PASSENGER INFORMATION

RESERVATIONS

Reservations may be made through travel agents, most airlines or Air Central reservations. We recommend that you reconfirm any return reservations at the boarding point at least 2 hours before the flight.

CHECK IN FOR FLIGHTS

To maintain our industry on-time record, we ask that passengers check in 30 minutes prior to departure time. We reserve the right to cancel the reservation of any passenger who fails to present himself at the ticket lifting point at least 10 minutes prior to the scheduled departure time.

BAGGAGE

The free allowance is 40 pounds including carry-on. Excess baggage may be accepted, space and weight permitting and may be charged at the appropriate rate.

FLIGHT CANCELLATIONS

Due to weather or mechanical problems it may become necessary to cancel flights. When this occurs the company will make every effort to arrange for suitable ground transportation. When ground transportation is being utilized, schedule will be readjusted to suit the situation.

DEPARTURES, ARRIVALS, CONNECTIONS

Air Central will not be responsible for damages resulting from the failure of flights to depart or arrive at the published times, nor for failure to make connections with the flights of other carriers. Schedules are subject to change without notice and are based on expected flight times. Weather and other factors may affect operating conditions so that departure and arrival times cannot be guaranteed.

DON'T BE A NO-SHOW!

Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.

Air Central does accept American Express, Mastercharge, Visa and BankAmericard.

CHARTER FLIGHTS

You and your friends or business associates can charter Air Central aircraft to any destination in the United States. Discover how aircraft charters can save you travel time. Rates are per mile so others can travel with you at no additional charge. For more information and rates call Air Central.

AIR FREIGHT

Full air freight services are available to customers including pickup and delivery at your home or business. Our affiliation with freight forwarders and interline agreements with most major airlines allow us to handle almost all of your air freight requirements anywhere in the world.
