### WE LOVE TO FLY AIR CARGO

You can count on Apollo Airways as your small package specialist. Apollo's ten point route system extends throughout the West, featuring next flight service for packages under ten and under fifty pounds gross weight. Shuttle Pac and Blue Streak Air Cargo offer an ideal way to send important documents, vital materials or any priority package at a surprisingly low rate. Go ahead and impress yourself with Apollo's fast and easy counter-to-counter small package service. Your company will be impressed too. We certainly are . . . we're small package specialists.

#### Check In:

In the interest of on time service for all passengers, Apollo requests that passengers check in 30 minutes prior to scheduled departure time. Reservations not claimed 20 minutes prior to scheduled departure time are subject to cancellation.

#### Baggage:

Free allowance: Each passenger holding a ticket is allowed two pieces of luggage in addition to one carry-on that must fit under the seat. The outside dimensions (length plus width plus height) on the first piece are not to exceed 62" and the dimensions of the second piece are not to exceed 45". Baggage in excess of this allowance will be charged at a rate of \$6.00 per piece.

#### Credit Cards:

Apollo Airways welcomes American Express, Visa, Mastercharge and Universal Air Travel Plan (UATP) cards.

#### Children:

Children under two years of age may travel at no charge when carried on the lap of an accompanying adult. Children over two and under twelve years of age are charged only 66 2/3% of the full adult fare when accompanied by an adult. Children under six must be accompanied by a passenger eighteen years of age or older.

#### Responsibility:

Because weather and other factors may affect operating conditions, departure and arrival times cannot be guaranteed. Schedules and fares may be subject to change without notice.

**NOTICE:** Apollo Airways does not intentionally overbook flights, except in cases where a high "no-show" factor prevails. However, overbooking may result due to a substitution of equipment of smaller capacity or error. Apollo Airways is exempt from paying Denied Boarding Compensation. If a flight is overbooked Apollo will deny boarding in accordance with its boarding priorities, available at the ticket counter.

#### Claims:

Damage to or loss of baggage should be reported to Apollo Airways upon termination of your flight or as soon as possible thereafter.

#### Air Freight:

Apollo offers air freight service statewide and nationwide. Ask about our Blue Streak (Priority) and Shuttle Pac rates, designed to expedite air freight quickly and economically. For a consultation on your air freight needs, call the Air Freight Information number for your area of service.
