraft in your luggage or on your person. Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, loaded firearms and radioactive materials.

SERVICE RESPONSIBILITIES: MVA will use its best efforts to carry the passenger and baggage with reasonable dispatch. Times shown in timetables or elsewhere are not guaranteed and form no part of the contract of carriage. MVA may, without notice, substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket in case of necessity. Schedules are subject to change without notice. MVA is not responsible or liable for making connections, or for failing to operate any flight according to schedule, or for changing the schedule of any flight.
