SUNNY'S ROUTE MAP

Sun Country Airlines

Ask your professional travel agent for a copy of the Charter Operator Participant Contract (COPC) that contains information about your flight. All flights listed here are on Sun Country Airlines and the fares shown are each way unless otherwise noted. Fares purchased within 72 hours of travel are slightly higher. Except as provided in COPC, fares are non-refundable, but you can make changes to your itinerary before your scheduled flight if you pay a $50 change fee (plus fare difference if applicable) and make new reservations within one year of your original reservation date. Payment is due within 48 hours unless otherwise noted. St. Maarten and Aruba packages require round trip purchase. PFCs and international taxes are not included in package prices. These prices are subject to change, space may be limited, and you will have to pay Passenger Facility Charges (PFCs) of $3 - $12 per person.
