**Introducing the
PanAm/Pacific Express**

Now getting from the
West Coast to the World is easier.

Introducing Pan Am/Pacific to the world.

The Pan Am/Pacific Express is operated by Pacific Express to provide connecting service between four western states and Pan Am's Los Angeles and San Francisco gateways to the world. With one ticket, one check-in, all seat assignments for connecting flights and one baggage check-in. One call to either Pacific Express or Pan Am does it all.

Making a connection at Los Angeles or San Francisco is quick and simple. Your baggage is automatically transferred to your outbound flight, so all you need do is proceed to the appropriate departure gate.

On your Pan Am international flight, you'll experience the luxury of a Pan Am 747 or L-1011 Clipper®—the world's most preferred aircraft. With your choice of service: First Class Sleeperette® Service—gracious and luxurious, Clipper® Class—our separate section business class, and Cabin ClassSM—superior service at our most affordable fares.

Pan Am WorldPassSM members earn big rewards when they fly The Pan Am/Pacific Express with mileage credits for every flight. And additional credits at participating hotels and car rental locations. When you fly First Class you earn a bonus of 50% more than the actual mileage flown. Clipper Class travel earns an extra 25%.

Express

With convenient connections to Pan Am's U.S. cities. To Europe, Africa, Asia, The Middle East, The Orient, The South Pacific and Latin America.
