GENERAL PASSENGER INFORMATION

Check-In Time

Ticketed passengers are requested to check in at the National Florida Airlines ticket counter 30 minutes prior to scheduled departure time. At ten minutes prior to departure time all unclaimed reservations will be cancelled and standby passengers will be boarded. Passengers requiring tickets are requested to purchase them 45 minutes prior to departure.

Boarding of Flight

Each flight is closed out ten minutes prior to scheduled departure and passenger boarding will begin at that time.

Baggage Information

Each full fare passenger will be allowed 40 pounds of luggage free. Baggage exceeding the fare allowance will be assessed an excess baggage charge.

Limit of Liability

Liability for loss, delay or damage to baggage is limited to \$750 per revenue passenger travelling wholly within the United States.

Security Notice

United States Government regulations require the search of all passengers and articles carried on board the aircraft.

Overbooking

"No-Shows" are a severe industry-wide problem. Many airlines deliberately overbook to attempt to provide seats that are held by "No-Shows." If you will not be using your reservation, please call and cancel.

Schedules

Times and schedules shown in this timetable are subject to change without notice. Safety is our primary concern. Our schedules are based upon expected flying times. Weather and other operating factors may create delays, therefore departure and arrival times and connections cannot be guaranteed.

Ticketing

Passengers are encouraged to purchase their tickets in advance from their favorite travel agent. It costs no more to use this valuable service, however tickets may also be purchased at any of National Florida Airlines' ticket counters, or at any major air carrier ticket office or airport counter.

Small Package Service

"Flash Pac" Counter-to-Counter package service will move your package under 25 pounds to any of our destinations on our next flight. We will notify the consignee of its arrival. Total charge per package will be \$1 per pound, with a minimum of \$5.

Carriage of Pets

At this time the size of our aircraft does not permit the transportation of pets. Please check our office for exceptions.

Refunds

All refunds will be handled through our corporate office. Please allow 30 days for processing.
