FLIGHT CANCELLATIONS

Due to weather or mechanical problems it may become necessary to cancel flights. When this occurs the company will make every effort to arrange for suitable ground transportation. When ground transportation is being utilized, schedule will be readjusted to suit the situation.

Air Central will not be responsible for damages resulting from the failure of flights to depart or arrive at the published times, nor for failure to make connections with the flights of other carriers. Schedules are subject to change without notice and are based on expected flight times. Weather and other factors may affect operating conditions so that departure and arrival times cannot be guaranteed.
