Skyways Travel Information

CHECK-IN FOR FLIGHTS. In the interest of on-time service for all passengers, Skyways requests that passengers without tickets be at the airport counter 30 minutes prior to published depature time. Ticketed passengers should be at airport counter 20 minutes prior to the scheduled time of departure. Reservations of passengers presenting themselves at the Skyways ticket-lift point less than ten minutes before scheduled departure of a flight will be subject to cancellation.

BAGGAGE. The maximum free baggage allowance is three (3) pieces per passenger, with a total weight not to exceed 50 lbs and the following maximum dimensions:.

1st piece — 62 dimensional inches (length + width + height)
2nd piece — 55 dimensional inches (length + width + height)
** 3rd piece — 45 dimensional inches (length + width + height)

** The 3rd piece may be checked or carried on board the aircraft, provided that the bag does not exceed the maximum dimensional limit of 45 inches, and is included in the maximum weight allowance of 50 lbs.

EXCESS BAGGAGE CHARGES. When the size, weight, or number of pieces exceeds Skyways maximum allowance, excess charges of $7.00 per bag will apply.

BAGGAGE IDENTIFICATION. Skyways will not accept baggage unless a label or tag with the passenger's name is on the outside.

BAGGAGE LIABILITY. Skyways liability for damage to or loss of baggage is limited to $750.00 per fare-paying passenger unless a higher valuation is declared and additional charges paid in advance. If a higher value is declared over the above limit of liability, the higher value will be assessed at $0.10 per $100.00.

Skyways is not liable for loss, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities or other valuables, business documents, or samples, or articles not suitable or suitably packed for transportation in the aircraft, which are included in the passenger's checked baggage whether with or without the knowledge of the airline.

NO SMOKING. We ask that passengers not smoke on board Skyways aircraft.

OVERBOOKING. Skyways flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until Skyways personnel first ask for volunteers willing to give up their reservation in exchange for a payment of Skyways' choosing. If there are not enough volunteers, Skyways will deny boarding to other persons in accordance with its boarding priority. The complete rules for payment of compensation and boarding priorities are available at all Skyways ticket counters.

EQUIPMENT. Skyways operates modern turboprop twin-engine commuter aircraft. Flight numbers 100-199 are Beech 99 aircraft with a seating capacity of up to 15 passengers. Flight numbers 400-499 are Fairchild/Swearingen Metro II aircraft with a seating capacity of up to 19 passengers.

HAZARDOUS MATERIALS. For safety reasons, articles such as flammable liquids, corrosives, compressed gas or matches should not be placed in baggage. Federal Aviation Administration regulations limit the amount of compressed gas in aerosol cans, such as hairspray, shaving cream and deodorant, to a total of 32 ounces per passenger, with a maximum of 16 ounces per container.

RESPONSIBILITY OF SKYWAYS. Skyways aims to maintain a high standard of service and the highest standards of safety in serving our customers. Skyways will not be responsible for damages resulting from failure to depart or arrive at times stated in this timetable, nor for failure to make connections with other flights. Skyways will maintain the right to cancel flights or reservations whenever deemed advisable or necessary for safety, weather, or other reasons. Schedules and fares are subject to change without notice. Since holiday schedules may differ, please call your Skyways Reservations Office for this information.

PLEASE DON'T BE A "NO SHOW"

If you're unable to use your Skyways reservation, please let us know. When your plans change or you decide to travel by some other means, we welcome a telephone call so we can make a confirmed seat available for someone else to travel. The no-show percentage approaches 30 percent on Skyway's peak-period flights. Often many of our customers who need confirmed seats cannot be accommodated because of reserved space that will not be used. So please call any Skyways reservations number and let us know. You'll be helping your fellow travelers and you'll be helping Skyways to serve you better.
