**PLEASE READ  
PACIFIC COAST AIRLINES  
PASSENGER INFORMATION**

**Check In:**

In the interest of on-time service for all passengers, Pacific Coast requests that passengers check in 30 minutes prior to scheduled departure time. Reservations not claimed 20 minutes prior to scheduled departure time are subject to cancellation.

**Baggage:**

Free allowance: Each passenger holding a ticket is allowed two pieces of luggage in addition to one carry-on that must fit under the seat. The outside dimensions (length plus width plus height) of the first piece are not to exceed 62" and the dimensions of the second piece are not to exceed 45". The carry-on maximum dimensions are 16"x16"x6". Baggage in excess of this allowance will be charged at a rate of \$6.00 per piece.

**Baggage Liability:**

Pacific Coast Baggage Liability for damage or loss is limited to \$750.00-\$1,250.00 per passenger. Lock your baggage. Do not put money, jewels, expensive personal items, medication or prescriptions in baggage to be checked. Jewelry, liquids, perishables, and all fragile items such as cameras, electronic and mechanical items, are carried at the risk of the passenger. No claims for loss or damage to, or by, such articles will be considered when these articles are part of the contents of checked baggage.

**Credit Cards:**

Pacific Coast Airlines welcomes American Express, Visa, MasterCard, Carte Blanche, Diner's Club and Universal Air Travel Plan (UATP) cards.

**Responsibility:**

Because weather and other factors may affect operating conditions, departure and arrival times cannot be guaranteed. Schedules and fares may be subject to change without notice.

**Claims:**

Damage to or loss of baggage should be reported to Pacific Coast Airlines within 4 hours after termination of your flight.

**Denied Boarding Compensation:**

Pacific Coast selectively overbooks certain flights to compensate for persons holding and not utilizing reservations, thus making available more seats for those persons actually using them. As a result, there is a slight chance that a seat may not be available for a person holding a confirmed reservation. Pacific Coast Airlines operations DO NOT qualify under the rules governing payment for denied boarding compensation. If you have complied with our 20 minute check-in policy and in the event a Pacific Coast Flight on which you have a confirmed reservation is unable to accommodate you, Pacific Coast will offer you a one-way ticket equal to the value of your original ticket. This ticket will be issued in your name only; will have no refund value and shall be non-transferable. It is valid one year. The ticket may be used only on Pacific Coast Airlines over any published routing.

**Pacific Coast Freight Service:**

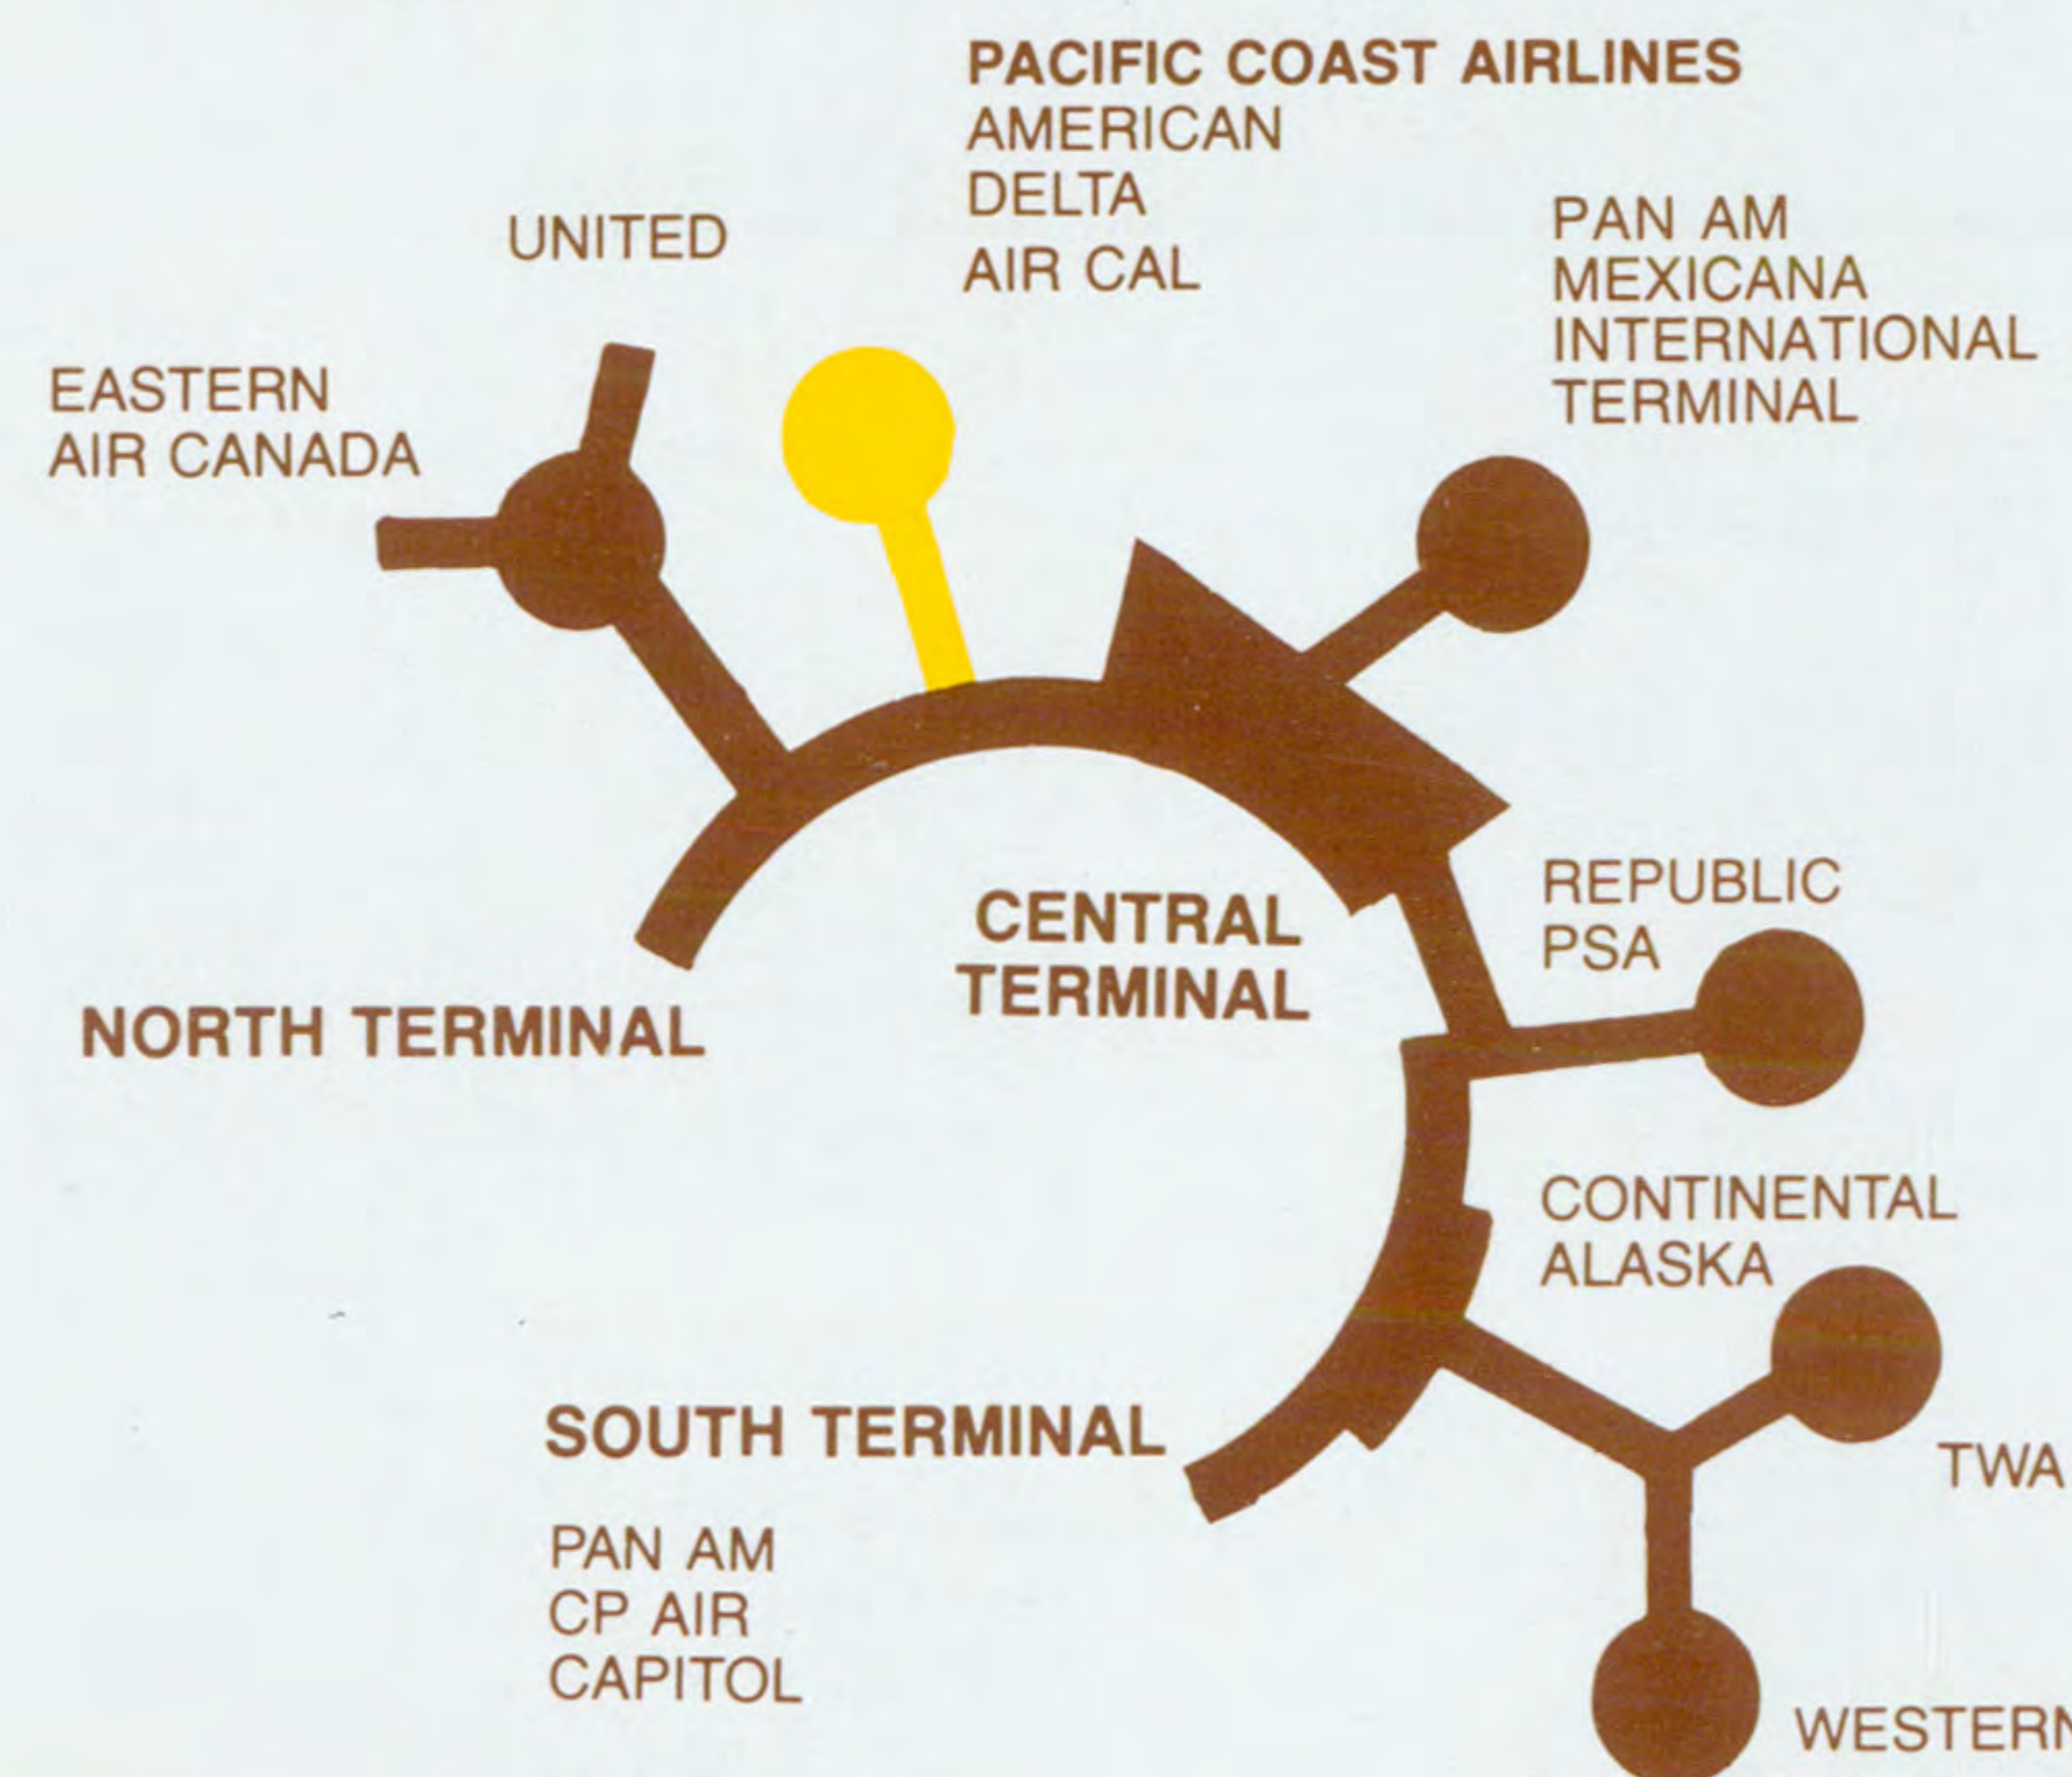

Shuttle-Pac:	10-4 pounds	\$18.00
	3 pounds or less	10.00

"AIR FREIGHT SERVICE" is available for shipments up to 70 pounds.

**Children:**

Children under two years of age may travel at no charge when carried on the lap of an accompanying adult. Children over two and under twelve years of age are charged only 50% of full adult fare when accompanied by an adult. Children under five must be accompanied by a passenger eighteen years of age or older.
