VIRGIN ISLAND FACTS:

FREE PORT CUSTOMS INFORMATION — since all three islands making up the U.S. Virgin Islands are free ports, here are your rules and regulations. EVERY PERSON regardless of age may bring into the U.S. $200.00 worth of duty free merchandise. EVERY ADULT may include in this $200.00 allowance one gallon of liquor.

Wines are very low on duty so it is suggested that these be packed separately and then the duty can be figured quickly by the customs official.

ST. THOMAS — tourists shopping paradise. Never have so many shops been packed so closely together and display more gifts attractively than in St. Thomas. This island is where the women have an opportunity to shop and compare without walking miles. It has fine beaches and several excellent hotels. St. Thomas is also the night life island, entertainment in most hotels, bars, and clubs for your night life pleasure.

ST. CROIX — the leisure island. Largest of the three and with more flat land than the other two together. Shopping is at the same prices as St. Thomas, however, there is more time to look around since there are not so many visitors in St. Croix as in St. Thomas (usually). It has fine hotels and beaches plus two golf courses.

ST. JOHN — may be reached by boat from St. Thomas. There is no airport on this small beautiful island. It is by far the most unspoiled. 75% of it is National Park. There are gorgeous unspoiled beaches and one of the few underwater naturalists trails. Hotels are few but good. If its GO GO you want, stay away, but if you want the peace and quiet of a far off island that is near then visit St. John.
