

Pilgrim Airlines System Timetable

Effective June 1, 1973

To Our Valued Passengers:

June 1, 1973 marks the date for some very important milestones in the history of Pilgrim Airlines.

As you can see we have changed the format of our timetable to accommodate the greater number of flights we are operating and to accommodate our newest city served.

June 1st marks the inauguration of service to Bridgeport with schedules consisting of three round trips daily to Boston and two round trips daily to Kennedy International Airport.

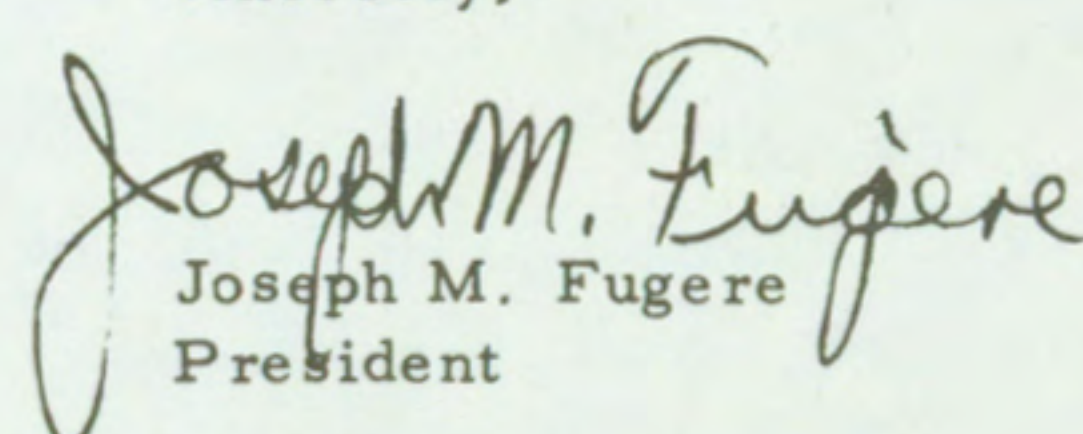

We are also adding new flights between Hartford/Springfield and Boston. These new flights will give Pilgrim's passengers an opportunity to connect with early morning flights from Boston as well as providing an 8:15 P.M. flight back to Hartford/Springfield from Boston.

Our improved pattern of service from New London/Groton, Hartford/Springfield, Bridgeport and New Haven will enable Pilgrim passengers to connect with many other Commuter Airlines and Delta Air Lines flights to points in Northern New England as well as to Cape Cod and the Islands.

June 1st is also the date for our introduction of computerized reservations. Pilgrim has contracted with Braniff Airways for inclusion in the Braniff reservations computer. Our passengers in other cities across the United States will be able to have reservations confirmed almost instantly by calling any major U.S. airline.

In closing, we wish to thank all our passengers for their patronage and their help in making Pilgrim one of the most successful Commuter Airlines in the United States.

Sincerely,

Joseph M. Fugere
President
