World's Fastest, Quietest, Largest Turboprop Airliners :

BRISTOL
Britannia → *"Whispering Giants"*

JUST OVER THE
NORTHEAST HORIZON

In service this Fall on NEA's
BOSTON—NEW YORK—FLORIDA
ROUTE

The new Bristol Britannia "Whispering Giants" will reign as the aristocrats of American airways.

Fantastically quiet, they will cruise at over 400 m.p.h. at 23,000 feet. NEA's "Whispering Giants" will provide the most spacious interiors of any airliner now flying.

Investment in these magnificent craft, highlights the tremendous expansion now current at NEA, one of America's twelve original scheduled airlines.

GENERAL INFORMATION

AIR COACH SERVICE—Skylark Coach provides maximum comfort at low coach rates. Round-trip fares on Skylark Coach are twice the one-way fares. Not applicable on Skylark Coach; round-trip discounts, Family Plan discounts, and stopover privileges.

AIR TRAVEL PLAN—A convenient world-wide method for charging your air transportation ticket. Contact any Northeast Airlines Office for detailed information.

BAGGAGE ALLOWANCE—The term "baggage" shall mean all luggage including brief cases, portfolios, parcels, camera equipment, portable typewriters, and similar articles to be checked or carried aboard the aircraft. Forty (40) pounds is the free allowance for First-Class or Coach Travel in or between the United States and Canada. Baggage in excess of the free allowance may be accepted at a charge of one half of one percent of the applicable First-Class, one-way, adult fare, per pound, when travel is in or between the United States and Canada.

(LIABILITY)—Liability for the loss or damage to baggage and/or personal property checked in the care of Northeast Airlines is limited to one hundred dollars (\$100.00) per ticket, unless a higher valuation is declared and paid for.

CANCELLATION OR RESERVATIONS—If your plans change, please cancel your reservations promptly.

CHILDREN—One child under two years of age and not occupying a seat will be carried free of charge for each passenger paying a full fare. Children two years of age, but under twelve may travel at half rate when accompanied by a passenger paying a full fare. Children five years or older travelling alone (subject to special arrangements—ages 5, 6 or 7) will be charged the full adult fare.

CONFIRMED TICKET PICKUP POLICY—The Confirmed Ticket Pickup Policy adopted by all scheduled airlines, is employed as an instrument to promote even better service for air travelers. Here's how it works:

1. Purchase your confirmed ticket indicating your positive reservation, by the time agreed to with your Northeast Agent. Otherwise, Northeast is obligated to make the space available for sale to others.
2. Take advantage of the many ways available for securing your confirmed ticket. Northeast Airlines, or your authorized Travel Agent, will gladly explain the specific methods.

FAMILY PLAN TRAVEL—Here's how it works: Simply purchase one full-fare one-way first-class ticket for yourself, for a Northeast flight scheduled to depart no earlier than midnight Monday, or not later than midnight Thursday. Then purchase at one-half the one-way first-class fare tickets for your wife (or husband) and/or children under twenty-two (22) years of age to accompany you. One youngster under two, who does not occupy a seat, may accompany your family at no extra cost.

INSURANCE—Trip insurance is available at all airport offices.

LOST AND FOUND—Report lost items to your nearest Northeast Office or write: Northeast Airlines, Inc., Lost and Found Department, Logan International Airport, Boston, Mass.

RECONFIRMATION—When you travel to a city by air or other means, you must reconfirm your continuing or return reservations, if you will stay over-night or longer. Your reservation will be cancelled 6 hours prior to departure. Reconfirmation is not required if time between planned arrival time and scheduled departure time is less than 12 hours.

TICKET REFUNDS—Tickets may be refunded at any Northeast Airlines Office, or mailed to: Northeast Airlines, Inc., Ticket Refund Department, Logan International Airport, Boston, Mass.
