Such exemption shall apply only to articles so acquired by a returning resident who has remained beyond the territorial limits of the United States for a period of not less than forty-eight hours. No exemption shall be allowed in any case unless the articles claimed to be exempt were purchased or otherwise acquired merely as an incident of the trip. All articles acquired abroad during the trip must be noted on the declaration made to the United States customs officer at the time the returning resident enters the United States, or to the United States customs officers in a foreign country, just before such return to the United States if an exemption on such articles is to be claimed.
