Passenger Information

Reservations—Reservations shall be tentative unless and until carrier has issued a validated ticket for space reserved. To avoid cancellation of a reservation without notice, a right of the carrier, passengers are urged to make reservations and purchase tickets well in advance. Due to limited number of seats available, passengers unable to use reservations are requested to cancel as soon as possible.

Fort Lauderdale/Hollywood International Passengers—Southeast Airlines ticket counter is located at the United Airlines counter

Reconfirmation—All reservations should be reconfirmed at least one day prior to date of travel.

Baggage—Baggage is carried free of charge for full fare paying passengers with a maximum allowance of 40 pounds per passenger. Passengers carrying excess baggage will be charged an additional sum per pound, based upon current and applicable tariffs. Southeast Airlines liability for lost or damaged baggage is \$750 per full fare passenger on domestic flights, and \$20.00 per kilogram for checked baggage and \$400.00 per passenger for unchecked baggage on international trips. A Higher valuation may be declared for any baggage, and paid prior to the departure of the flight.

Check-In for Flights—To maintain our industry on-time record, we reserve the right to cancel the reservation of any passenger who fail to present himself/herself at the boarding area at least ten (10) minutes prior to scheduled departure of a domestic flight, and at least twenty (20) minutes before scheduled departure time of an international flight.

Sporting Equipment and Musical Instruments—All items are carried on a space-available basis and at passenger's risk. Passengers may be required to sign a form releasing Southeast Airlines from liability for damage to such items.

Baggage Claims—All damage to or loss of baggage must be reported to Southeast Airlines immediately upon termination of your flight.

Credit Cards—Southeast Airlines honors American Express, Master Charge and Visa.

Denied Boarding Compensation—Southeast Airlines overbooks certain flights to compensate for persons holding and not utilizing reservations, thus making available more seats for those persons actually seeking them. As a result, there is a slight chance that a seat may not be available for a person holding a confirmed reservation. In that event, Southeast Airlines will confirm reservations on its next available flight.

Ticket Refund—Tickets purchased from other airlines or travel agents must be refunded by the issuing party. Tickets purchased from Southeast Airlines may be mailed to our corporate office for refund.

Charters—Southeast Airlines offers various sizes of twin engine aircraft including executive prop jet aircraft for charter. For information, call our Charter Department at 1-800-645-9679.

Citizenship Requirements—International flights to and from the Bahamas requires proof of citizenship, including either a passport, a birth certificate or a voters registration I.D. card.

Responsibilities—Southeast Airlines will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this timetable, nor for errors herein, not for failure to make connections with planes of other lines of this Company. Schedule subject to change without notice. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. In all operating conditions the maximum attention will be given to safety.
