INAUGURAL
SCHEDULE

1985

PrideAir™

P.O. Box 20208, New Orleans, LA 70141

PRIDE IS PERSONAL.

Pride was founded on personal commitment.

Our employees own the company. So we are motivated to make your flight one you'll remember, instead of one you'd like to forget.

Pride was built on experience. From ground crews to top executives, in the cockpit and the cabin, the people of Pride bring years of experience to the job. It seems as if many of us have logged more time in the air than on the ground.

So we hope that you will enjoy flying on Pride Air™. Because to us, taking you there is a lot more than a job.

It's a matter of pride.

PRIDE AIR STOPS HERE.

Pride Air provides Boeing 727 jet service to 16 cities from coast to coast. Both large cities and small.

We pride ourselves on business-minded schedules and routes that are designed to be the simplest way to get there.

Our New Orleans hub is an important part of that story. It

provides smooth connecting and direct service to all destinations.

From New Orleans we offer the only direct service to many of the destinations we serve.

 **PrideAir™**

You can feel it in the air.™

Service to some destinations starts August 21, 1985.

PRIDE HAS EXECUTIVE CLASS.

Priced lower than most other airlines' coach fares, our Executive Class service is truly First Class in every sense of the word.

You can expect roomy, comfortable First Class seating with plenty of legroom.

You can expect our meal service to have lots of special touches. Fine china. Choice of entrees. California vintage wines. A refreshing hot towel.

Executive Class. It's just one of the executive benefits of flying on Pride Air.
