NEW YORK AIR

EXPAND YOUR HORIZONS WITH THE NEW YORK AIR/CONTINENTAL TEAM.

You're Number One with us—always have been. Whether "us" is New York Air in the East or Continental in the West, we pride ourselves on bringing you a class act. We've been teaming up more and more lately to give you the best of all possible worlds.

For more than 50 years, Continental's hallmark has been superior inflight service. It was the first carrier to bring you the Pub on widebody flights, and in some markets you only flew the competition if you couldn't get on Continental.

In the East, New York Air took the market by storm six years ago. With our distinctive Flying Nosh service we brought quality inflight service to short-haul flying.

With comfort and convenience our top priority, New York Air and Continental have been working even more closely to bring you better schedules with the same low-fare, high-value philosophy you've come to expect from us. We're bringing you even better inflight service, with the enthusiasm and professionalism that define our own distinctive style. And with TravelBankSM, we're giving you a frequent flyer program so extensive you can win free trips to anywhere in the world without ever boarding another carrier.

So when you're planning to travel, treat yourself to the best—New York Air and Continental: the unbeatable combination.

Please refer to the combined New York Air/Continental Destination Map on pages 14 and 15 of this schedule.
