PASSENGER INFORMATION

Founded in 1972, Pompano Airways provides reliable and comfortable transportation throughout Florida and to the Bahamas. We utilize modern air-conditioned, pressurized jet prop commuters and turbo titan commuter aircraft featuring very sophisticated navigation and radar equipment. Pompano Airways, whose airline code is MG, can offer its passengers interline connections with all major carriers, confirmed reservations on most airlines. Best of all, since Pompano Airways participates in joint fare agreements with most major air carriers, we may be able to save our passengers money.

RESERVATIONS: Reservations shall be tentative unless and until carrier has issued a validated ticket for space reserved. To avoid cancellation of a reservation without notice, a right of the carrier, passengers are urged to make reservations and purchase tickets well in advance.

FORT LAUDERDALE/HOLLYWOOD INTERNATIONAL PASSENGERS: Pompano Airways' ticket counter is located in the Main Terminal beside United Airlines. Baggage on international flights will be claimed at the U.S. Customs building. Baggage on domestic flights will arrive on the United Airlines baggage belt.

MIAMI INTERNATIONAL AIRPORT PASSENGERS: Pompano Airways' ticket counter is located on Concourse E between Air Florida and Avianca. International baggage will be claimed in the U.S. Customs area. Domestic baggage will be claimed on the Pompano Airways' baggage claim area, lower level.

BAGGAGE: Baggage is carried free of charge for full fare paying passengers with a maximum allowance of 40 pounds per passenger. Passengers carrying excess baggage will be charged an additional sum per pound, based upon current and applicable tariffs. This baggage will be carried on a space available basis. Pompano Airways' liability for lost or damaged baggage is $450.00 per full fare passenger on all flights.

CHECK-IN FOR FLIGHTS: To maintain our industry on-time record, we reserve the right to cancel the reservation of any passenger who fails to present himself/herself at the boarding area at least thirty (30) minutes prior to all scheduled departures.

ITEMS NOT SUITABLE AS PASSENGER BAGGAGE: All items are carried on a space-available basis and at passenger's risk. Passengers may be required to sign a form releasing Pompano Airways from liability for damage to such items.

BAGGAGE CLAIMS: All damage to or loss of baggage must be reported to Pompano Airways immediately upon termination of your flight.

CREDIT CARDS: Pompano Airways honors American Express, MasterCard and Visa.

DENIED BOARDING COMPENSATION: Pompano Airways overbooks certain flights to compensate for persons holding and not utilizing reservations, thus making available more seats for those persons actually seeking them. As a result, there is a slight chance that a seat may not be available for a person holding a confirmed reservation. In that event, Pompano Airways will refund its fare and confirm reservations on its next available flight.

TICKET REFUND: Tickets purchased from other airlines or travel agents must be refunded by the issuing party. Tickets purchased from Pompano Airways may be mailed to our corporate office.

CHARTERS: Pompano Airways offers various sizes of twin engine aircraft including executive prop jet aircraft for charter. For information, call our Charter Department at (305) 524-6505 or Toll Free 1-800-327-5581.

CITIZENSHIP REQUIREMENTS: International flights to and from the Bahamas requires proof of citizenship, including either a passport, a birth certificate, or a voters registration I.D. card.

RESPONSIBILITIES: Pompano Airways will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedule subject to change without notice. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. In all operating conditions the maximum attention will be given to safety.
