New York Air's Quick Ticketer machine lets you fly through the airport. Just insert almost any major charge card, and 14 seconds later, you'll have a ticket on the departing flight if a seat is available. Now at our gates at LaGuardia, Newark, Boston, Washington National and Dulles.

SUIT YOURSELF!

MORE NEW YORK

New York Air offers more New York service. Starting February 9, you can cut out of town for business from Long Island's convenient MacArthur Airport to Washington Dulles on three nonstops every weekday, two on weekends. More than any other airline! Plus, suit your leisure needs by choosing one of our through or connecting flights to four Florida destinations and New Orleans.

MORE FLORIDA

We're adding more sunshine, too. Starting March 7, West Palm Beach joins our variety of Florida destinations with two daily nonstops from Washington Dulles. And we'll offer plenty of convenient direct and connecting service from the Northeast and Midwest. All at unbeatable cost cutting fares.

So, suit yourself with more choices from New York Air.
