GENERAL INFORMATION

FREE LUGGAGE ALLOWANCE

Sun Country will accept a total of 3 pieces of luggage free of charge (2 checked and 1 carry-on). Additional restrictions and specific information available upon request. Excess charges for additional/oversize/overweight pieces are calculated on a per piece charge. Additional/oversize and overweight charges are combined.

DANGEROUS GOODS

Federal regulations restrict carriage on aircraft of items classified as dangerous goods. These materials include, but are not limited to, flammable gases, liquids and solids, non-flammable compressed gas, explosives, poisons, corrosives, oxidizing materials, organic peroxides, radioactive materials, etiologic agents and magnetic materials as well as other miscellaneous items that do not fall into the other classes. Specific rules apply to certain hazardous materials such as any dry ice, wet- or dry-cell batteries. Further information is available upon request.

NOTICE OF LUGGAGE LIABILITY LIMITATIONS

Unless a higher value has been declared and additional charges paid, Sun Country's liability for any form of damages as a result of the disappearance of, damage to, or delay in delivery of a passenger's personal property, including luggage, properly checked to its custody, shall be limited to the fair market value of the personal property involved at the time of the loss or delay, but in no case involving wholly domestic travel shall such liability exceed $1,250 per passenger, except for mobility devices. For most international travel (including domestic portions of international journeys) Sun Country's liability is limited to $9.07 per pound for checked luggage (approximately $640.00 per piece of checked luggage) and $400.00 per passenger for carry-on luggage. On domestic flights, Sun Country shall not be liable for loss of, damage to, or delay in delivery of high value, fragile, or perishable items, including but not limited to, the following: medication, money, jewelry, silverware, negotiable papers, securities, electronic/video/photographic equipment, samples, heirlooms, antiques, artifacts, works of art, or other valuables included in the passenger's checked luggage, with or without the knowledge of Sun Country Airlines. Sun Country does not assume responsibility for loss or damage due to normal wear and tear; protruding parts, such as feet, handles, wheels, straps, hooks; oversized or overpacked luggage.

THE LIMIT FOR REPORTING LUGGAGE CLAIMS

All lost, damaged, delayed or missing luggage/property must be reported to Sun Country Airlines prior to leaving the airport. The preliminary notification must be followed by written notification within 45 days (domestic) or 21 days (international).

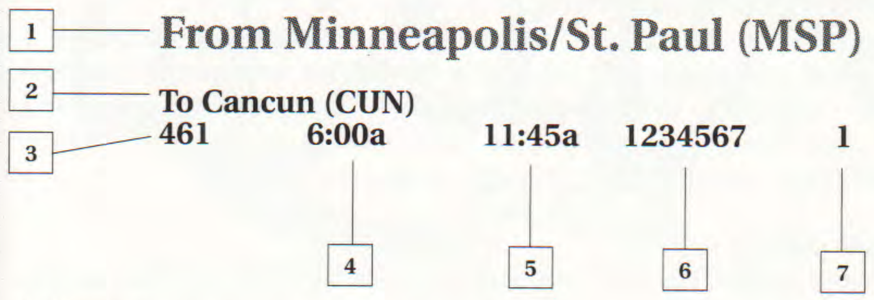

NOTICE OF OVERBOOKING OF FLIGHTS

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If that flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airlines' choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters. (Some airlines do not apply these consumer protections to travel from some foreign countries although other consumer protections may be available. Check with the airline or your travel agent).

A complete copy of Sun Country Airline's Contract of Carriage may be obtained at any Sun Country ticket counter or by writing to:

CHECKED LUGGAGE

Checked luggage should be locked. Regulations require name identification on the outside. Luggage must be checked at a designated Sun Country airport in advance of flight departure time as prescribed by Sun Country Airlines. Failure to meet prescribed check-in times will result in luggage not being accepted without a signed liability release. We also recommend you place your name and address inside your luggage. Identification tags are available at ticket counters. Checked luggage is subject to inspection, including x-ray, and passengers may be required to present identification. Federal regulations require that firearms in checked luggage must be declared and be unloaded. Maximum weight per checked piece is 70 pounds, and maximum size is 62" (length + height + width).
