# COMPARE NEW YORK AIR

## WE'VE ALWAYS BEEN BETTER. NOW WE'RE BIGGER.

At New York Air, we've built a reputation by giving you extras you can find only on New York Air. Like complimentary drinks, more legroom, New York-style snacks and *The New York Times* or *The Wall Street Journal* in the morning. And service by people who really care.

Now we're offering you even more. For instance, we've increased the number of flights at Raleigh/Durham, making us one of the leading airlines there. We've added flights between Raleigh/Durham and LaGuardia, Newark, Boston, Washington and Cleveland. We've also opened the Apple Club, our private boarding lounge where New York Air passengers can relax, buy a drink or some New York-style food. So at Raleigh/Durham, you can make your connection in the civility of our Apple Club instead of the confusion of Charlotte or Atlanta.

What's more, we're now flying south to Knoxville, Savannah and Greenville/Spartanburg. Of course on all our southern flights, you get treated to our down home northern hospitality.

In addition to our new service to the South, we're now flying non stop between Newark and Orlando as well as Boston and Cleveland and Boston and Raleigh/Durham. And we've just added another daily non-stop from Newark to Detroit. We've also increased our fleet to include Super 80's, the latest in jet technology, giving you even more seats, more legroom and a quieter flight.

Compare New York Air. We get bigger and better.

# OUR SAME DAY APPLE TURNOVER

## ANNOUNCING APPLE EXPRESS.<sup>®</sup> NEW YORK AIR'S SAME DAY SMALL PACKAGE SERVICE.

At New York Air, we fly packages with the same care and dedication as we fly people.

Our Apple Express is a high frequency, same-day airport to airport service for small packages. And the best thing about it is our small rates. Same day delivery is only \$39.00 up to 50 pounds, and \$55.00 from 51 to 70 pounds.

What's more, when you ship a package with us there are no strings attached. For instance, we do not require advance notice as long as your package is dropped off 30 minutes prior to the flight departure. We will accept parcels up to 90 inches (length, width and height) with no side greater than 48 inches.

And because we know the best things often come in small packages, we insure every item for \$750.00, except for perishables.

Apple Express is available in all our markets including Knoxville, Savannah and Greenville/Spartanburg.

For more information on Apple Express, call New York Air.

# NEW YORK AIR INTRODUCES SOUTHERN COMFORT.

WE'VE ALWAYS BEEN BETTER. NOW WE'RE BIGGER.

At New York Air, we've added more southern drawl to our New York accent.

We now fly to Knoxville, Savannah and Greenville/Spartanburg. As well as non-stop between Newark and Orlando, Boston and Raleigh/Durham and Boston and Cleveland.

Of course on all our flights to the South, you get the down home northern hospitality you've become accustomed to. There are complimentary mixed drinks, New York-style snacks and *The New York Times* or *The Wall Street Journal* on weekdays. Not to mention extra legroom and 80% window and aisle seating. We've also increased our fleet to include Super 80's, the latest in jet technology. The Super 80 gives you more legroom, more seats and a quieter flight.

And should you have to make a connection, you can make it in the civility of the Apple Club, our private boarding lounge in Raleigh/Durham, instead of the confusion of Atlanta or Charlotte.

So if business calls you south, compare New York Air.

THE AIRLINE THAT WORKS FOR YOUR BUSINESS.

# OUR NEW WASHINGTON POLICY.

At New York Air we fly between LaGuardia and Washington every hour on the half hour from 7:30 am to 8:30 pm, while Eastern flies on the hour.

So you can literally choose your flight as you're approaching the airport. If it's before the half-hour, head for New York Air. If it's after the half hour, head for Eastern.

At LaGuardia, while we don't have back-up sections, New York Air has a free Shuttle-Shuttle<sup>SM</sup> mini-bus that will take you over to Eastern if you miss our flight. If you're already at Eastern, it will shuttle you over to New York Air. If there's a seat available on our shuttle, we'll even ticket you right on the bus.

At Washington National, it's just a short walk to the other airline.

What's more, if you have business to do between N.Y. and D.C., our new Washington policies make it even easier.

## THE 7AM SHUTTLE WASHINGTON HAS BEEN STARVING FOR.

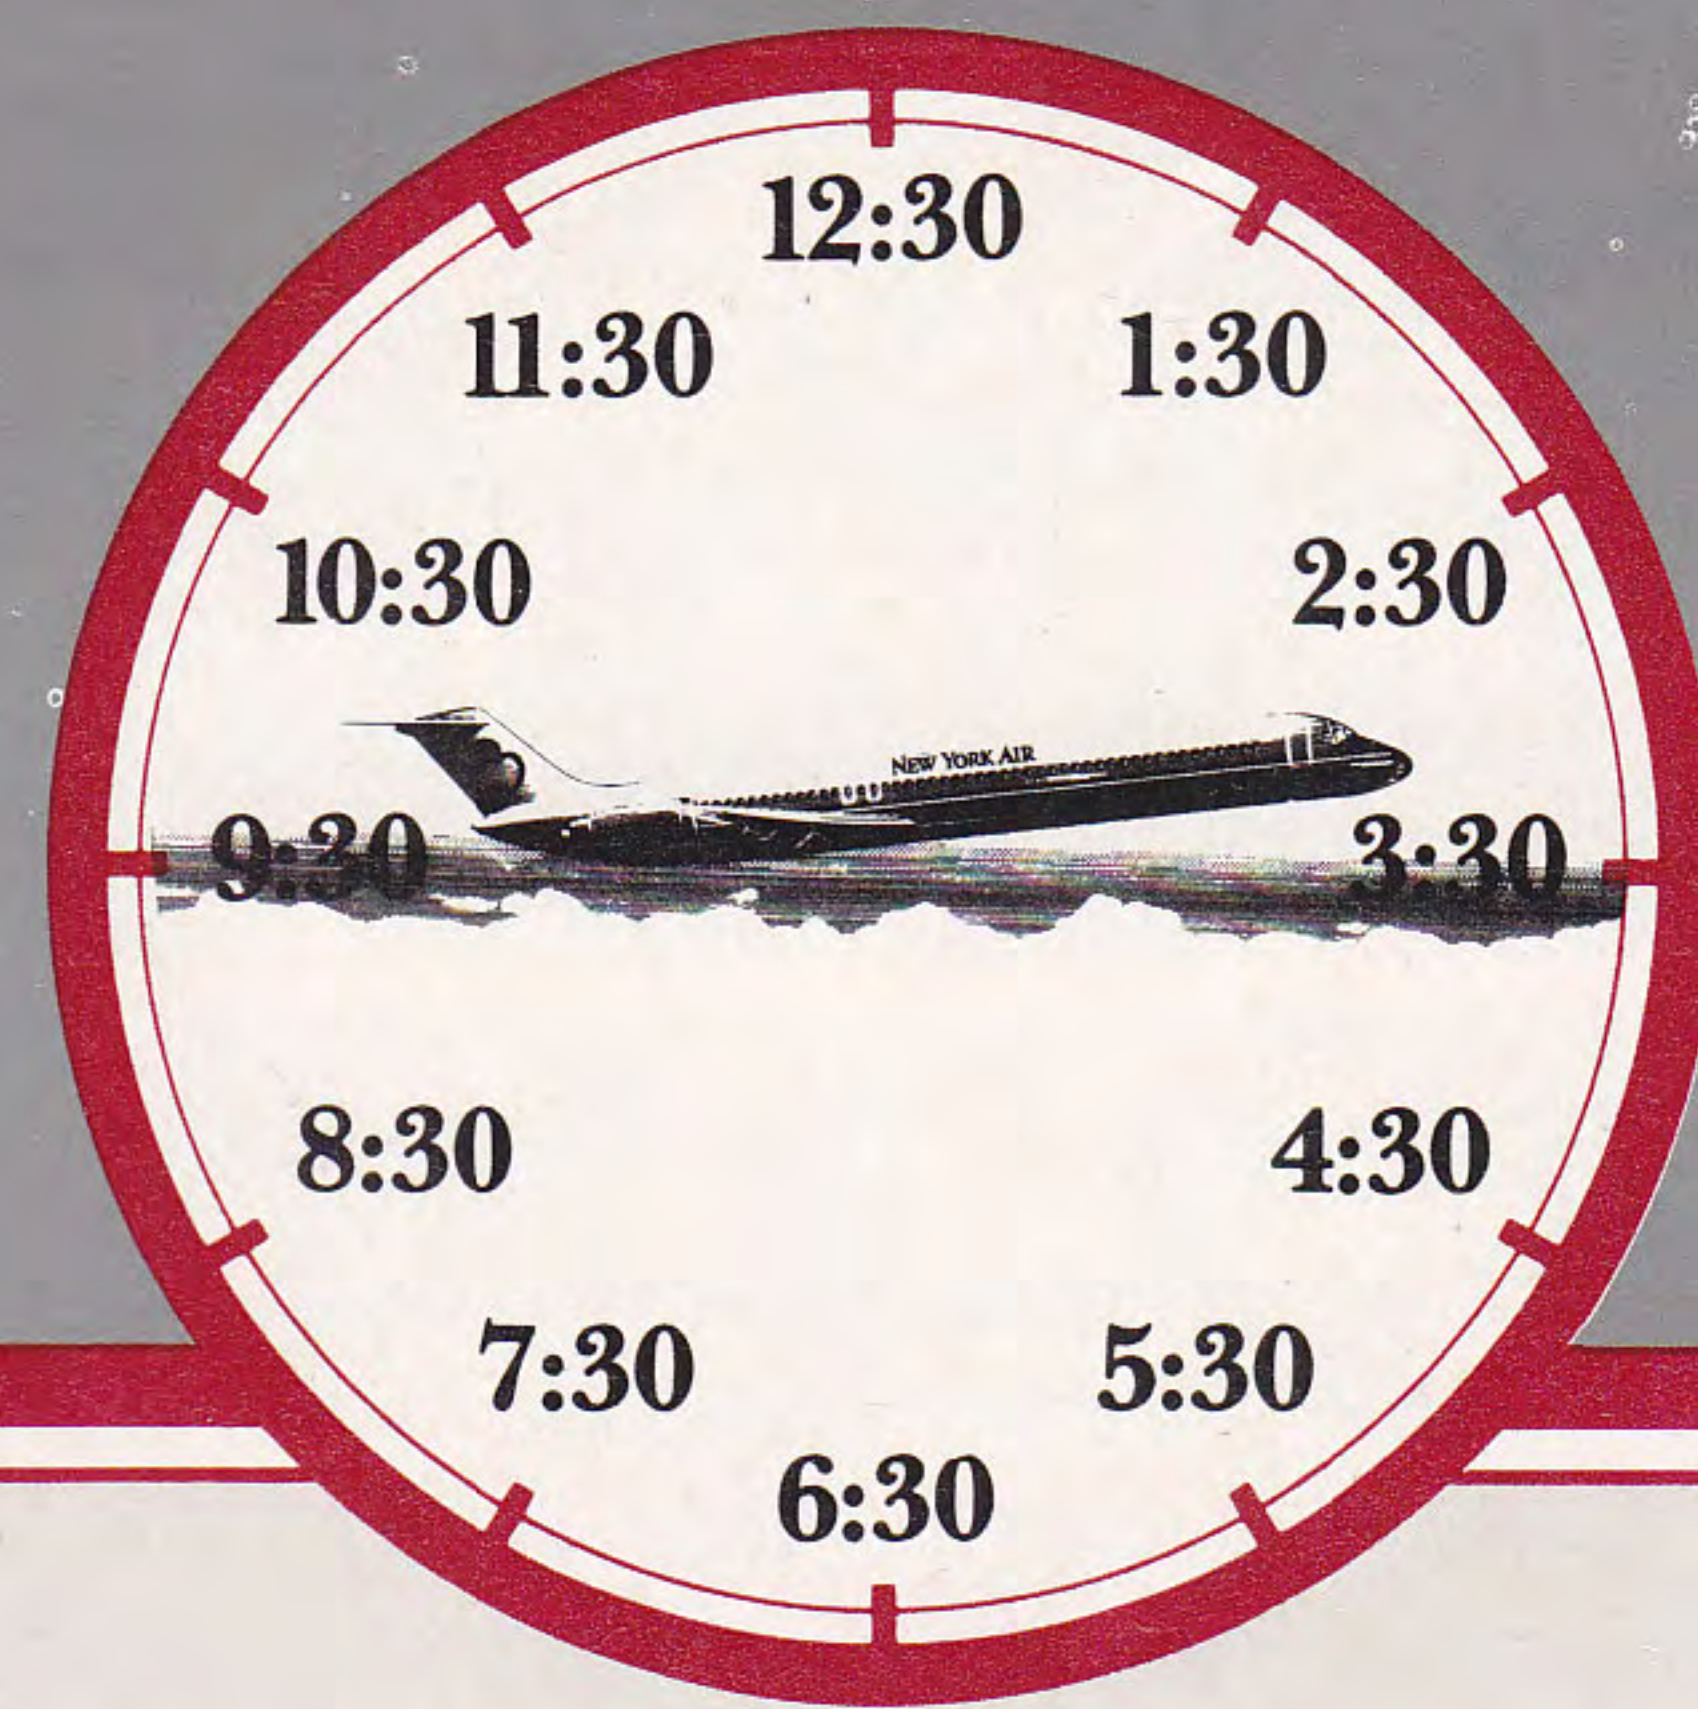

At New York Air, we now have a new 7:00 am shuttle that takes the pain out of catching the early flight to LaGuardia. Especially the hunger pain.

On every morning shuttle you'll get a complimentary New York-style continental breakfast. And to go with your breakfast a complimentary *New York Times*.

We've also added a 9:30 pm flight back to Washington, so you can enjoy a leisurely dinner in New York.

Of course, we're continuing to fly our flights between Washington and LaGuardia on the half-hour from 7:30 am to 8:30 pm while Eastern still flies on the hour.

By the way, if you miss our 7:00 or 7:30 am

flight you can always head over to Eastern. But don't forget to take your own breakfast.

## WE'RE RUNNING LATE TO WASHINGTON FROM LAGUARDIA.

New York Air introduces the Washington late addition. It's our 9:30 pm shuttle that gives Washingtonians their just dessert—more time for dinner in New York.

On every flight, you'll discover the civility of assigned seating, the comfort of extra legroom, plus on weekdays, complimentary mixed drinks, New York-style snacks and in the morning *The New York Times*.

New York Air's 9:30 pm shuttle to Washington. We're running late so you don't have to.

## WE'RE GIVING NEWARK MORE SEATS TO THE SEAT OF GOVERNMENT.

If you find yourself flying from New Jersey to Washington by way of LaGuardia, New York Air has good news. We now fly more seats to D.C. from Newark every business day. Not just more planes. But bigger planes. Twice daily we fly our brand new Super 80's roundtrip to Washington. The Super 80's are the latest in jet technology giving you even more seats, more legroom and a quieter flight.

We've also added a new non-stop to Washington that will get you there in time for lunch. More seats to D.C. That's our Washington policy.

THE AIRLINE THAT WORKS FOR YOUR BUSINESS.

# THE SUNBIRD CONNECTION

Now you can fly Sunbird Airlines to and from Fayetteville and Greenville, North Carolina, and connect with New York Air at Raleigh/Durham.

At Raleigh/Durham, you can make your connection without ever leaving the Apple Club, our private boarding lounge where you can relax, buy a drink or some New York-style food.

Then you can continue on New York Air to Boston, Washington or New York. And of course you'll get New York Air amenities like complimentary drinks, snacks and fine wines.

When you fly Sunbird to New York Air you'll only need one ticket and, because your baggage is automatically sent to your final destination, only one baggage claim.

# THE AIR VIRGINIA CONNECTION

New York Air's affiliation with Air Virginia has made flying to any of our destinations a breeze.

That's because we've scheduled convenient connecting flights and offer special low joint fares to many cities. We've also arranged it so you need only one ticket, and because your baggage is automatically sent to your final destination, only one baggage claim.
