General Information

AIR TRANSPORTATION: Air transportation on Spirit Airlines is subject to the terms and conditions of our Contract of Carriage which may be inspected at any Spirit Airlines ticketing location.

SPIRIT PRICES: Prices are each way and are capacity controlled which means the price increases as each flight is sold. Lowest prices may not be available on all flights. For the lowest prices, please book early!

BAGGAGE: Each ticketed passenger may, subject to cabin safety requirements, carry one piece of baggage on the aircraft which must fit under the seat or in the overhead bins. Maximum dimensions are 8 inches by 11 inches by 19 inches. Maximum weight is 5 pounds.

Each ticketed passenger may also check two pieces of baggage with maximum lineal dimensions not exceeding 62 inches, no single piece weighing more than 44 pounds and the total weight of all pieces not exceeding 70 pounds. Additional baggage, overweight and oversized baggage may be accommodated subject to space at an additional charge. Certain sporting equipment may be restricted and may be assessed an additional charge. Please contact our Reservations Department for details. Liability for lost, damaged or pilfered baggage is limited to a maximum of \$1250 on domestic flights and is subject to proof of claim. Spirit Airlines is not responsible for certain items in checked or unchecked baggage including, but not limited to, money, jewelry, electronic or photographic equipment and similar valuables. Damage, loss or pilferage must be reported in person within four (4) hours of arrival of the flight giving rise to the claim.

CANCELLATION AND REFUNDS: Your Flight Voucher is non-refundable (even for medical reasons), and is valid only on the date(s) and flight(s) indicated. If you cancel your reservation or fail to board the aircraft for any reason, including medical conditions, you are not entitled to a refund, nor are you entitled to transportation on an alternate date or flight.

SERVICE FEES: Changes in the date(s), flight(s) or package purchased may be requested eight or more days prior to the departure of your original flight segment. If available, such changes will be made subject to a service fee of \$50 per person plus any additional charge for the requested date(s), flight(s) or package. Once you have departed on your original flight segment, changes cannot be made.

LOST FLIGHT VOUCHERS: In the event your flight voucher is lost or stolen it cannot be replaced. Passengers who are unable to present their flight voucher at check-in will be accommodated for transportation provided their reservation can be verified subject to a \$25 service fee.

CHECK-IN: You must check in for any flight segment at least 30 minutes prior to departure. If you have not checked in at least 30 minutes prior to departure or fail to provide photographic identification you are considered to have canceled your reservation and are not entitled to a refund or alternate transportation.

SEAT ASSIGNMENT: Seating is assigned at the airport during the check-in procedure.

MEALS: Meals are not provided on any Spirit flight.

BEVERAGE SERVICE: Complimentary beverages are available on all Spirit flights. Liquor service, at a nominal charge, is available on most Spirit flights.

NOTICE OF OVERBOOKING OF FLIGHTS: Airline flights may be overbooked and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. The complete rules for the payment of compensation and boarding priorities are available at any Spirit Airlines ticketing location.
